## Independent Auditor's Report

Trustees and Management  
Behavioral Health Resources Retirement Plan  
Olympia, Washington

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Behavioral Health Resources Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets-so-held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but

is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **BEHAVIORAL HEALTH RESOURCES RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

#### **NOTE 1 - DESCRIPTION OF PLAN**

##### ***General***

The following description of the Behavioral Health Resources Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan's sponsor and administrator is Behavioral Health Resources (the "Organization").

The Plan is a defined contribution plan. An eligible employee will be able to make elective deferrals beginning on the date of hire. An eligible employee will receive the employer safe harbor contribution of 5% after one year of service and the attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

##### ***Contributions***

Each year, participants may contribute the maximum allowed under Internal Revenue Code Section 402(g), which is \$23,000 for the year ended December 31, 2024. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 for the year ended December 31, 2024. The Plan also has a ROTH provision, which allows participants to make after-tax contributions to the plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollovers").

##### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, rollovers, the Organization's contributions and earnings on the investments in their account and is charged with administrative fees. Participants direct the investment of their account into various investment options offered by the Plan. Participants may change their investment options at any time with certain trading restrictions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance as of the most recent valuation date. Loan repayment terms, including interest rate and length of loan, are determined at the time the loan is made, and range from one to five years. The loans are secured by the balance in the participant's account and bear interest at 2.75% to 5.5%. Principal and interest are paid ratably through monthly ACH withdrawals from the borrowers personal bank account.

##### ***Vesting***

Participants are immediately vested in contributions from salary deferrals, plus actual earnings and the Organization's safe harbor contribution.

##### ***Payment of Benefits***

On termination of service due to retirement, death or disability, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in annual installments. Vested benefits of \$5,000 or less at termination may be distributed by the Plan without participant consent.

## **BEHAVIORAL HEALTH RESOURCES RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

#### **NOTE 1 - DESCRIPTION OF PLAN (Continued)**

##### ***Payment of Benefits (Continued)***

Upon death or disability, a beneficiary or participant will receive 100% of their account balance, paid as if retired. If the balance is less than \$5,000, a lump-sum distribution will be made regardless of election, paid at the earliest administratively feasible date. Terminated participants may elect to receive this lump-sum distribution in cash or as a rollover to an individual retirement account or the qualified plan of his or her new employer. Pre-retirement and hardship distributions are allowed in accordance with the terms of the Plan.

#### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### ***Basis of Accounting***

The financial statements of the Plan are presented on the accrual basis of accounting.

##### ***Amounts Allocated to Withdrawn Participants***

Net assets available for benefits at December 31, 2024 and 2023 include \$1,157,591 and \$1,082,935, respectively, allocated to the accounts of persons who, as of or prior to that date, had withdrawn from the Plan, but continue to participate in the earnings of the Plan, and will be paid their benefits subsequent to December 31, 2024 and 2023, respectively.

##### ***Investment Valuation and Income Recognition***

Investments in mutual funds are based on quoted market prices for the identical security in an active market. Insurance contracts are based on the Plan's own assumptions of how knowledgeable parties would price assets and are considered a level 2 input for fair value measurements. Notes receivable from participants are carried at their outstanding balances as of the year-end. Purchases and sales of securities are recorded on the trade-date basis. Unrealized appreciation or depreciation in investments held is the adjustment to reflect fair value of investments held at year-end. Net appreciation in fair value of investments includes realized and unrealized gains and losses on those investments bought and sold, as well as held during the year.

##### ***Participant Transaction Fees***

The Plan permits the payment of administrative expenses to be made from the Plan's assets and for them to be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. Expenses relating to specific participant transactions (i.e., loan setup, distribution request, etc.) are charged directly against the appropriate participant's account. Investment-related expenses are included in net depreciation in fair value of investments.

Fees incurred by the Plan for the investment management services or recordkeeping that are paid through revenue sharing rather than a direct payment are included in net depreciation in fair value of investments.

##### ***Payments of Benefits***

Benefits are recorded when paid.

## **BEHAVIORAL HEALTH RESOURCES RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

#### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

##### ***Fair Value Measurements***

The Plan applies fair value measurements that define fair value, provide a framework to measure the fair value of assets and liabilities and require certain disclosures about those measurements. The framework establishes a hierarchy to prioritize the inputs that underlie a fair value measurement and requires that valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs essentially distinguish the relative reliability of inputs to fair value measurements. Level 1 inputs are more reliable and objective than Level 2 inputs, which are in turn more reliable and objective than Level 3 inputs. In arriving at a fair value measure, the Plan is required to determine the level in the fair value hierarchy within which a fair value measurement ultimately falls and provide disclosure of such determinations.

##### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred to each participant. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

##### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Trustees to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

##### ***Subsequent Events***

The Trustees of the Plan evaluated for subsequent events and transactions for potential recognition and disclosure through October 10, 2025, the date the statements were available to be issued.

#### **NOTE 3 - INFORMATION CERTIFIED BY PLAN CUSTODIAN**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted with this election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the Plan's custodian, VALIC, except for comparing such information to information included in the Plan's financial statements and supplemental schedule. The custodian certified

## BEHAVIORAL HEALTH RESOURCES RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

#### NOTE 3 - INFORMATION CERTIFIED BY PLAN CUSTODIAN (Continued)

the completeness and accuracy of the investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, net appreciation in fair value of investments, dividends and interest income, interest on notes receivable from participants and benefits paid to participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024, and the investments reflected on Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year).

#### NOTE 4 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Investments valued using Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Level 3 inputs are based on the Plan's own assumptions on how knowledgeable parties would price assets or liabilities and are developed using the best information available in the circumstances.

##### *Mutual Funds*

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques and inputs are appropriate and consistent with other market participants, the use of different techniques and inputs or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following are the hierarchy and fair value measurements at December 31:

		Fair Value Measurements		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	<u>Total</u>

#### NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

#### NOTE 6 - TAX STATUS

The Plan obtained its latest opinion letter dated March 31, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Plan management evaluates tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan investments may be shares of insurance contracts managed by VALIC. Therefore, transactions with VALIC qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Organization. No such officers or employees receive compensation from the Plan.

## **BEHAVIORAL HEALTH RESOURCES RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

#### **NOTE 7 - RELATED PARTY TRANSACTIONS (Continued)**

The Organization has retained the services of the investment custodian to perform other administrative functions. The Organization pays for certain fees and expenses on behalf of the Plan. Administrative expenses incurred by nonactive employees are paid by the individual participant.

#### **NOTE 8 - RISKS AND UNCERTAINTIES**

The Plan is exposed to market and credit risk due to the various foreign and domestic investment securities that may be selected by the participant in any combination. Investment securities are exposed to various risks, such as foreign currency exchange rate, interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
