## Independent Auditors' Report

**To the Plan Administrator  
Vested HR Solutions, LLC Retirement Savings Plan  
Palm Harbor, Florida**

### ***Opinion on 2024 Financial Statements***

We have audited the financial statements of Vested HR Solutions, LLC Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion on 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2024 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditors' Responsibilities for the Audit of the 2024 Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

### ***Other Matter - Supplemental Schedule Required by ERISA***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at year end) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

***Other Matter - Report on Compiled 2023 Financial Statements***

Plan management is responsible for the accompanying financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2023, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the 2023 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion or a conclusion or provide any form of assurance on the 2023 financial statements.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024**

---

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Vested HR Solutions, LLC Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions, which are available from the Plan administrator.

**General**

The Plan is a defined-contribution plan sponsored by Vested HR II, LLC (the “Company”). The Plan is a multiple employer plan and exists for the exclusive benefit of its eligible employees and those employees of the Company’s clients who have elected to adopt the provisions of the Plan. The Plan was formed effective September 15, 2020. Participants should refer to the Plan document for a complete description. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility**

The Plan covers all employees, as defined by the Plan, of the participating employers who have met the age and service requirements selected by the participating employers in their respective adoption agreements. New participating employers may elect to waive the eligibility requirements for those employed as of the date of entrance into the Plan. Participation in the Plan occurs after meeting the age and service requirements.

**Contributions**

Each year, participants may contribute from 1% up to 100% of either their pre-tax or after-tax compensation, subject to current statutory limits determined annually and prescribed by the Internal Revenue Service. The percentage of contribution may be changed as of any subsequent Plan entry date (first of following month). Any such change will apply only after its effective date, and after it is executed and filed with the Plan administrator. Employees may also make catch-up contributions upon attaining the age of 50. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan and may change their fund allocation percentages at any time.

Participating employers can elect to make safe harbor contributions to the Plan on the employee’s behalf, in which the employee is 100% vested in said contributions. Discretionary employer-provided matching contributions may be made to the Plan on the employee’s behalf. The match, if any, will be a discretionary percentage of the elective contributions made to the Plan by the employee. The employer will determine the amount of discretionary matching contribution, or profit-sharing contribution, if any, that will be made to the Plan. Contributions are subject to certain limitations. Such contributions are excluded from the participant’s taxable income for federal income tax purposes until received as a withdrawal from the Plan. Total participant contributions in any calendar year are limited to the applicable limit under the Internal Revenue Code (“IRC”) Section 402(g). The Plan also provide that certain limitations may be imposed on participants’ contributions in order to comply with statutory requirements.

In addition, discretionary employer-provided non-elective (profit sharing) contributions may also be made to the Plan. Allocation of these contributions to participants will be made in accordance with the formula selected by the employers, as defined in the Plan.

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

**Participant Investment Account Options**

The Plan currently offers various mutual funds options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the participating employers' contributions and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant's qualified compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their voluntary and employer safe harbor contributions plus actual earnings thereon. Vesting of the employer's matching contributions and discretionary contributions plus earnings thereon is based on various years of service. The vested portion of the participant accounts containing discretionary employer contributions will be determined in accordance with the following schedule based upon years of service with the employer through the date of termination of employment with the employer:

<u><b>Total Number Years of Service</b></u>	<u><b>Vested Interest</b></u>
<b>Plan Option 1:</b>	
Less than 2 years of service	0%
2 years, but less than 3 years	20%
3 years, but less than 4 years	40%
4 years, but less than 5 years	60%
5 years, but less than 6 years	80%
6 years or more	100%
<b>Plan Option 2:</b>	
Less than 3 years of service	0%
3 years or more	100%
<b>Plan Option 3:</b>	
Immediate 100% non-forfeitability	

The employer may elect either vesting schedule and also has the ability to request a different vesting schedule. Participants should refer to the Plan Document for a complete description.

**Participant Notes Receivable**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. All loans are to be repaid over a period not to exceed five years, although an extension of the repayment period may be granted if the loan proceeds are used to purchase a participant's principal residence. The loans are secured by the balance in the participant's account and bear interest at the local prevailing rates charged by commercial lending institutions in the region in which the employer is located for comparable loans as determined by the Plan administrator at the time the loan is approved.

---

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

**Participant Notes Receivable (Continued)**

Principal and interest are paid ratably through payroll deductions. Should the participant terminate as an employee, the balance of the outstanding loan becomes due and payable, and the participant's vested account will be used to pay the outstanding loan.

**Payment of Benefits**

On termination of service due to death, disability, separation of service or retirement, a participant may elect to (a) receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, (b) elect to have the benefits paid in the form of a direct rollover to an individual retirement account, or (c) elect to have the benefit paid to another qualified retirement plan described in Section 401(a) of the Internal Revenue Service ("IRS"). Also, upon reaching age 59 1/2, participants may receive a lump-sum cash payment for any portion of their vested accounts on a yearly basis. Withdrawals other than for termination are permitted under certain circumstances provided by the Plan.

**Forfeited Accounts**

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$2,037 and \$1,655, respectively. These accounts will be used to reduce future employer contributions, current period contributions by the employer, or pay any administrative expenses of the Plan. Also, for the year ended December 31, 2024, no forfeitures were used to reduce employer contributions or expenses.

**Plan Transfers**

From year to year, the Plan has transactions involving the transfer in and transfer out of assets with other qualified plans. These transactions are consistent with the Company's industry and occur as participating employers are either added or removed from the Plan.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note 3 for discussion of fair value measurements.

**VESTED HR SOLUTIONS, LLC RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024**

---

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition (Continued)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Contributions**

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of the Plan are paid by the Company and are not included in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification (ASU) Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

**Assets at Fair Value as of December 31, 2024**

	<b>Level 1</b>	<b>Total</b>
Mutual funds	\$ 12,048,766	\$ 12,048,766

**Assets at Fair Value as of December 31, 2023**

	<b>Level 1</b>	<b>Total</b>
Mutual funds	\$ 3,743,537	\$ 3,743,537

**NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST**

Slavic Integrated Administration (“Slavic”) provides to the Plan certain accounting and administrative services for which the fees are charged to the Plan. Slavic also provides broker related services to the Plan for which commissions are charged to the Plan. The Plan was charged fees related to maintaining custody of the Plan’s assets and various Plan management services which amounted to approximately \$38,500 for the year ended December 31, 2024.

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

Certain Plan investments were managed by Fidelity Investments (“Fidelity”). Fidelity is the custodial agent and, therefore, these transactions qualify as party-in-interest transactions.

**NOTE 5 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 6 - TAX STATUS**

The Plan sponsor has adopted a volume submitter profit sharing plan with CODA. The volume submitter document has received an opinion letter from the IRS dated June 30, 2020, stating the Plan is qualified under Section 401(a) of the IRC. Although the Plan has not issued an individual determination letter and has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2024, approximately 16% of the Plan's investments were invested in Fidelity 500 Index fund. At December 31, 2023, approximately 23% and 19% of the Plan's investments were invested in Vanguard Target Retirement 2030 fund and Vanguard Target Retirement 2040 fund, respectively.

**NOTE 8 - SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through October 10, 2025, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
