INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees and Members of the
Albertelli Law 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Albertelli Law 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Albertelli Law 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Albertelli Law 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE A - DESCRIPTION OF PLAN

The following description of Albertelli Law 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan, adopted on January 1, 2008 and amended as of June 11, 2020 is a defined contribution plan covering employees of James E. Albertelli, P.A., Albertelli Law Partners Ohio, LLC, and The Albertelli Firm, P.C. (collectively referred to as the "Company"). Eligible employees can make employee deferrals to the Plan immediately upon eligibility and may become eligible for employer contributions after completing two consecutive months of service during the eligibility computation period and have attained 18 years of age. Employer contributions may begin on the earliest semi-annual date (January 1, or July 1) following one year of service. Furthermore, the Plan is subject to the Provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In 2023, the Company merged certain participants employers with and from an unrelated third party. The following participating employers' participants were transferred from Voxtur Analytics US Corp. 401(k) Plan during the year ended December 31, 2023: Silverline Title and Escrow, LLC, Starline Title Partners, Vermillion Settlement Services, LLC, Bright Star Title, LLC, Clarocity Valuation Services, LLC and Commonwealth USA Settlements, LLC. Voxtur Analytics US Corp. 401(k) Plan is controlled by Voxtur Analytics US Corp.

The financial statements of Albertelli Law 401(k) Plan are the representation of management and include estimates of amounts and judgments it believes are reasonable under the circumstances.

2. Contributions

Participants are permitted to make elective deferral contributions of their compensation, subject to the limits of the Internal Revenue Code. Participants are also permitted to make Roth deferrals.

The employer makes a safe harbor matching contribution of 100% of the first 1% of participant compensation contributed to the Plan plus 50% of the next 5% of eligible participant compensation contributed to the Plan.

The employer also has the discretion to make an additional employer contribution on behalf of all eligible participants under the Plan or only to those who contributed to the Plan.

Albertelli Law 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024

NOTE A - DESCRIPTION OF PLAN - Continued

The Plan also has an automatic deferral feature. If participants do not specifically elect an alternative deferral amount (including zero), the employer will automatically withhold 3% of the employee's compensation for the first 2 years participating in the plan, with automatic 1% increases per year until the participant reaches 6% of the employee's compensation after 5 years of service.

3. Participant Accounts

Each participant in the Plan has a separate account which is credited with the annual allocation of (a) the Company's contributions, (b) the employee's elective deferrals and (c) the Plan's earnings or losses. Allocations are based on the prorated earnings of the participant compared to the total earnings of all participants in the same investment.

4. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's safe harbor matching and matching contribution portion of their accounts, plus actual earnings or losses thereon is based on years of service.

A participant is vested in employer contributions as follows:

<u>Years of Service</u>	<u>Employer Safe Harbor Contribution Vested Percentage</u>	<u>Nonelective and Matching Employer Contribution Vested Percentage</u>
Less than 1	0%	0%
1	0%	25%
2	100%	50%
3	100%	75%
4	100%	100%

One hundred percent vesting occurs, regardless of the number of years of service, when a participant reaches normal retirement age (65), dies, becomes totally and permanently disabled, or upon termination of the Plan.

Albertelli Law 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024

NOTE A - DESCRIPTION OF PLAN - Continued

5. Payment of Benefits

Benefit payments are made in the form of a lump-sum distribution. Upon normal retirement of age 65, death, or becoming permanently disabled, Plan participants will be entitled to 100% of their account balance. If employment is terminated for any reason other than those previously mentioned, the participant will only be entitled to the vested portion of the employer contributions. However, participants are entitled to 100% of the account balance of any salary reduction or voluntary contribution made on their own behalf.

6. Forfeitures

Forfeited non-vested account balances are used to reduce employer contributions and to reduce plan expenses paid by the Sponsor. The Plan had forfeitures from non-vested accounts totaling approximately \$14,000 and \$7,000 at December 31, 2024 and 2023, respectively. The Plan used approximately \$8,000 of forfeitures to reduce employer contributions during the year ended December 31, 2024.

7. Administrative Expenses

A significant portion of expenses related to the administration of the Plan are paid by the Company. Administrative expenses paid by the Plan approximated \$31,000 for the year ended December 31, 2024, and are comprised of contract administrator fees, recordkeeping fees, and investment advisory fees of approximately \$9,000, \$21,000 and \$1,000, respectively.

8. Notes Receivable from Participants

Participants may borrow from their fund accounts with their employer approval, up to a maximum of \$50,000 or 50% of the fair value of the participant's vested balance, whichever is less. The loans are secured by the balance in the participant's account. The loans bear interest at rates representative of local prevailing rates at the time the loan is made, as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. A break in service or nonpayment results in a deemed distribution in accordance with the plan documents. The Plan had notes receivable from participants of \$68,017 and \$82,331 at December 31, 2024 and 2023, respectively.

9. Basis of Participant Contributions

Participants may elect to contribute to the Plan for any plan year during which they are participants, such amounts expressed either in dollars or in whole percentages of their compensation as they elect, but subject to Internal Revenue Service limitations.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies applied in the preparation of the accompanying financial statements follows:

1. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein as well as the related disclosures. Actual results could differ from those estimates.

2. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

3. Investment Valuation and Income Recognition

Investments are valued as follows:

- Pooled separate accounts are valued at the net asset value ("NAV") (fair value) of shares held by the Plan at year-end. Investments in certain restricted funds are valued at quoted market prices of the issuer.
- Guaranteed interest account is valued at contract value.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan presents the net appreciation or depreciation in the fair value of its investments in the Statement of Changes in Net Assets Available for Benefits, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

4. Concentration of Credit Risk

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Albertelli Law 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

5. Benefit Payments

Benefits are recorded when paid.

6. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE C - INVESTMENTS

The Plan's investments consist of guaranteed interest accounts and pooled separate accounts as of December 31, 2024 and 2023.

The net appreciation in the fair value of investments, including realized gains and losses, was \$784,626 for the year ended December 31, 2024.

NOTE D - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement), unadjusted quoted prices in active markets for similar assets or liabilities (level 2 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2024 and 2023:

Pooled separate accounts: Valued at the net asset value ("NAV") of shares held by the Plan at year end. Investments in certain restricted funds are valued at quoted market prices of the issuer.

NOTE D - FAIR VALUE MEASUREMENT - Continued

	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>

The following table presents financial assets measured at fair value on a recurring basis as of December 31, 2023:

	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Pooled Separate Accounts	\$ 6,034,643	\$ 6,034,643	\$ -	\$ -
Total	<u>\$ 6,034,643</u>	<u>\$ 6,034,643</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains a fully benefit-responsive guaranteed investment contract with the Trustee as of and during the years ended December 31, 2024 and 2023. The Trustee maintained the contributions in a general account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the statement of net assets available for benefits at contract value.

Contract value, as reported to the Plan by Transamerica Life Insurance Company, Inc. (the "Trustee") represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Albertelli Law 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY - Continued

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a semi-annual basis for resetting. The contract value of the investment contracts was \$113,796 and \$76,547 at December 31, 2024 and 2023, respectively.

Certain events limit the Plan's ability to transact at contract value with Transamerica Life Insurance Company. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE F - PARTICIPANT TERMINATIONS

Some Plan participants have terminated employment from the Plan sponsor but have not had their vested balances paid to them by year end. These unpaid benefits approximated \$1,238,000 at December 31, 2024. However, there were no material balances related to participants who requested their benefits paid to them but had not received their benefit distributions.

NOTE G - PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE H - TAX STATUS

The trust established under the Plan to hold its assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service. The Plan has been amended since receiving the determination letter. The Plan sponsor believes that the Plan continues to qualify and to operate as designed. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE I - ADMINISTRATION OF PLAN ASSETS AND CERTIFICATION FROM TRUSTEE

The investments of the Plan were held and administered by Transamerica Life Insurance Company, Inc. (the "Trustee") during 2024 and 2023. The Trustee has supplied the Plan administrator with certain information utilized in preparing the financial statements and supplemental schedules for their respective fiduciary periods. The Plan administrator has obtained a certification from the Trustee certifying that the information provided by the Trustee is complete and accurate. In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has elected not to have this information audited by the Plan's independent certified public accountants.

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to be complete and accurate by the Trustee as of December 31,:

NOTE J - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE K - PARTY-IN-INTEREST TRANSACTIONS

The Plan paid a third party administrator and Transamerica Life Insurance Company, Inc. \$31,361 for recordkeeping services during the year ended December 31, 2024. No employee of the Plan's sponsor is paid compensation or fees.

NOTE L - SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to December 31, 2024 as of October 10, 2025 which is the date the financial statements were available to be issued.
