INDEPENDENT AUDITOR'S REPORT

To the PMI Administration Committee
(formerly the Swedish Match North America Employee Benefits Committee)
Pinkerton Tobacco Hourly Employees Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pinkerton Tobacco Hourly Employees Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PINKERTON TOBACCO HOURLY EMPLOYEES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a brief description of the Pinkerton Tobacco Hourly Employees Profit Sharing Plan (the Plan). A more complete description of the provisions of the Plan is available in the Plan document and individual statement of benefits provided to each Plan participant.

General: The Plan is a defined contribution plan covering certain eligible employees of Swedish Match North America LLC and its affiliates (the Company). The Plan also covers certain eligible employees of The Pinkerton Tobacco Company, Swedish Match Leaf Tobacco Company, and Pinkerton Tobacco Co., L.P. The Plan was established on January 1, 1967. Effective January 1, 2021, the Plan was restated in accordance with certain regulatory updates. Plan provisions remained substantially unchanged. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The PMI Administration Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Participation: Effective January 1, 2018, certain hourly employees of the Company become participants of the Plan on the first day of the month following the completion of three months of service. Prior to 2018, certain hourly employees of the Company became participants of the Plan on January 1 or July 1 following the completion of one year of service, provided that 1,000 hours of service had been completed during that year. Participants cease participation in the Plan upon termination of employment with the Company and after complete distribution of their vested interest under the Plan.

Participant contributions: The Plan permits participant voluntary before-tax matched contributions through payroll deductions, limited to 6 percent of covered annual earnings, as specified in the Plan. Additional before-tax unmatched participant contributions, also made through payroll, are limited to 44 percent of covered annual compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Employer contributions: The Company's profit sharing contributions and amounts forfeited by terminated participants are allocated to participants in the same ratio as each participant's compensation for the year, as defined in the Plan, bears to aggregate compensation for the year for all participants. In addition to participants actively employed on the last day of the Plan year, participants whose employment was terminated during the Plan year due to factors such as retirement, disability, death or transfer to an affiliated company are eligible for such allocation.

Contributions by the Company to the Plan consist of a profit sharing contribution of up to 5 percent of covered compensation based on the Company's net income, as defined in the Plan, and a 50 percent matching contribution on each participant's voluntary contributions up to a maximum of 3 percent of covered compensation. During the year ended December 31, 2024, the Company made matching contributions of \$1,967,508. During the first quarter of 2025, the Company made a profit sharing contribution for the year ended December 31, 2024 of \$2,467,752. Contributions by the Company are limited to the maximum amount permitted by law or regulation as a deduction on the Company's federal income tax return.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Participant accounts: Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution, reallocated forfeited accounts, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions and, effective January 1, 2018, are vested immediately in Company matching and profit sharing contributions.

The unvested portion, if any, of a participant's account immediately becomes fully vested when the participant becomes 65 years of age while employed by the Company, dies, or becomes disabled. If a participant terminates employment with the Company, the unvested portion of the participant's account is allocated to participants remaining in the Plan after the terminated participant incurs a one-year break in employment.

Notes receivable from participants: Plan participants may borrow from the Plan while employed by the Company up to an amount not exceeding the lesser of (i) \$50,000, reduced by the highest outstanding note balance owed by the borrowing participant to the Plan during the 12-month period ending on the date of the note or (ii) one-half of the borrowing participant's vested accrued benefit. Each note is secured by an assignment and pledge of the borrowing participant's accrued benefit under the Plan. Notes bear interest at a rate of two percent above the prime rate at the time of the note. The term of any note is determined by the Plan Administrator in a nondiscriminatory manner but cannot exceed five years on nonprincipal home acquisition notes and 15 years on principal home acquisition notes. The rates on all loans outstanding at December 31, 2024, ranged from 5.25% - 10.50%, and mature through 2032. Notes are repaid over the note term in substantially equal consecutive installments commencing within 30 days after the note is made. Note prepayments are permitted.

Forfeited accounts: At December 31, 2024 and 2023, there were no forfeited nonvested accounts. Forfeitures are to first be used to pay administrative expenses and then the rest to be allocated to participants in the same manner as the profit sharing contribution. During 2024, no forfeitures were used or allocated.

Payment of benefits: Upon termination of service due to retirement (as defined by the Plan document), a participant may elect a lump sum payment or an optional form of payment (i.e. deferred lump sum or periodic installments). If a participant does not select one of the optional forms of payments listed, they will receive a lump sum payment of the value of their account after retirement. Participant accounts are valued daily for distribution, and lump sum payments will be made as soon as possible after the next valuation date for distribution purposes.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Payment of benefits (continued): Upon termination of service due to death, or if a participant dies after retirement but before payment begins, the vested balance of the participant's account will be paid to the beneficiary. If the vested amount of the participant's Plan benefit is \$5,000 or less, payment will be made in a lump sum. If the vested amount of the participant's Plan benefit is more than \$5,000, the beneficiary may request that the payment be made by lump sum payment or in periodic installments not exceeding 15 years. In the event of death after a participant ceases to be employed by the Swedish Match Companies for reasons other than retirement but before payment begins, the balance of their account will be paid in a lump sum payment to the beneficiary.

Additional information regarding eligible employees and Plan benefits is provided in the Plan document, which is available at the Company's Richmond, Virginia office.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Plan is subject to the provisions of ERISA.

Use of estimates: The preparation of financial statements in accordance with U.S. GAAP requires the Plan Administrator to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The PMI Administration Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, T. Rowe Price Trust Company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions: Participant contributions determined from eligible compensation, as well as the employer matching contributions, are recognized when participants contributions are withheld from payroll.

Payment of benefits: Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Administrative expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are offset against net appreciation in fair value of investments.

Note 3. Information Certified by the Trustee

The following is a summary of the Plan's information as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by T. Rowe Price Trust Company, the Trustee of the Plan. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- a. Information included in the statements of net assets available for benefits:
 - Investments, at fair value
 - Notes receivable from participants
- b. Information included in the statement of changes in net assets available for benefits:
 - Dividends
 - Other income
 - Net appreciation in fair value of investments
 - Interest on notes receivable from participants
- c. Investment information included in Note 4.

Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides a framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

PINKERTON TOBACCO HOURLY EMPLOYEES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust funds: Valued at the NAV of shares in each account held by the Plan at year-end. The NAV is not a public-quoted price in an active market. The NAV, as provided by the Trustee, is used as a practical expedient to estimating fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PINKERTON TOBACCO HOURLY EMPLOYEES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets Measured at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,795,935	\$ -	\$ -	\$ 4,795,935
Investments measured at NAV (a)				35,794,348
Investments, at fair value				\$ 40,590,283

	Assets Measured at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,600,446	\$ -	\$ -	\$ 3,600,446
Investments measured at NAV (a)				27,873,048
Investments, at fair value				\$ 31,473,494

(a) In accordance with Subtopic 820-10, certain investments that are measured using NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2024 and 2023:

	Fair Value		Unfunded	Redemption
	2024	2023	Commitments	Terms
T. Rowe Price:				
Strategic Common Trust Funds	\$ 28,388,231	\$ 22,128,693	N/A	**
Stable Value Common Trust Fund	3,774,329	3,925,796	N/A	**

	\$ 35,794,348	\$ 27,873,048		

** Plan participant-initiated redemptions are generally allowed on a daily basis without any required notice. Other redemption requests may require advance written notice prior to redemption.

PINKERTON TOBACCO HOURLY EMPLOYEES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 5. Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds or other investment instruments managed by T. Rowe Price Trust Company. T. Rowe Price Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are offset against net appreciation of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made a direct payment to the third party administrator of \$64,618, which was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

The Plan also issues loans to participants, which are vested balances. These transactions qualify as party-in-interest transactions.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

Note 7. Tax Status

The IRS has determined and informed the Company by a letter dated July 25, 2014, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Subsequent Events

The Plan has evaluated all subsequent events through September 4, 2025, the date these financial statements were available to be issued. The Plan has determined that there are no subsequent events that require disclosure pursuant to the FASB ASC.
