INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES AND PLAN ADMINISTRATOR
CATALYST EXHIBITS, INC. 401(K) PLAN
KENOSHA, WI 53144

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Catalyst Exhibits, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate,

they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements;
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The Supplemental Schedule of Delinquent Participant Contributions and the Supplemental Schedule of Assets Held at End of Year as of or for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CATALYST EXHIBITS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(1) PLAN DESCRIPTION:

The following description of the Catalyst Exhibits, Inc. 401(K) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions:

General —

The Plan is a defined contribution plan established on September 1, 2000, covering all eligible employees of Catalyst Exhibits, Inc. (the Company). Plan Management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, as well as monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Trustees —

Empower Annuity Insurance Company of America and Empower Trust Company, LLC serve as Trustees of the Plan.

Eligibility —

The Plan is a contributory, defined contribution plan covering substantially all employees, as defined, of the Company. All employees, except those governed by a collective bargaining agreement, certain non-resident aliens, and leased employees, are eligible to enter the Plan after completing 1,000 hours of service within the first six months of employment and attaining age 21. Eligible employees can enter the Plan on the first day of the month coinciding with, or next date the eligibility requirements are met.

Contributions —

Each year, participants may elect to contribute a portion of their compensation, as defined in the Plan, up to current IRS regulations, on a pre-tax, or on an after-tax basis if choosing a Roth 401(k). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

CATALYST EXHIBITS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

The Plan includes an auto-enrollment provision whereby, upon satisfying the Plan eligibility requirements, all newly eligible employees and eligible employees who do not have a completed enrollment agreement on file are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at four percent of eligible compensation and their contributions invested, on a pre-tax basis, in a default fund until changed by the participant. Those participants who are automatically enrolled will have their deferral increased annually by one percent, without limit, as a pre-tax deferral contribution. Each applicable increase will occur each year on January 1st.

The Company makes a Traditional ADP Safe Harbor Nonelective Contribution equal to three percent of the participant's compensation to all non-highly compensated employees each pay period. The Company may make discretionary ADP Safe Harbor Contributions for all highly compensated employees who would otherwise be eligible for the Traditional ADP Safe Harbor Nonelective Contributions equal to three percent of the participant's compensation. Additionally, the Company may make a discretionary nonelective profit-sharing contribution in an amount authorized by the Board of Directors to be allocated to each participant in accordance with the Plan document.

Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts —

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, Company contributions, allocations of investment earnings or losses, and Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options —

Participants may allocate their contributions (in multiples of one percent or a specific dollar amount) and those of the Company among multiple mutual funds and a guaranteed investment contract (the Great-West Key Guaranteed Portfolio Fund). Employees may change their contribution allocations between investment options for future contributions and transfer prior contributions and associated earnings between investment options subject to certain restrictions set forth in the Plan. The Plan currently offers twenty-three mutual funds and one guaranteed investment contract as investment options for participants. The investments offered have been selected by the Plan Trustee based upon the provisions of the Plan.

CATALYST EXHIBITS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Vesting —

Participants are immediately vested in their employee pre-tax contributions, rollover contributions, Roth contributions, the Company's Traditional ADP Safe Harbor Contributions, and any earnings thereon. Vesting in the Company's discretionary nonelective profit-sharing contributions is on a graduated scale and participants will not be fully vested until the completion of six years of service.

Payment of Benefits —

Upon retirement, death, disability, termination of service, or certain in-service distributions, a participant may elect to receive a lump-sum distribution equal to the participant's vested account balance or to receive the vested account balance in installments over a period of not more than the life expectancy of the participant. A participant may also elect to roll over his or her distribution to another retirement plan, such as an individual retirement account (IRA). Hardship withdrawals are also allowed as permitted under the Internal Revenue Code (IRC) subject to certain restrictions as defined in the Plan Agreement.

Notes Receivable from Participants —

Participants may borrow, but not less than \$1,000, from their self-directed investment accounts. The maximum aggregate of each participant's outstanding loans cannot exceed the lesser of \$50,000 or 50 percent of the participant's vested account balance. No participant may have more than three loans outstanding at any time. Participant loans are secured by the balance in the participant's self-directed investment account. The loan interest rate is set at one percent above the prime rate, as defined. Interest rates range from 4.25 percent to 9.50 percent on participant loans outstanding at December 31, 2024. Principal and interest is paid ratably through payroll deductions, not less frequently than quarterly, over a period not to exceed five years, unless the loan is for the purchase of a principal residence, in which case the Plan Administrator may permit a longer repayment term.

Rollover Contributions —

With the Company's consent, an eligible employee may make one or more rollover contributions to the Plan if the employee demonstrates to the Company's satisfaction that the contribution qualifies as a rollover contribution in accordance with the IRC.

Administrative Expenses —

Certain expenses incurred in the administration of the Plan are paid directly by the Company.

CATALYST EXHIBITS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Forfeited Accounts —

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$358 and \$353, respectively. These accounts may be used to reduce future employer contributions or to pay administrative expenses of the Plan. No forfeitures were used to reduce employer contributions or to pay administrative expenses in 2024 or 2023.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting —

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Benefit payments to participants are recorded upon distribution.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates —

The preparation of financial statements, in accordance with GAAP, requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition —

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by investment advisers, custodian, and Trustees. See Note 3 for discussion of fair value measurements.

CATALYST EXHIBITS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants —

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses —

Professional fees and certain administrative expenses incurred by the Plan are paid with Plan assets, unless otherwise paid by the Company. Fees related to withdrawals or administration of notes receivable from participants are charged directly to the participant's account. Expenses paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments.

Subsequent Events —

The Company has performed an analysis of activities and transactions subsequent to December 31, 2024, to determine the need for any adjustments to and/or disclosures within the audited financial statements for the year then ended. The Company has performed this analysis through October 8, 2025, the date which the financial statements were available to be issued.

On March 27, 2020, Congress passed the CARES Act, which contained several provisions that temporarily impacted tax qualified retirement plans and their participants. The Plan Administrator elected to immediately operationalize certain provisions of the CARES Act prior to formally amending the Plan document in order to assist individuals affected by the COVID-19 pandemic. Written amendments to the Plan to reflect these operational changes will be adopted prior to December 31, 2025, in accordance with applicable laws and IRS guidance.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(3) FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

CATALYST EXHIBITS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for the years ended December 31, 2024 and 2023:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce fair value calculations that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2024				
Description of Investment	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 21,850,833	\$ -	\$ -	\$ 21,850,833
Total investments at fair value	<u>\$ 21,850,833</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,850,833</u>

2023				
Description of Investment	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,923,612	\$ -	\$ -	\$ 18,923,612

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(4) GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY:

The Plan has entered into a group annuity contract with Great-West Life & Annuity Insurance Company (Great-West) that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Great-West maintains the contributions in a general ledger account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount that would be received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the investment custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay principal and a specified interest rate that is guaranteed to the Plan. Using a discounted cash flow valuation methodology, fair value of the investment contract, prior to contract termination, equals the contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include: (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

The guaranteed investment contract does not permit Great-West to terminate the agreement prior to the scheduled maturity date.

(5) SUMMARY OF INFORMATION CERTIFIED BY THE TRUSTEE:

The December 31, 2024 and 2023, Statements of Net Assets Available for Benefits, the investment activities included on the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2024 and 2023, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA. The table below summarizes the information that has been prepared and certified to as complete and accurate by the Trustee as of December 31:

	<u>2024</u>	<u>2023</u>
Investments —		
Mutual funds (at fair value)	\$ 21,850,833	\$ 18,923,612
Guaranteed investment contract (at contract value)	1,174,213	662,015
Receivables —		
Notes receivable from participants	<u>206,673</u>	<u>204,674</u>
Total assets certified by the Trustee	<u><u>\$ 23,231,719</u></u>	<u><u>\$ 19,790,301</u></u>
Investment income —		
Net appreciation in value of investments	\$ 2,020,244	\$ 2,353,733
Dividends and interest	736,606	485,169
Interest on notes receivable from participants	<u>12,330</u>	<u>10,795</u>
Total investment income certified by the Trustee	<u><u>\$ 2,769,180</u></u>	<u><u>\$ 2,849,697</u></u>

(6) RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed by the Trustees. The Trustees are the custodians for the Plan and, therefore, these transactions qualify as party-in-interest transactions. In addition, the notes receivable from participants also represent party-in-interest transactions. These transactions are exempt from the prohibited transaction rules of the ERISA.

CATALYST EXHIBITS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(7) PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

(8) TAX STATUS:

The Plan has adopted a non-standardized pre-approved profit sharing plan with CODA sponsored by FIS Business Systems LLC. FIS Business Systems LLC requested that the IRS provide an opinion related to the acceptability of the non-standardized pre-approved plan under Section 401 of the IRC and received a favorable opinion dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to applicable statutory periods.

(9) RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

(10) DELINQUENT EMPLOYEE DEFERRAL TRANSMITTALS:

The Company failed to timely remit \$105,296 of certain employee deferrals into the Plan during 2024. The Company was required to compute and remit lost earnings on these deferrals. Lost earnings totaling \$1,480 were calculated on these late deferrals and were remitted to the Plan in August 2025. As a result, they are included in the Plan's employer contributions receivable at December 31, 2024. The total amount of participant contributions remitted late into the Plan will be reported on the Plan's Form 5500 and related schedules, as required, until the violation has been fully corrected.

(11) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of the net assets available for benefits and the changes in net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024:
