## Independent Auditors' Report

The Plan Administrator of  
Central Management Concepts, LLC Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Central Management Concepts, LLC Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Central Management Concepts, LLC Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024 stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Central Management Concepts, LLC Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Management Concepts, LLC Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Management Concepts, LLC Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Management Concepts, LLC Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held (at year end) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CENTRAL MANAGEMENT CONCEPTS, LLC PROFIT SHARING PLAN**

Notes to Financial Statements

For the year ended December 31, 2024

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Central Management Concepts, LLC Profit Sharing Plan ("The Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering all eligible employees of Central Management Concepts, LLC who have one year of service as defined by the plan. The Plan, established in 2004, is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Each year, participants may elect to contribute up to one hundred percent of their compensation or the dollar limit set by law every year, whichever is less, to the Plan. Participants may also contribute amounts representing distributions from other qualified plans or a rollover IRA. Participants direct the investment of their contributions into various investment options offered by the Plan. The employer will contribute a Safe Harbor match of one hundred percent of the first three percent that the participants contribute and fifty percent of the next two percent that the participants contribute. The employer may make matching contributions at its discretion. The matching contributions are based on participant contributions; however, for plan years that Safe Harbor contributions are made, the employer may suspend non-Safe Harbor employer matching

**Participant Accounts**

Each participant's account is credited with the (1) participant's contribution and employer contributions and (2) an allocation of the Plan's earnings. The allocation of earnings is based on the actual performance of the fund the participants elect to invest in less any applicable fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are always one-hundred percent vested in the following sources, plus any earnings that they generate:

- Rollover
- 401(k) Pre-tax
- Roth 401(k)
- Employer Match
- Safe Harbor Match

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (reduced by any outstanding loans) or 50% of the participant's vested account balance. Only one loan may be outstanding at any time for each participant. Loans are secured by participant account balances and bear interest at a rate agreed upon as of the date of the original borrowing. In certain cases, the Administrator may require the participant to provide additional collateral. The Plan Administrator shall determine a reasonable rate of interest based on prevailing interest rates charged for loans made under similar circumstances, and currently range from 4.25% to 9.5%. Generally, the Administrator will require that the loan be repaid by agreeing to payment by ACH or payment by check (for prepayments only).

**Payment of Benefits**

Plan distributions shall commence as soon as practicable after the participant's termination of employment. If the vested account balance does not exceed \$5,000, then the vested account balance may only be distributed in a single lump-sum payment. In addition, if the vested account balance exceeds \$1,000, consent to distribution must be made. If the vested account balance exceeds \$5,000, distribution can be made in installments, partial payments, and lump sum payments.

**Forfeiture Accounts**

Because participants are always 100% vested in all contribution types, there are no forfeitures.

**Plan Expenses**

The Plan permits the payment of Plan expenses to be made from the Plan's assets. If expenses are paid using the Plan's assets, then the expenses will generally be allocated among the accounts of all participants in the Plan.

**CENTRAL MANAGEMENT CONCEPTS, LLC PROFIT SHARING PLAN**

Notes to Financial Statements

For the year ended December 31, 2024

**NOTE 1 - DESCRIPTION OF PLAN (continued)****Investment Options**

Participants will be able to direct the investment of their entire interest in the Plan. The Administrator will provide the participants with information on the investment choices available, the procedures for making investment elections, the frequency with which participants can change investment choices and other important information. The investment options include funds held in an insurance company general account.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES****Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See the note below discussing fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance. Interest on participant loans is recognized when received. Related fees are charged to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

**Payment of Benefits**

Benefits are recorded when paid.

**Date of Management's Review**

Management has evaluated subsequent events through October 10, 2025, the date the financial statements were available to be issued.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

The Plan's investments in pooled separate accounts are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce amounts not indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. Valuations of these assets are typically based on management assumptions or expectations and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence

of fair value.

**CENTRAL MANAGEMENT CONCEPTS, LLC PROFIT SHARING PLAN**  
Notes to Financial Statements  
For the year ended December 31, 2024

**NOTE 3 - FAIR VALUE MEASUREMENTS (continued)**

**Level 1 Fair Value Measurements**

The fair value of the pooled separate accounts are based on quoted market prices.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Fair Value	2024		
		(Level 1)	(Level 2)	(Level 3)
<b>Investments at Fair Value as of December 31, 2024:</b>				
Pooled Separate Accounts	\$ 17,664,930	-	17,664,930	-
Total	\$ 17,664,930	\$ -	\$ 17,664,930	\$ -
		2023		
		(Level 1)	(Level 2)	(Level 3)
<b>Investments at Fair Value as of December 31, 2023:</b>				
Pooled Separate Accounts	\$ 14,270,426	-	14,270,426	-
Total	\$ 14,270,426	\$ -	\$ 14,270,426	\$ -

**NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS**

Because the Minnesota Life Guaranteed Return Account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed return account. The guaranteed return account is presented on the face of the Statements of Net Assets Available for Benefits at contract value. Contract value represents contributions made under the contract, plus earning, less participant withdrawal and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Minnesota Life Guaranteed Return Account guarantees principal and a minimum guaranteed interest rate for the life of the product as well as featuring two declared interest rates: a current rate, determined at least monthly, and a guaranteed minimum floor rate declared for a defined period. Minnesota Life's determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains (losses) realized on the sale of invested assets. Minnesota Life Insurance Company assumes the risk of investment gain or loss by guaranteeing the principal amount and promising a minimum interest rate. However, early withdrawals may be subject to contract surrender charges and market value adjustments which could result in the loss of principle and earnings.

Certain events limit the Plan's ability to transact at contract value with Minnesota Life Insurance Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment option or deletion of equity wash provision, (c) bankruptcy of the plan sponsor or other plan sponsors events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

**NOTE 5 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination all plan participants become 100 percent vested in their account balances.

**CENTRAL MANAGEMENT CONCEPTS, LLC PROFIT SHARING PLAN**

Notes to Financial Statements

For the year ended December 31, 2024

**NOTE 6 - INCOME TAX STATUS**

The Internal Revenue Service issued a favorable determination letter on June 30, 2020 indicating that the trustee's master prototype plan is qualified under Section 401 of the Internal Revenue Code. The Plan itself has not separately applied for tax exempt status. Although the plan has been amended since that time, the Plan's management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan's management believes that the Plan is qualified and the related trust is exempt from taxation under the Internal Revenue Code.

**NOTE 7 - INFORMATION CERTIFIED BY THE TRUSTEE**

As pursuant to CFR 252.103-8, the Plan qualified for a limited scope audit. Information relating to investment assets, investment transactions, investment earnings and schedule of assets (held at period end) was certified as complete and accurate by the trustee, Minnesota Life Insurance Company as of December 31, 2024 and 2023.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee:

In addition, all information included in the Schedule of Assets (Held at Year End) has been certified as complete and accurate by the trustee.

**NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Company, the participants, and the Trustee have all been identified as parties-in-interest. The plan consists of funds held in an insurance company general account managed by Minnesota Life Insurance Company. Minnesota Life Insurance Company is the trustee as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transactions rules of ERISA. Participant loans qualify as party-in-interest and related party transactions, which are exempt from the prohibited transaction rules. Certain administrative expenses of the Plan are paid by the Company and qualify as party-in-interest transactions.

Notes to Financial Statements

For the year ended December 31, 2024

**NOTE 9 - RISKS AND UNCERTAINTIES**

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:
