Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Madison Square Garden 401(k) Union Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the Financial Statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

MADISON SQUARE GARDEN 401(k) UNION PLAN

Notes to Financial Statements

Note 1. Description of the Plan

The following brief description of the Madison Square Garden 401(k) Union Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions and does not bind the Plan.

General

The Plan was established on April 1, 2000 and is a multiple employer defined contribution plan for the benefit of certain employees of MSG Entertainment Holdings, LLC ("MSG Entertainment Holdings") and MSGN Holdings, L.P. ("MSGN," and together with MSG Entertainment Holdings, the "Company") who are covered by the collective bargaining agreements between the Company and Licensed Ushers and Ticket Takers Local Union No. 176 of the Service Employees' International Union, AFL-CIO; Special Officers & Guards Union, Local 177 of the Service Employees' International Union, AFL-CIO; American Federation of Television and Radio Artists, AFL-CIO (with respect to Madison Square Garden Network and Madison Square Garden Plus) who are staff sports persons or game announcers; Hotel Employees and Restaurant Employees Union, Local 100, AFL-CIO; Local Union No. 30 and 30-A of the International Union of Operating Engineers AFL-CIO; the American Guild of Variety Artists, AFL-CIO for the Rockettes; American Guild of Variety Artists, AFL-CIO for Stage Managers; American Guild of Variety Artists, AFL-CIO for Principals and Ensemble NY Troupe; American Guild of Variety Artists, AFL-CIO for Principals and Ensemble CAA; and the International Brotherhood of Electrical Workers Local 1212 and the Directors Guild of America, Inc. (with respect to Madison Square Garden Network and Madison Square Garden Plus). Entry dates are immediate upon meeting the eligibility requirements under the Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA).

MSG Entertainment Holdings is a subsidiary of Madison Square Garden Entertainment Corp. ("MSG Entertainment"). On April 20, 2023, MSG Entertainment completed the spin-off of its traditional live entertainment business into MSG Entertainment (the "Spin-Off"). Following the Spin-Off, MSG Entertainment Holdings became the sponsor of a contributing employer to the Plan. Participants who, immediately prior to the effective date of the Spin-Off, were participants in, or entitled to, future benefits under the Plan continue to participate in the Plan on the same terms and conditions as applied prior to the effective date of the spin-off transaction, which terms and conditions may be modified from time to time.

Fidelity Management Trust Company (the Trustee) is the Plan's trustee. Under the terms of a trust agreement between the Trustee and the Company, contributions to the Plan are deposited with the Trustee and maintained in a trust on behalf of the Plan. Fidelity Workplace Services LLC performs the recordkeeping administrative services for the Plan.

Contributions

Each year, participants may contribute to the Plan between 1% and 25% of their compensation, as defined by the Plan and in accordance with limitations of the Internal Revenue Code (IRC). A participant may change or suspend the amount of their contribution at any time. Company contributions to the Plan are made in accordance with the respective collective bargaining agreements. The Company makes a contribution of 0%, 4.5%, 6.5% or 7% of a participant's compensation in accordance with the respective collective bargaining agreements and with the limitations of the IRC. There are employer matching contributions, if applicable, in accordance with the respective collective bargaining agreements.

Investment Options

Upon enrollment or re-enrollment, participants shall direct their employee contributions in whole percentage increments in any of the available investment options. Company contributions, as applicable, are invested in the same manner as participant contributions. Participants may change their investment options on a daily basis as provided by the Plan.

Participant Accounts

Each participant's share of the Plan's net assets is recorded in an account established for that participant. Each participant's account is credited with the participant's contribution, and the participant's share of the Company's contributions, if applicable, adjusted to reflect income, gains and losses realized and net appreciation or depreciation in the value of the Plan's assets. All contributions are invested based on participant direction. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their contribution amounts as provided by the Plan. An

MADISON SQUARE GARDEN 401(k) UNION PLAN

Notes to Financial Statements (Continued)

eligible participant may elect to suspend or resume his or her contributions, subject to the Plan's notice requirements. Changes requested by participants are implemented as soon as administratively practicable, in accordance with the Plan document.

Eligibility and Vesting

Eligibility is dependent on the respective collective bargaining agreements. Participants have a 100% vested interest in their accounts, including all related Company contributions, except for matching contributions which generally become 100% vested upon completion of 1,000 hours of service in three contract years. Non-elective contributions for certain unions are 100% vested.

Notes Receivable from Participants

Subject to approval of the MSG Entertainment Investment & Benefits Committee (the Plan administrator), participants can have two loans outstanding at a time. The loans are secured by the balance in the participant's account. Loans are to be repaid over a period of not more than five years, unless for the purchase of a principal residence, which can be repaid over 10 years. As of December 31, 2024 and 2023, loans totaling \$1,863,836 and \$1,249,271, respectively. Notes receivable from participants are carried at their outstanding balance plus accrued interest. Delinquent participant loans are recorded as distributions based on the terms of the plan document.

Payment of Benefits

Participants are entitled to receive a distribution of their accounts upon the occurrence of (a) termination of employment with the Company for any reason including death, disability, or retirement, (b) termination of the Plan, (c) the attainment of age 59½, or (d) a hardship, as defined in the Plan document.

Administrative Expenses

All costs and expenses with regard to the purchase, sale, or transfer of investments and participant loan activity, as well as recordkeeping fees, are charged against and paid by the appropriate participant's account. All other costs and expenses incurred in the administration of the Plan are paid by the Plan, unless paid by the Company at its discretion. Expenses that are paid by the Company are excluded from these financial statements.

Forfeited Accounts

Forfeited nonvested contributions totaled \$37,259 and \$63,122 for the periods ending December 31, 2024 and 2023, respectively. During the year ended December 31, 2024 employer contributions were reduced by \$36,117 from forfeited nonvested accounts.

Note 2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting and in accordance with U.S. generally accepted accounting principles (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See *Note 5 - Fair Value Measurements of Investments* for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date; interest income is recorded as earned on an accrual basis. The net appreciation in the fair value of the Plan's investments reflects both the realized

MADISON SQUARE GARDEN 401(k) UNION PLAN

Notes to Financial Statements (Continued)

gain and loss on the disposition of investments and the change in the unrealized gain and loss of investments held at the end of the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Note 3. Tax Status

MSG Entertainment Holdings (the Plan sponsor) has adopted a volume submitter plan. The Internal Revenue Service (IRS) informed the volume submitter plan sponsor, in an opinion letter dated June 30, 2020, that the form of the plan is acceptable under the requirements of the Internal Revenue Code. An employer may rely on a favorable opinion letter issued to a volume submitter plan sponsor as evidence that the plan is qualified under Code Section 401(a). Although the plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and being operated in compliance with applicable requirements of the IRC so that the Plan is qualified and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

Note 4. Information Certified by Trustee

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedules, related to investments and notes receivable from participants held as of December 31, 2024 and 2023 and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

Note 5. Fair Value Measurements of Investments

Accounting Standards Codification (ASC) 820, Fair Value Measurement, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2024 or 2023.

The following table presents, for each of these hierarchy levels, the Plan's assets that are measured at fair value on a recurring basis:

MADISON SQUARE GARDEN 401(k) UNION PLAN

Notes to Financial Statements (Continued)

	Fair Value Hierarchy	December 31,	
		2024	2023
Registered investment company mutual funds	I	\$ 69,315,372	\$ 62,606,655
Common/collective trust funds	II	4,012,184	3,863,636
Total investments measured at fair value		\$ 73,327,556	\$ 66,470,291

Registered investment company mutual funds

Mutual funds are valued using observable inputs that reflect quoted prices for identical assets in active markets.

Common/collective trust funds

Common/collective trust funds (CCT) are valued at its net asset value (NAV) as reported by the Trustee. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The CCT publishes its daily NAV and uses such value as the basis for current transactions.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 6. Related Party and Exempt Party-in-Interest Transactions

The Plan issues loans to participants under the deferred arrangement portion of the Plan, which are secured by the vested balances in the participants' account. Participant loan and distribution processing fees are paid to the Trustee by participants.

The administrative expenses of \$48,081 for the year ended December 31, 2024 were paid by the Plan participants to Fidelity for recordkeeping administrative fees. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

Note 7. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

The Plan may indirectly invest in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate values, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Plan's investment in each of the following funds accounted for greater than 10% of total investments as of December 31, 2024 and 2023:

	December 31,			December 31,		
	2024			2023		
	Shares	Fair Value	%	Shares	Fair Value	%
Vanguard Target Retirement 2030 Fund	195,866	7,419,413	10%	n/a	n/a	n/a
Vanguard Treasury Money Market Fund	n/a	n/a	n/a	6,484,795	\$ 6,484,795	10.0%

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will remain fully vested in their accounts.

Note 9. Subsequent Events

The Plan has evaluated, for consideration of recognition or disclosure, subsequent events that have occurred through October 8, 2025, the date the financial statements are available to be issued and no subsequent events that met recognition or disclosure criteria were identified.
