The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the 2024 Financial Statements**

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Gulph Creek Hotels Retirement & Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gulph Creek Hotels Retirement & Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gulph Creek Hotels Retirement & Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about Gulph Creek Hotels Retirement & Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - 2024 Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at year end) as of December 31, 2024 and delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**RETIREMENT & SAVINGS PLAN**  
Notes to Financial Statements  
December 31, 2024 and 2023

NOTE 1 - Description of Plan

The following description of the Gulph Creek Hotels Retirement & Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document, as amended, for a more complete description of the Plan's provisions.

- A. General - The Plan is a defined contribution plan with an Internal Revenue Code Sec 401(k) provision covering all employees of Gulph Creek Hotels and Affiliates (the "Sponsor" or "Employer") who meet the eligibility requirements of the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for oversight of the Plan including monitoring of investment performance and determining appropriate investment offerings.
- B. Eligibility Requirements - Each eligible employee is eligible to participate in the Plan when they have completed three months of service and attained the age of twenty-one.
- C. Employee Contributions - Eligible employees may make salary deferral contributions not to exceed 100% of their pretax annual eligible compensation up to \$23,000 and \$22,500, which is the maximum dollar limits set by law for the years ended December 31, 2024 and 2023, respectively.

Participants who have attained age 50 before the end of the Plan year are eligible to make "catch-up contributions." For the years ending December 31, 2024 and 2023, the maximum catch-up contributions were \$7,500.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

- D. Employer Contributions - Employer contributions to the Plan are discretionary at the option of the Board of Trustees. For the years ended December 31, 2024 and 2023, the Employer elected to match salary deferral contributions at a rate of 50% of the first 6% of an employee's salary deferral contribution, up to 3% of the participant's annual salary. The Employer can make additional discretionary profit sharing contributions each plan year. Each otherwise eligible employee who is employed on the last day of the plan year is eligible for the employer discretionary profit sharing contributions, if made. For the years ended December 31, 2024 and 2023, the employer elected not to make a profit sharing contribution.
- E. Participants' Accounts - Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution, plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specified participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- F. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Participants become fully (100%) vested in the Employer contributions upon the occurrence of death, or total or permanent disability.

**GULPH CREEK HOTELS**  
**RETIREMENT & SAVINGS PLAN**  
Notes to Financial Statements  
December 31, 2024 and 2023

NOTE 1 - Description of Plan (Continued)

Other than as stated above, employer contributions vest based upon the following:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A year of vesting occurs during a service period in which an employee has worked at least 1,000 hours.

- G. Payment of Benefits - On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum payment equal to the value of the participants' vested interest in his or her account, or in periodic installments. If the participant's account balance is under \$1,000, the administrator shall pay the participant in one simple sum payment as soon as possible after termination. If the participant's account balance is greater than \$1,000, but not greater than \$5,000 and the participant does not elect an eligible retirement plan, the administrator shall pay the distribution in a direct rollover to an individual retirement plan designated by the administrator. Withdrawals from the Plan may also be granted based upon circumstances of financial hardship or attaining age 59 ½, in accordance with provisions specified in the Plan Document.
- H. Income Tax Status - The Plan is structured and follows a prototype non-standardized cash or deferred profit sharing plan, pre-approved by the IRS. The IRS issued an opinion letter dated June 30, 2020, that the prototype non-standardized profit sharing plan is acceptable with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believes the Plan is qualified.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

- I. Forfeitures - Any participant who terminates service without being fully vested (100%) in their employer contribution account forfeits their unvested portion of the employer contribution. At December 31, 2024 and 2023, the balance in forfeited nonvested accounts was \$11,168 and \$2,852, respectively. These accounts are used to reduce future employer contributions or to pay plan administrative expenses. During 2024 and 2023, plan administrative expenses of \$12,520 and \$450 were paid from forfeited nonvested accounts, respectively.

**NOTE 2 - Summary of Significant Accounting Policies**

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are a representation of the Plan's management, who is responsible for their integrity and objectivity. The accounting policies described below conform to accounting principles generally accepted in the United States of America and have been applied consistently in the preparation of the financial statements.

**Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting.

**Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payments of Benefits** - Benefits are recorded when paid.

**Administrative Expenses** - Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Certain investment-related expenses are included in net appreciation in fair value of investments. Fees related to the administration of participant accounts, notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses.

**Excess Contributions Payable** - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 and 2023 excess contributions to the applicable participants prior to March 15, 2025 and 2024, respectively.

**Reclassifications** - Certain reclassifications have been made to prior year amounts to conform with current year classifications. Such reclassifications had no effect on previously reported change in net assets or net assets available for benefits.

**Subsequent Events** - Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 8, 2025.

**NOTE 3 - Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Registered Investment Companies:* Valued at the daily closing price as reported by the fund (Level 1). Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The shares of Registered Investment Companies held by the Plan are deemed to be actively traded.

*Common/Collective Investment Trust (CCT):* The Plan's investment in the MetLife Great Gray Stable Value Fund Series 25554 is valued at the NAV of the units in the CCT. NAV is readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a CCT, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2024 and 2023, that the information provided to the plan administrator by the trustee is complete and accurate.

	<u>2024</u>	<u>2023</u>

**RETIREMENT & SAVINGS PLAN**  
Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE 5 - Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their nonforfeitable account balance, whichever is less. Loan transactions are treated as transfers between the investment fund and the Participant Loan Fund. Loan terms range from one to five years, except for loans for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at 9.00% to 9.50%, which is commensurate with local prevailing rates as determined by the Plan's administrator. Loan repayments are paid ratably through bi-weekly payroll deductions. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded when a distributable event occurs. Balances outstanding at December 31, 2024 and 2023 were \$7,673 and \$2,242, respectively.

**NOTE 6 - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

**NOTE 7 - Plan Termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**NOTE 8 - Related Party Transactions**

Certain plan investments are shares of registered investment companies held by Ascensus Trust Company. Ascensus Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan pays fees to The Vanguard Group, Inc. for investment management and administrative services that are administered through Ascensus. Fees paid by the Plan for the investment management and administrative services amounted to \$26,964 and \$14,530 for the years ended December 31, 2024 and 2023, respectively. Certain administrative functions of the Plan are performed by officers of the Sponsor, at no charge to the Plan.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statement of net assets available for benefits.
