Independent Auditor's Report

To the Plan Fiduciaries and Plan Administrator of
American Service Center Associates of Arlington 401(k) Plan
Arlington, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of American Service Center Associates of Arlington 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the American Service Center Associates of Arlington 401(k) Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Fiduciaries and Plan Administrator of
American Service Center Associates of Arlington 401(k) Plan

Other Matter - Supplementary Schedule Required by ERISA (Continued)

In Our Opinion

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN SERVICE CENTER ASSOCIATES OF ARLINGTON 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN

The following description of American Service Center Associates of Arlington 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan pursuant to the provisions of Section 401(k) of the Internal Revenue Code (IRC) established for the benefit of all employees (participants). Employees who have worked at least 1,000 hours in a year and have attained age 21 are eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a single employer plan covering the employees of American Service Center Associates of Arlington, LLC, and Mercedes Benz of Alexandria (the Companies).

Effective January 1, 2014, the Plan's name was changed to American Service Center Associates of Arlington 401(k) Plan, and Mercedes Benz of Alexandria became an adopting employer under the Plan. Mercedes Benz of Alexandria transferred its assets into the Plan in 2014. In addition, the Plan elected to change the record-keeper and custodian of the Plan to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal). The assets of the Plan were transferred to Principal on January 17, 2014.

Effective June 1, 2017, the plan sponsor elected to restate the Plan from a prototype non-standardized profit-sharing plan to a volume submitter profit sharing plan of Principal, which received a tax opinion letter on August 8, 2014.

Effective June 1, 2022, the plan sponsor elected to restate the Plan back to a prototype non-standardized profit-sharing plan of Principal, which received a tax opinion letter on June 30, 2020.

Contributions

Participant contributions consist of pre-tax elective deferrals, Roth contributions, and after-tax and catchup contributions. Participants may contribute pre-tax elective deferrals and Roth contributions up to the dollar limitation contained in Section 402(g) of IRC in effect at the beginning of the year. Participants may also rollover contributions from other qualified plans. Employer contributions include matching contributions, discretionary contributions and discretionary matching contributions subject to certain limitations.

The Plan has an automatic enrollment feature that automatically enrolls newly eligible employees into the Plan at a deferral rate of 2% unless the employee elects to opt out of the Plan or elects to change the deferral rate. Participants can elect an automatic escalation feature at their discretion which occurs at the beginning of a new calendar year.

The Companies make matching contributions equal to 25% of the first 6% of compensation that each participant contributes on a pre-tax or Roth basis. Employer discretionary contributions are allocated to participants employed on the last day of the plan year in the same ratio as each participant's eligible compensation for the plan year bears to the total eligible compensation for all participants for the plan year.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

Employer discretionary matching contributions made to the Plan are allocated as of the last day of the plan year to the account of each participant who elects to have deferred contributions to the Plan, and who is employed on the last day of the plan year.

Participants' Accounts

Each participant's account is credited with participant's contributions, employer contributions and allocations of plan earnings, and charged with an allocation of investment expenses. Plan earnings and investment expenses are allocated based on the participant's share of each investment. Participants direct the investment of their contributions into various investment options offered by the Plan. The investment options available to participants include mutual funds, pooled separate accounts, fixed income funds, common collective trusts, or a fully benefit-responsive investment contract.

Vesting

Each participant is immediately vested in his or her voluntary contributions plus earnings on those contributions. For participants hired after April 1, 2012, vesting in the remainder of the participant's account balance, which arises from the employers' matching and discretionary contributions, forfeitures, plus earnings on those contributions, is based on years of continuous service. A participant is 20 percent vested after two years of service is completed and vests an additional 20 percent per year until full vesting after six years. Participants hired before April 1, 2012, are fully vested in their total participant account balances.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of 50% of the participant's vested interest in the Plan or \$50,000, whichever is less. Loan terms range from one to five years. The interest rate for a loan will be based on the rates available for similar loans from commercial lending institutions. Principal and interest are paid ratably through payroll deductions.

Benefits

Amounts credited to a participant's account are distributed at termination of employment as a lump sum, in installments, or, if qualified, as an annuity.

Distributions may be deferred until the participant reaches the age of 70½ if the value of the distribution is not less than \$5,000. However, the Plan stipulates those distributions must commence no later than April 1 of the year following the year in which the participant reaches the age of 70½.

A participant experiencing serious financial hardship may, with sufficient evidence, withdraw a portion of their account attributable to the compensation deferral. The amount of the withdrawal may not be greater than the immediate financial need. Participant deferrals are suspended for a minimum of six months after receipt of a hardship distribution.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts

Terminating participants forfeit the non-vested portions of their employers' contributions. Forfeitures may first be used to pay administrative expenses. Remaining forfeitures, if any, may then be used to reduce employer contributions made after the forfeitures are determined. As of December 31, 2024 and 2023, the Plan had forfeited non-vested accounts of \$84 and \$31, respectively. During 2024, forfeitures used to reduce employer contributions and offset administrative costs totaled \$9,407.

Administrative Cost

Certain administrative expenses are paid by the Plan and are allocated proportionately to participant account balances. The Companies may absorb other costs related to managing the Plan or use forfeited accounts to fund administrative costs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan presents its financial statements under the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions

Employee contributions are recorded in the period that the Companies deduct deferrals from the participant's earnings. Contributions from the employers of the Plan are accrued in the period in which they become obligations under provision of the plan agreement.

Notes Receivable from Participants

The notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Shares of registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end. Pooled separate accounts, which invest in underlying investment vehicles or are portfolios of investments managed by investment managers, are stated at the values of the units of participation of the pooled separate accounts as determined by the custodian. Units of the Common/Collective Trusts investments are valued based on net asset value per share provided by the manager of the fund. The Plan also invests in a fully benefit-responsive investment contract which is reported at contract value which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Purchases and sales are recorded on the ex-dividend date. Interest is accrued when earned. Unrealized appreciation and depreciation in the fair value of investments are recognized in the financial statements in the period in which such changes occur. Earnings from investments are recorded as earned using the accrual method of accounting. Dividends are recorded on the ex-dividend date.

Reclassification

Certain 2023 amounts have been reclassified for comparative purposes.

3. INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal, the custodian of the Plan, has certified that the information related to investments included in the accompanying financial statements and supplementary schedule is complete and accurate.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy under the accounting literature are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets.

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis as of December 31, 2024 and 2023.

Registered Investment Company Shares (mutual funds): Based on quoted market price values of the shares on the last business day of the plan year.

Pooled Separate Accounts and Collective Investment Trusts: The fair value of the pooled separate accounts and the common collective trust funds are based on the net asset value (NAV) on the last business day of the plan year provided by the entity holding the trust funds. The NAV of the pooled separate accounts and the common collective trusts is used as a practical expedient to estimate fair value and is determined by the custodian based on the fair value of underlying assets in the trusts, less the liabilities. These investments can be redeemed immediately at the current net asset value. There are no withdrawal limits, redemption frequency limits, or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2024.

AMERICAN SERVICE CENTER ASSOCIATES OF ARLINGTON 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value for December 31, 2024 and 2023:

	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>

* In accordance with ASU 2015-07, investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. FULLY BENEFIT-RESPONSIVE CONTRACT

The Plan participates in a fully benefit-responsive investment contract with Principal Life Insurance Company, a member of Principal Financial Group, via an investment in a Fixed Income Guaranteed Option. This is a single group annuity contract with a fixed rate of interest. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets as would be found in a Stable Value fund. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contract. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

AMERICAN SERVICE CENTER ASSOCIATES OF ARLINGTON 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

5. FULLY BENEFIT-RESPONSIVE CONTRACT (CONTINUED)

The Plan is prohibited from assigning or selling the contract to another party without consent of the issuer. The contract provides assurance the crediting rate will not be less than zero. If an event has occurred such that realization of full contract value will not be realized, the contract shall no longer be considered fully benefit-responsive.

Participants transact at book value without limit. Equity wash provisions are allowed and do not disqualify a contract's fully benefit-responsiveness. Events that limit the ability of the fund to transact at contract value with the issuer (i.e., plan termination, merger, layoffs, etc.) and that also limit the ability to transact at contract value with participant are not probable of occurring. Participants have reasonable access to their funds.

6. RELATED PARTY TRANSACTIONS

Delaware Charter Guarantee and Trust Company (d/b/a Principal Trust Company) acts as the custodian of the accounts and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to the custodian also qualify as party-in-interest transactions.

7. PLAN TERMINATION

While the employer has not expressed any intent to do so, the employer has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants are 100% vested in their accounts. Also, upon such termination, the commitment of the employer to make contributions shall terminate.

8. TAX STATUS

The Plan meets the requirements under the Internal Revenue Code and ERISA to qualify as exempt from federal income taxes. The plan sponsor has obtained an opinion letter for a prototype non-standardized profit-sharing dated June 30, 2020, in which the Internal Revenue Service has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan's Form 5500, Annual Return/Report of Employee Benefit Plan, is open for inspection by the taxing authorities, generally for three years after it was filed.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

AMERICAN SERVICE CENTER ASSOCIATES OF ARLINGTON 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

9. RISKS AND UNCERTAINTIES (CONTINUED)

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) was signed into law December 29, 2019. These laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Effective April 17, 2020, certain provisions were implemented under the CARES Act. The Plan will be formerly amended for the CARES Act and the SECURE Act provisions elected in accordance with applicable law and IRS guidance. Under Notice 2022-33 and Notice 2022-45, the IRS has extended the deadline for retirement plans to adopt the amendments required by the SECURE Act and the CARES Act until December 31, 2025.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of total net assets available for benefits per the financial statements and the Form 5500 for the years ended December 31, 2024 and 2023:
