Fransen-Pittman Construction Company, Inc. 401(k) Profit Sharing Plan

Financial Statements and Supplemental Schedule

Year Ended December 31, 2024

WIPFLI

Independent Auditor's Report

To the Plan Administrator
Fransen-Pittman Construction Company, Inc. 401(k) Profit Sharing Plan
Englewood, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Fransen-Pittman Construction Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fransen-Pittman Construction Company, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fransen-Pittman Construction Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fransen-Pittman Construction Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fransen-Pittman Construction Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fransen-Pittman Construction Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Form 5500 Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Fransen-Pittman Construction Company, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan became effective November 1, 1996, with approval of the Board of Directors of Fransen-Pittman Construction Company, Inc. (the "Company"). The Plan is a defined contribution plan covering eligible employees of the Company that are age twenty-one and older, excluding union employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Company is the plan administrator and is responsible for oversight of the Plan and Empower Trust Company, LLC ("Empower"), serves as the trustee and recordkeeper. Plan management works with Empower Advisory Group, LLC to determine the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

The Plan includes automatic enrollment for all new employees on the first day of each month after eligibility requirements are met and if the employee does not opt out. Deferral contributions for employees entered under automatic enrollment will be 6% and will increase annually by 1% up to a maximum of 10% of eligible compensation. Each year, participants may contribute up to the amount allowed by law of annual compensation, as defined in the Plan, on a pretax or after-tax basis. Deferral contributions shall not exceed certain limits set forth by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Company shall make safe harbor matching contributions equal to 100% of the participant's elective deferrals up to 3% of their compensation, plus 50% of the participant's elective deferrals in excess of 3%, but less than 5% of their compensation, or a maximum of 4%. During the year ended December 31, 2024, the Company made safe harbor contributions of \$640,777.

The Plan allows for discretionary employer contributions and non-elective employer contributions. Participants must complete 1,000 hours and one year of service to be eligible for discretionary employer contributions and non-elective employer contributions. For the year ended December 31, 2024, the Company did not to make any discretionary employer contributions or non-elective employer contributions.

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, and allocations of plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant contributions, safe harbor matching contributions, rollovers, qualified non-elective contributions, and net earnings on these contributions are fully vested when made or earned. Discretionary employer contributions, if any, as well as all earnings on these contributions vest according to the following schedule:

Years of Service	Vesting Percentage
Less than 1	- %
1-2	33 %
2-3	66 %
3 or more	100 %

Participants are fully vested upon retirement, death, disability, or plan termination.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investments in mutual funds, common/collective trust funds, and a stable value fund as investment options for participants. Participants may change their investment options at any time.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. The loans will bear interest at 1% over the Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated and is paid back to the participant's accounts. Loans are immediately due upon the participant's termination. Loans must be fully repaid through weekly payroll deductions within five years. If a loan is entered into for the purchase of a primary residence, it may be paid back over a period of fifteen years. The loans are secured by the vested balance in the participant's account. A note will carry the same rate of interest throughout its term. Interest rates on notes receivable from participants as of December 31, 2024, ranged from 4.25% to 9.50% per annum. A participant can have two loans at any given time.

Note 1: Description of Plan (Continued)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments as required by minimum distribution rules. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows for in-service distributions upon attaining age 59 1/2. Hardship withdrawals are available if the participant meets certain criteria.

Forfeitures

At December 31, 2024 and 2023, forfeited non-vested funds totaled \$7 and \$279, respectively. Forfeitures are used to reduce Company contributions or pay plan expenses. Any remaining forfeitures that still remain will be allocated to participants. During the year ended December 31, 2024, \$2,925 of forfeitures were used to pay plan expenses.

SECURE 2.0

The SECURE 2.0 Act of 2022 ("SECURE 2.0"), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. Management has evaluated those provisions and determined there is no material impact on the Plan. Plan management will determine the optional provision to elect in the future.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 3, 2025, which is the date the financial statements were available to be issued.

Note 3: Information Prepared and Certified by the Trustee (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the trustee of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023.
- Interest and dividend income, interest income on notes receivable from participants, and net appreciation in fair value of investments as shown in the Statement of Changes in Net Assets Available for Benefits.
- All investment information included in the supplemental schedule - Form 5500 Schedule H, Line 4i - Schedule of Assets (Held at Year End) as of December 31, 2024.

This information has not been audited by the Plan's independent auditors.

Note 4: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Funds and Common/Collective Trust Funds: Valued at the NAV of the fund as reported to the plan administrator by the trustees of the fund. The NAV is used as a practical expedient to estimate fair value. If the Plan were to experience certain events such as plan termination, the fund may impose a market value adjustment on withdrawals.

401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4: Fair Value Measurements (Continued)

The preceding methods may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 13,995,873	\$ -	\$ -	\$ 13,995,873
Common/Collective Trust Funds, Measured at NAV (a)				2,977,560
Stable Value Fund, Measured at NAV (a)				266,113
Investments at Fair Value	\$ 13,995,873	\$ -	\$ -	\$ 17,239,546

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,640,550	\$ -	\$ -	\$ 11,640,550
Common/Collective Trust Funds, Measured at NAV (a)				2,311,688
Stable Value Fund, Measured at NAV (a)				263,758
Investments at Fair Value	\$ 11,640,550	\$ -	\$ -	\$ 14,215,996

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments in Entities That Use NAV

The following tables summarize investments measured at fair value based on NAV per share:

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (If Current Eligible)	Redemption Notice Period
Common/Collective Trust Funds	\$2,977,560	N/A	Daily	1 Day
Stable Value Fund	\$266,113	N/A	Daily	1 Day

<i>December 31, 2023</i>	Fair Value	Unfunded Commitments	Redemption Frequency (If Current Eligible)	Redemption Notice Period
Common/Collective Trust Funds	\$2,311,688	N/A	Daily	1 Day
Stable Value Fund	\$263,758	N/A	Daily	1 Day

Note 5: Party-in-Interest Transactions

Empower is the trustee and record keeper of the Plan. Empower managed certain assets of the Plan and therefore, investments managed by Empower qualify as exempt party-in-interest transactions. Additionally, Empower Advisory Assets Group, LLC, provides investment advisory services to the Plan. Transactions with these companies qualify as party-in-interest transactions. For the year ended December 31, 2024, the Plan made direct payments of \$15,911 to Empower and the investment advisor, which were not covered by revenue sharing. Fees incurred by the Plan for investment management services are included in net change in fair value of investments as they are paid through revenue sharing rather than a direct payment.

Notes receivable from participants also qualify as party-in-interest transaction, which are exempt from the prohibited transactions rules of ERISA.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 7: Tax Status

The Plan has adopted a volume submitter plan with an IRS Opinion letter dated November 14, 2022, which states the volume submitter plan is in compliance with the applicable sections of the Internal Revenue Code ("IRC"). The plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in-progress.

Notes to Financial Statements

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 9: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Plan's Form 5500:

<i>As of December 31,</i>	2024	2023
Net Assets Available for Benefits per the Financial Statements	\$ 17,626,559	\$ 14,521,706
Company Contribution Receivable	(32,012)	(16,320)
Net Assets Available for Benefits per the Form 5500	\$ 17,594,547	\$ 14,505,386

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Schedule H of Form 5500:

<i>Year Ended December 31,</i>	2024
Net Increase in Net Assets Available for Benefits per the Financial Statements	\$ 3,104,853
