## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of  
the Restaurant Partners Management Retirement Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of **Restaurant Partners Management Retirement Plan**, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA (qualified institution).

Management has obtained certifications from Capital Bank and Trust Company, a qualified institution, as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Administrative Committee of  
Restaurant Partners Management Retirement Plan

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Administrative Committee of  
Restaurant Partners Management Retirement Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respect, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **Restaurant Partners Management Retirement Plan**

## **NOTES TO FINANCIAL STATEMENTS**

### **NOTE A - DESCRIPTION OF PLAN**

The following description of Restaurant Partners Management Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### ***General***

The Plan, effective April 1, 2022, is a defined contribution profit sharing plan under Section 401(a) of the Internal Revenue Code, includes 401(k) salary reduction provisions and is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established to enable employees of Restaurant Management Partners and Affiliates (the "Company") to accumulate capital for retirement.

#### ***Eligibility***

An employee is eligible to participate in the Plan once they attain the age of 18 and complete 90 days of service with the Company. Eligible employees may become participants immediately when eligibility requirements are met. Employees are eligible unless they are covered by a bargaining unit, leased employees, or non-resident aliens.

#### ***Contributions***

Each year, participants may contribute up to 100% of their eligible compensation, as defined in the Plan, not to exceed the limits of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants will be eligible to irrevocably designate some or all of the deferral contribution as a Roth Deferral Contribution at the time the deferral election is made. Roth Deferral Contributions are included in the participant's income for tax purposes.

The Company may make discretionary matching contributions of \$1 for every \$1 of each Participant's Deferral Contribution up to a percentage of participant compensation the Company chooses annually. Contributions are subject to certain limitations imposed by the Internal Revenue Code.

#### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, the Company's matching contribution and allocations of Plan investment income or loss and investment management expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds as investment options for participants.

## NOTES TO FINANCIAL STATEMENTS - Continued

### ***Vesting***

Participants are immediately vested in their salary deferrals plus actual earnings thereon. Vesting in the Company's qualified matching and discretionary profit sharing contribution portions of their accounts is based on years of continuous service beginning at 33% after one year of service and increasing 33% for each year of continuous service thereafter. A participant is 100% vested after four years of service with the Company. If a participant attains the age of 65, dies, or becomes disabled while an employee, they will become 100% vested regardless of the years of service.

### ***Payment of Benefits***

On termination of service due to death, disability, retirement or other reasons, a participant will receive the value of the vested interest in his or her account in a lump-sum distribution. A participant may also receive this if he or she incurs financial hardship as defined by the Plan.

### ***Forfeited Accounts***

Forfeited nonvested account balances are used to offset Plan expenses or to reduce the Plan Sponsor's contributions to the Plan.

## **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### ***Basis of Accounting***

Plan transactions are recorded on the accrual basis of accounting.

### ***Use of Estimates in the Preparation of Financial Statements***

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### ***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value determined primarily by quoted market prices. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan.

Appreciation or depreciation in the fair value of investments represents the change in the difference between aggregate fair value and aggregate cost of investments, including investments purchased, sold and held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

***Payment of Benefits***

Benefits are recorded when paid.

***Subsequent Events***

The Company has evaluated subsequent events and transactions for potential recognition and disclosure through October 9, 2025, the date the financial statements were available to be issued.

**NOTE C - FAIR VALUE MEASUREMENTS**

FASB ASC 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS - Continued

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* Valued at the net asset value ("NAV") of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

**NOTE D - PARTY-IN-INTEREST TRANSACTIONS**

A party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company and certain others. Investment income credited to participants' accounts is stated net of fees charged by the mutual fund managers, such as management fees, distribution and other service fees, and transaction fees associated with buying and selling securities. Fees paid by the Plan for investment management services amount to \$2,092 and \$2,962 for the periods ended December 31, 2024 and 2024. Professional fees for the administration and audit of the Plan are paid by the Company.

**NOTE E - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE F - TAX STATUS**

The Company and its affiliates adopted a prototype non-standardized profit sharing cash or deferred arrangement ("CODA") plan. The form of the plan obtained its latest determination letter in June 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

All tax positions taken by the Plan have been assessed to have a near 100% likelihood of being sustained upon their ultimate settlement in the event they are examined by taxing authorities and, therefore, there are no unrecognized tax liabilities. The tax years that remain subject to examination by the Internal Revenue Service are 2022 and 2023.

**NOTE G - TERMINATED PARTICIPANTS**

Included in net assets available for benefits are amounts allocated to individuals who have withdrawn from the Plan. Amounts allocated to these participants were \$21,348 and \$71 at December 31, 2024 and 2023, respectively.

**NOTE H - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the *Department of Labor Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, Capital Bank and Trust Company, the Trustee, has certified that the information listed below is complete and accurate as of December 31:

	2024	2023
Statements of Net Assets Available for Benefits		
Investments at fair value	\$ 674,871	\$ 412,307
Statements of Changes in Net Assets Available for Benefits		
Net appreciation in fair value of investments	46,460	43,498
Dividends	20,923	8,269

All information disclosed in Note C.

All information in the supplemental schedule of assets (held at end year).

The Plan's independent certified public accountants did not perform auditing procedures with respect to information certified by the Trustee, except for comparing such information to the related information included in the financial statements and supplemental schedules.
