## INDEPENDENT AUDITOR'S REPORT

To the Plan administrator and Participants of Augusta National, Inc. Investment Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Augusta National, Inc. Investment Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### 1. DESCRIPTION OF THE PLAN

**General**—The following description of the Augusta National, Inc. (the “Company”, “Plan Sponsor”) Investment Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan, as amended, is a defined contribution plan originally established by the Company on September 1, 1992, under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement, as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Participant Contributions**—Participants are automatically enrolled in the Plan at a default deferral contribution percentage of 6% of compensation. Participants may then affirmatively elect a different percentage or elect not to make elective deferral contributions. Contributions are made by employees through pretax payroll deductions subject to a maximum dollar amount, as defined by the IRC. The maximum deductible amounts for the 2024 and 2023 Plan years were \$23,000 and \$22,500, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. In addition, participants aged 50 or older or those participants obtaining age 50 in the current Plan year may make an additional catch-up contribution up to \$7,500 and \$7,500 per Plan year in 2024 and 2023, respectively. This amount may be indexed in the future to adjust for inflation.

**Company-Matching Contributions**—The Company determines, at the beginning of each Plan year, whether it will make matching contributions to the Plan for the Plan year. If the Company elects to make matching contributions for a Plan year, the matching contributions will be made on a biweekly basis. A participant will receive a matching contribution if he or she made a contribution to the Plan. The Company may match 150% for an employee dollar contribution up to 3% of compensation as defined by the Plan. The Company elected to make a matching contribution for the 2024 and 2023 Plan years. Any nonvested Company contributions and related investment earnings are forfeited if a participant terminates employment prior to vesting. These forfeitures offset future Company contributions or are used to pay administrative expenses for the plan.

**Vesting**—Participants are vested immediately in their contributions and become 100% vested in the Company’s contributions after two years of service. There is no partial vesting for Company contributions. A year of service is equal to 1,000 or more hours of service.

**Benefits**—A participant may withdraw from the Plan in case of financial hardship, death, disability, retirement, or attainment of age 59 1/2. Upon termination of a participant’s employment, the Plan can distribute the vested portion of the participant’s account, depending on the account balance and the participant’s distribution election. If the participant’s vested balance is less than \$5,000, then the Plan will distribute the vested balance in a lump-sum payment or into an individual retirement account, as

applicable. If the participant's vested balance is greater than \$5,000, the participant can elect either to receive a lump-sum distribution or to leave the vested assets in the Plan up to age 70 1/2.

**Investments**—Participants direct the investment of their contributions and Company matching contributions into various investment options. As of December 31, 2024 and 2023, the Plan offered 27 and 26 mutual funds as investment options for the participants, respectively.

**Forfeitures**—Forfeitures of the nonvested portion of account balances will be combined with all other forfeitures for the period. Forfeitures will remain in an account with the trustee and reduce the amount of matching contributions that the Company is obligated to make or pay administrative expenses. The forfeitures account held no unapplied forfeitures as of December 31, 2023 and \$43 of unapplied forfeitures at December 31, 2024. During the Plan year ended December 31, 2024, \$26,698 of forfeitures were used to pay administrative expenses as well as funding employer matching contributions.

**Participant Accounts**—Each participant's account is credited with the participant's contribution, Company matching contributions, and an allocation of Plan earnings (losses) and reduced for any withdrawals made. Allocations of Plan earnings (losses) are made based on relative account balances, as well as investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the nonforfeitable portion of a participant's account.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting**—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Use of Estimates**—The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Risks and Uncertainties**—The Plan utilizes exclusively mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

**Investment Valuation and Income Recognition**—The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Payment of Benefits**—Benefits are recorded when paid. There were no benefits payable as of December 31, 2023 or December 31, 2024.

**Plan Administration**—Principal Life Insurance Company serves as the record-keeper of the Plan and Principal Trust Company serves as the trustee of the Plan. The Executive Director of the Company serves as the administrator of the Plan. Administrative expenses of the Plan are paid by the Plan or the Plan sponsor, as provided in the Plan document. Participants pay administrative costs for distributions and qualified domestic relation orders.

All investment management and transaction fees directly related to the Plan investments are paid by the Plan. Management fees and operating expenses charged to the Plan for investments are paid on a quarterly basis.

**Subsequent Events**—For the year ended December 31, 2024, subsequent events were evaluated through October 10, 2025, the date the financial statements were available to be issued.

### 3. FAIR VALUE MEASUREMENTS

ASC 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

**Asset Valuation Techniques**—Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Mutual Funds**—Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

A summary of the Plan’s investments measured at fair value on a recurring basis, set forth by level within the fair value hierarchy as of December 31, 2024, is as follows:

	<b>Active Markets for Identical Assets (Level 1)</b>	<b>Other Observable Inputs (Level 2)</b>	<b>Significant Unobservable Inputs (Level 3)</b>	<b>Total</b>
Mutual funds in the fair value hierarchy	\$ 54,504,977	\$ -	\$ -	\$ 54,504,977
Total	<u>\$ 54,504,977</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 54,504,977</u>

A summary of the Plan’s investments measured at fair value on a recurring basis, set forth by level within the fair value hierarchy as of December 31, 2023, is as follows:

	<b>Active Markets for Identical Assets (Level 1)</b>	<b>Other Observable Inputs (Level 2)</b>	<b>Significant Unobservable Inputs (Level 3)</b>	<b>Total</b>
Mutual funds in the fair value hierarchy	\$ 50,310,126	\$ -	\$ -	\$ 50,310,126
Total	<u>\$ 50,310,126</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 50,310,126</u>

#### **4. FEDERAL INCOME TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed Principal Life Insurance Company, by a letter dated June 30, 2020, that the Plan and the related trust were designed in accordance with the applicable regulations of the IRC. The Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and the related trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

#### **5. PLAN TERMINATION**

Although it has not expressed any intention to do so, the Company reserves the right to discontinue its contributions at any time and to amend or terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **6. INFORMATION CERTIFIED BY THE TRUSTEE**

The following is a summary of the unaudited information regarding the Plan as of December 31, 2024 and 2023 and for the year ended December 31, 2024, included in the Plan’s financial statements and supplemental schedules that was prepared by Principal Trust Company and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

	<b>2024</b>	<b>2023</b>
Statements of net assets available for benefits—investments at fair value	\$ 54,504,977	\$ 50,310,126
Statement of changes in net assets available for benefits:		
Investment income—net appreciation in fair value of investments	5,319,280	
Investment income—dividends	1,439,162	

Supplemental schedule of assets (held at end of year) as of December 31, 2024.

Note 3: All investment balances and investment information in the note, except for the classification of investments by level under ASC 820.

#### **7. NON EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Participant contributions were remitted to the trustee later than required by Department of Labor (DOL) Regulation 2510.3-102 for four pay periods during the 2024 plan year. In 2024 and 2025, the Company completed a voluntary self correction (VSC) and credited the amount of investment income that would have been earned had the participant contribution been remitted on a timely basis to the participant accounts.

<b>Payroll Date</b>	<b>Remittance Date</b>	<b>Employee Contributions</b>	<b>Total</b>
March 22, 2024	April 4, 2024	\$ 132,782	\$ 132,782

Deduct employer contributions receivable—December 31, 2024	<u>(214,904)</u>
 Total employer contributions per Form 5500	 <u>\$ 1,826,030</u>

## 9. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan requires certain fees to be paid to Principal Life Insurance Company for investment management services provided for the Plan. Principal Life Insurance Company acts as the Plan recordkeeper. Therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for investment management services were included within Plan Fees.
