Independent Auditor's Report

To the Plan Administrator of
Rodenhiser Home Services, Inc. 401(k) Plan
Holliston, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Rodenhiser Home Services, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i – (Form 5500) Schedule of Assets (Held at Year End) as of December 31, 2024, and Schedule H, Line 4a – (Form 5500) Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RODENHISER HOME SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF THE PLAN:

The following description of the Rodenhiser Home Services, Inc. 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan was established on January 1, 2001 and is a defined contribution plan and trust covering all employees of Rodenhiser Home Services, Inc. (the Company or Plan Sponsor) and an affiliated employer, Chemini Design Architects, LLC, who elect to participate and are age 18 or older. Participants are eligible to participate on the first day of the month following the employee's completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan Sponsor's Trustee oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investments, monitors investment performance, and reports to the Company's Board of Directors.

In October 2023, the Plan terminated their agreement with Empower Trust Company, LLC (Empower) and switched service providers to Fidelity Management Trust Company (Fidelity). As a part of the change, Plan assets in the amount of \$8,373,420 were transferred from Empower to Fidelity on October 23, 2023.

Effective October 1, 2023, the Plan document was restated to reflect the change in service provider.

Participant Contributions and Investment Options:

Participants may contribute up to the maximum deferral allowed by the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan includes an auto enrollment feature, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rates set at 6% unless otherwise elected by the participant. Participants direct the investment of their accounts into various investment options offered by the Plan with various objectives and degrees of financial risk. The Plan currently offers various mutual funds and a money market mutual fund as investment options for participants.

Employer Contributions:

The Company, in its sole discretion, determines the amount, if any, of the matching contributions to the Plan and when it will be made to the Plan. Matching contributions for the years ended December 31, 2024 and 2023 were equal to 25% of eligible compensation up to a maximum of 6% of total compensation. The Company may also make a discretionary nonelective profit-sharing contribution to the Plan. This contribution, if made, would be allocated to all employees eligible to participate in the Plan. There was no nonelective profit-sharing contribution made to the Plan for the years ended December 31, 2024 and 2023.

RODENHISER HOME SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued):

Participant Accounts:

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as an allocation of the Company's profit-sharing contribution. Participant accounts are also credited with an allocation of investment earnings or losses, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are fully vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions and profit-sharing contributions are based on years of continuous service. A participant is 100% vested after six years of service, with partial vesting of 20% per year between years two through five.

Notes Receivable from Participants:

A participant may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000, not to exceed 50% of the value of their vested interest in their account. Participants may only have two loans outstanding at any time. Loans are evidenced by written promissory notes for the amount of the loan and are secured by the participant's vested account balance. The loans have terms of up to five years, or greater if used for the purchase of a primary residence. The loans bear interest at a rate of 1% over the prime interest rate. Principal and interest are paid ratably through payroll deductions. These loans are subject to certain restrictions as defined by the Plan and applicable restrictions under the Code.

Forfeitures:

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,266 and \$37,527, respectively. These accounts will be used to reduce future employer contributions and administrative expenses. For the years ended December 31, 2024 and 2023, forfeitures of \$58,084 and \$36,892, respectively, were used by the Plan to reduce employer contributions.

Payment of Benefits:

Upon termination of service due to death, disability, or retirement, a participant or their beneficiaries may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account and/or an annuity equal to the value of the vested interest in their account. For termination of employment due to other reasons, participants may receive the value of the vested interest in their account as a lump-sum distribution. A partial withdrawal is permitted upon termination of service due to disability or retirement for participants or their beneficiaries who must receive required minimum distributions as defined by the Code. The nonvested portion of the employer contribution is forfeited upon the participant's separation from employment. The Plan also allows for in-service distributions of the participant's vested accounts upon reaching the age 59 ½ or due to hardship, as defined by the Plan.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates:

The preparation of financial statements in conformity with US GAAP requires management of the Plan to make estimates and assumptions that affect the reported amounts of the assets and liabilities and changes therein at the date of the financial statements, and the reported amounts of the income and expense during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policy. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and recorded as administrative expenses when they are incurred. If a participant does not make loan repayments and the plan administrator considers the participant note receivable to be in default, the loan balance is reduced, and the delinquent participant loans are treated as distributions based on the terms of the Plan document. Management has evaluated notes receivable from participants for collectability and has determined that no allowance is considered necessary.

Payment of Benefits:

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Excess Participant Contribution Payable:

Excess participant contribution payable represent payments due to certain active participants to return excess contributions in order to satisfy the relevant nondiscrimination provisions of the Plan. The Plan distributes the excess contributions to applicable participants in March of each year. Excess contributions totaled \$758 for December 31, 2023. During the year ended December 31, 2023, the Plan failed to refund excess contributions in a timely manner. During 2024, the Company made a corrective distribution plus excise tax. The Company has taken corrective action to ensure future compliance with the requirement.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Reclassifications:

Certain 2023 amounts have been reclassified to conform to the 2024 presentation. Such reclassifications had no material effect on the financial statements.

NOTE 3 – RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 – CERTIFIED INVESTMENTS:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments held and notes receivable from participants and net appreciation in fair value of investments, interest income on notes receivable from participants, interest and dividends, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate. Such certifications were received by Empower, the trustee of the Plan, (for the period from January 1, 2023 through October 23, 2023) and Fidelity, the trustee of the Plan, (as of December 31, 2023, the period from October 24, 2023 through December 31, 2023, and as of and for the year ended December 31, 2024).

NOTE 5 – FAIR VALUE MEASUREMENTS:

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants, as of the measurement date. Authoritative guidance establishes a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs).

The following summarizes the fair value hierarchy:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds and Money Market Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The Plan's investments consist solely of mutual funds, all of which are deemed to be actively traded and therefore Level 1.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are all classified as Level 1 as of December 31, 2024 and 2023, and totaled \$11,648,474 and \$9,382,716, respectively.

RODENHISER HOME SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued):

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers of investments into or out of Level 3, respectively.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Empower served as recordkeeper and trustee of the Plan from January 1, 2023, through October 23, 2023. Empower provided certain administrative services to the Plan pursuant to a service agreement between the Plan and Empower. Empower received revenue from mutual fund service providers for services Empower provided to the funds. This revenue was used to offset certain amounts owed to Empower for its administrative services to the Plan. If the revenue received by Empower from such mutual fund service providers exceeded the amount owed under the agreement, Empower remitted the excess to the Plan's trust on a quarterly basis. Such amounts were applied to pay Plan administrative expenses or allocated to the accounts of participants. During 2023 the trustee contributed \$29,245 into the revenue credit account. All amounts deposited into the account were used to pay Plan expenses in 2023.

Effective October 24, 2023, Fidelity serves as recordkeeper and trustee of the Plan. There is no revenue sharing agreement associated with the change in service providers. Certain Plan investments in Fidelity Funds are share of mutual funds managed by Fidelity as the trustee, as defined by the Plan, and therefore these transactions qualify as party in-interest transactions.

Notes receivable from participants are also party-in interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 – PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, including any employer matching contributions and discretionary nonelective profit-sharing contributions.

NOTE 8 – TAX STATUS:

The Plan is being operated under a prototype non-standardized profit-sharing plan and trust agreement, which received an Internal Revenue Service opinion letter most recently amended June 30, 2020, stating that the form of the prototype is acceptable under Section 401(a) of the Code. Although the Plan has been amended since the date of the opinion letter, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

RODENHISER HOME SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 8 – TAX STATUS (Continued):

US GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RECONCILIATION TO FORM 5500:

The differences between these financial statements and the Form 5500, if any, are immaterial.

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS:

During the year ended December 31, 2023, the Company failed to deposit participant deferrals in the amount of \$793 within the required timeframe as stated by the United States Department of Labor (DOL). DOL regulations require that employee contributions be transferred to the trustee as of the earliest date on which such contributions can be reasonably segregated from the employer's general assets. The Company has taken corrective action to ensure future compliance with timely transmission of participant contributions to the trustee. During the year ended 2024, the Company made a corrective contribution to the participants accounts for lost earnings on the delinquent contributions identified. The lost earnings are included in other employer contributions in the statements of net assets available for benefits and other employer contributions receivable in the statements of changes in net assets available for benefits.

NOTE 11 – CORRECTION OF DISTRIBUTION ERROR:

During the year ended December 31, 2024, certain participant distributions were not calculated in accordance with vesting provisions outlined in the Plan document (see Note 1). This resulted in the over payment of benefits to participants for the year ended December 31, 2024, in the amount of \$16,490 which is included in benefits paid to participants in the statement of changes in net assets available for benefits. Management does not expect to recover the overpaid amounts and as a result has recorded an allowance for the full amounts that were overpaid. Management has taken corrective action to correct these errors during the 2025 Plan year.

NOTE 12 – SUBSEQUENT EVENTS:

Subsequent to year end, the Plan identified \$14,666 of additional distributions that were incorrectly calculated for the 2025 Plan year. The Company has taken corrective action to ensure future compliance with the calculation and processing of payments.

Management has evaluated subsequent events through October 6, 2025, the date the financial statements were available to be issued.
