Plan Administrator
Houston Pilots 401(k) Plan
Deer Park, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of the Houston Pilots 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

October 10, 2025
Houston Pilots 401(k) Plan

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions and maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

October 10, 2025
Houston Pilots 401(k) Plan

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

The 2023 financial statements of the Plan were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 11, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agreed to or was derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

HOUSTON PILOTS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

Note 1 - Plan Description

The following description of the Houston Pilots 401(k) Plan (the Plan) is provided for general information only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Houston Pilots 401(k) Plan (the Plan) was adopted effective January 1, 2000, and restated January 1, 2017 to comply with the Pension Protection Act, to establish a savings and investment plan for the exclusive benefit of the employees of Houston Pilots (the Company) and their beneficiaries. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan has been amended since January 1, 2017.

Plan Administration

State Street Bank and Trust Company (SSBT) serves as trustee of the Plan. SSBT is the asset custodian for the mutual funds and the self-directed account, and Transamerica Life Insurance Company (TLIC) is the asset custodian for the investment contract. Transamerica Retirement Solutions, LLC (TRS) is the recordkeeper for participant accounts. The Company serves as the plan administrator and is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

Eligibility

An employee is eligible to become a participant in the Plan on the January 1st, April 1st, July 1st and October 1st coincident with or next following their date of hire. Employees not eligible to participate in the Plan include certain union employees, certain nonresident aliens, leased employees, and part-time, temporary, seasonal, or intern employees who do not meet certain service requirements.

Contributions

Upon meeting the eligibility requirements, employee pre-tax contributions are automatically withheld at 3% of the employees eligible wages, unless the employee elects a different percentage which can range from 0% to 90%. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans and certain other qualified sources as defined in the plan document.

During 2024, the Company elected to contribute a safe harbor 401(k) contribution equal to 3% of each eligible employee's compensation and a discretionary contribution equal to 10.3333% of each eligible employee's compensation. Eligible employees were not required to make a salary deferral contribution to receive the safe harbor 401(k) contribution and the discretionary contribution.

See independent auditor's report.

HOUSTON PILOTS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2024 and 2023

Each participant account is credited with the participant's contribution, the Company's contributions, and a pro rata share of the earnings of each fund in which the participant has invested.

Benefit Payments

Distributions may be made to participants or their beneficiaries upon termination of employment, retirement, disability or death, as applicable. Under certain circumstances, participants may withdraw the value of their account while still employed for reasons of financial hardship, upon the attainment of required minimum distribution age and for other such reasons. Upon termination, participants with an account balance of \$1,000 or less shall receive an automatic lump sum distribution from the Plan. For participants who terminate with an account balance of more than \$1,000 but less than \$7,000, the plan administrator shall make a direct rollover into an individual retirement account. Withdrawals from the Plan may be subject to federal income tax on contributions and income earned.

Notes Receivable from Participants

The Plan allows hardship loans to participants who meet hardship application requirements. Notes receivable from participants are secured by the vested portion of their respective accounts. Participants may borrow from their accounts up to a maximum amount equal to the lesser of \$50,000, reduced by any outstanding loan balance, if any, during the previous 12 months or 50% of their vested interest in the Plan. The minimum loan is \$1,000. Loans bear interest at the Prime rate plus 1.00%. Principal and interest are generally paid through payroll deductions. The maximum term of a hardship loan is five years from the date of issuance, unless the hardship loan is for the purchase of a principal residence, in which case the maximum term is 10 years.

Vesting

Participants are immediately vested in their salary reduction, rollover contributions, and the Company's safe harbor 401(k) contributions plus actual earnings thereon. Any Company discretionary contributions and related earnings vest as follows:

<u>Full Years of Vesting Service</u>	<u>Vested Interest</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Participant Accounts

Each participant's account is credited with the participant's own contributions, employer profit-sharing contributions, safe harbor contributions, and an allocation of net earnings from investments and changes in investment values. Allocations are based on each participant's contributions, earnings, or account balances, as defined by the plan document.

See independent auditor's report.

HOUSTON PILOTS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2024 and 2023

Forfeitures

Forfeitures of account balances not fully vested are used to reduce future employer discretionary contributions or pay plan expenses. Forfeitures of \$3,099 and \$14,858 were utilized during 2024 from the unvested portion of terminated participant accounts to offset employer contributions and pay plan expenses, respectively. There was no unused forfeiture balance at December 31, 2024 or 2023.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition

Investments of the Plan, except for the guaranteed insurance contract reported at contract value, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of fair value measurements and Note 5 for discussion of contract value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation in the fair value of investments includes realized gains or losses on investments sold during the year as well as the unrealized gains or losses on the investments held at the end of the year.

Self-Directed Account

A self-directed investment account (Personal Retirement Choice Account) was established for each participant who directed an investment outside of the investment options designated by the plan administrator. The self-directed account shall not share in trust fund earnings but will be charged or credited as appropriate with net earnings, gains, losses, and expenses, as well as any appreciation (depreciation) in market value attributable to such account during each plan year.

HOUSTON PILOTS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2024 and 2023

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Notes receivable from participants are placed into default if the note is not repaid within the prescribed time period. Defaulted notes are treated as distributions based upon the terms of the plan document when a distributable event has occurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Benefit Payments

Benefits paid to participants or beneficiaries are recorded when paid.

Administrative Expenses

The Company, as the plan administrator, may, at its discretion, pay the Plan's administrative expenses. Any Plan expenses not paid by the Company will be paid by the Plan. Substantially all Plan expenses, except those pertaining to the self-directed investment account, were paid by the Company for 2024.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investment in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and may impact participants' account balances and the amounts reported in the financial statements.

Subsequent Events

Management of the Plan evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 10, 2025, which is the date the financial statements were available to be issued.

See independent auditor's report.

Note 3 - Information Certified by the Asset Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from TLIC and SSBT as of December 31, 2024 and for the year then ended, that all of the information provided is complete and accurate. Information included in the accompanying financial statements, the notes to the financial statements as to investments, notes receivable from participants, investment income, interest income on notes receivable from participants and all information in the supplemental schedule of assets (held at end of year), is presented in reliance solely upon these certifications.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements, the accompanying notes to the financial statements and the supplemental schedule of assets (held at end of year).

Note 4 - Fair Value Measurements

GAAP provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

See independent auditor's report.

HOUSTON PILOTS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2024 and 2023

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds and Self-Directed Account: These accounts investing in equity securities, exchange traded and mutual funds, U.S. Treasury securities, and cash equivalents are valued at the market value of shares held by the Plan at year end and are categorized as Level 1 investments.

Self-Directed Account: This account includes investments in corporate obligations and certificates of deposit that are valued by the asset manager based upon the net asset value of the underlying investments and are categorized as Level 2 investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques are appropriate and consistent with other market participants, the use of different techniques or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 80,204,674	\$ -	\$ -	\$ 80,204,674
Self-directed account	46,177,185	238,475	-	46,415,660
Total investments at fair value	<u>\$ 126,381,859</u>	<u>\$ 238,475</u>	<u>\$ -</u>	<u>\$ 126,620,334</u>

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 72,742,745	\$ -	\$ -	\$ 72,742,745
Self-directed account	39,161,062	452,181	-	39,613,243
Total investments at fair value	<u>\$ 111,903,807</u>	<u>\$ 452,181</u>	<u>\$ -</u>	<u>\$ 112,355,988</u>

Note 5 - Benefit Responsive Fund

The Plan has a fully benefit-responsive group annuity contract with TLIC. The Transamerica Guaranteed Investment Option is held and backed by the general account of TLIC and has a fixed rate of interest. Contract value, as reported to the Plan by TLIC, is the beginning balance plus any deposits and credited interest, less any withdrawals, charges or expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value without restrictions. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

See independent auditor's report.

HOUSTON PILOTS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2024 and 2023

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with TLIC. Under limited circumstances, TLIC may impose a delay period on all withdrawal requests from the plan sponsor at the plan level. The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, all participants become 100% vested.

Note 7 - Federal Income Tax Status

The pre-approved plan document adopted by the Plan received an opinion letter from the Internal Revenue Service (IRS) dated March 8, 2018, stating that the pre-approved plan document was in compliance with the applicable requirements of the IRC. The pre-approved plan document has been amended since receiving its IRS letter; however, the plan administrator, through its adoption of the pre-approved plan document, believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Party-In-Interest Transactions

The Plan invests in funds offered by affiliates of TRS and TLIC, and therefore, these investments are considered party-in-interest transactions. The plan administrator has approved of these investment options. The Plan also engages in transactions with participants related to notes receivable, which are party-in-interest transactions with respect to the Plan. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the IRC.
