INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Maury Donnelly & Parr, Inc. Profit Sharing Plan and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of the Maury Donnelly & Parr, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of the Maury Donnelly & Parr, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information), by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report –

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Maury Donnelly & Parr, Inc Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Maury Donnelly & Parr, Inc Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Maury Donnelly & Parr, Inc Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Maury Donnelly & Parr, Inc Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2024 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 and the schedule of delinquent participant contributions for the year ended December 31, 2024 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with the auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2023 Financial Statements

The financial statements of Maury Donnelly & Parr, Inc Profit Sharing Plan as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 23, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAURY DONNELLY & PARR, INC. PROFIT SHARING PLAN

Notes to the Financial Statements As of December 31, 2024 and 2023 and For the Year Ended December 31, 2024

1. DESCRIPTION OF THE PLAN

The following description of the Maury Donnelly & Parr, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 1979, is a defined contribution plan qualified under the Internal Revenue Code (the Code), covering substantially all employees of Maury Donnelly & Parr, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended and restated effective January 1, 2022 to adopt a Cycle 3 pre-approved plan document and an opinion letter from the Internal Revenue Service (IRS).

Eligibility

All employees, who are at least 21 years of age, may participate in the Plan. Participants may enter the Plan on the first day of the calendar month following the date on which eligibility requirements are met. Leased employees are not eligible to participate in the Plan.

Participant Contributions

Participants may contribute to the Plan through payroll deductions up to 100% of their compensation, as defined by the Plan. Participant contributions may not exceed the maximum allowable contributions under the Internal Revenue Code (Code), which totaled \$23,000 for the year ended December 31, 2024. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$7,500 for the year ended December 31, 2024. Participants are also permitted to make rollover contributions into the Plan from other qualified retirement plans.

Company Contributions

The Company makes safe harbor matching contributions equal to 100% of the participant's contribution up to 3% of the participant's compensation; plus 50% of the amount of the participant's employee contributions that exceed 3% of the participant's compensation but that do not exceed 5% of the participant's compensation. The Company may make matching, qualified non-elective profit-sharing contributions to the Plan, at its discretion. During the year ended December 31, 2024, safe harbor matching contributions paid into the Plan totaled \$672,378. No profit sharing contributions were made to the Plan during the year ended December 31, 2024.

Notes to the Financial Statements As of December 31, 2024 and 2023 and For the Year Ended December 31, 2024

1. DESCRIPTION OF THE PLAN – cont'd.

Participant Accounts

Each participant's account is participant-directed and credited with the participant contributions, rollover contributions, withdrawals, and allocations of: (a) Company contributions, if any, (b) Plan earnings (losses) and (c) administrative expenses. Any earnings, losses, and administrative expenses are allocated to participant accounts based upon the investments selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in participant and Company contributions plus earnings thereon.

Forfeitures

Forfeitures in the Plan relate to Company contributions that were incorrectly deposited into a participant's account. Forfeitures of nonvested accounts are applied to reduce Plan expenses or to reduce Company contributions for the Plan year following the Plan year in which the forfeitures occur. Forfeitures totaled \$0 as of December 31, 2024 and 2023. During the year ended December 31, 2024, \$40 of forfeitures were used to reduce Plan expenses.

Notes Receivable from Participants

Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of their vested account balance. Participant notes must be at least \$1,000 and a participant can hold no more than two notes at any given time. Notes are collateralized by the participant's vested account balance. The notes bear interest at rates commensurate with those offered by financial institutions at the time of the note's issuance. The maximum term for a note is 5 years unless for the purchase of a principal residence. Notes for a purchase of a primary residence must be repaid within 10 years. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Participants may elect to receive a lump sum distribution upon termination of service due to death or retirement (age 65), attainment of age 59 ½, or becoming disabled. Upon termination of service, participants with vested account balances of less than \$5,000 but above \$1,000 are automatically rolled into an IRA, while participants with vested account balances of less than \$1,000 will receive a lump sum distribution. Participants may receive a distribution up to \$5,000 following 1 year on which a participant's child is born or on which the legal adoption is finalized. Distributions are subject to the applicable provisions of the Plan document. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. As of December 31, 2024 and 2023, there were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions prior to year-end.

Notes to the Financial Statements As of December 31, 2024 and 2023 and For the Year Ended December 31, 2024

1. DESCRIPTION OF THE PLAN – cont'd.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid with net assets of the Plan, unless paid by the Company, at its discretion. Expenses that are paid directly by the Company are excluded from the Plan's financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities may occur that materially affect participant account balances and amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes become due immediately upon termination of the participant's employment. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Fair Value Measurement – cont’d.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interest bearing cash: Valued at amortized cost plus accrued interest, which approximates fair value.

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 420,112	\$ -	\$ -	\$ 420,112
Interests in registered investment companies	17,669,197	-	-	17,669,197
Total investments, at fair value	\$ 18,089,309	\$ -	\$ -	\$ 18,089,309

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 416,584	\$ -	\$ -	\$ 416,584
Interests in registered investment companies	12,942,382	-	-	12,942,382
Total investments, at fair value	\$ 13,358,966	\$ -	\$ -	\$ 13,358,966

Subsequent Events

The Plan evaluated for disclosure any subsequent events through September 30, 2025, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan, Matrix Trust Company.

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. INCOME TAX STATUS

Effective January 1, 2022, the Plan adopted a non-standardized pre-approved profit sharing plan document, which received a favorable opinion letter from the IRS dated June 30, 2020. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, the provision did not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2024 and 2023. The Plan is subject to routine audits by the Department of Labor and IRS; however, there are currently no audits for any tax periods in progress.

7. PROHIBITED TRANSACTIONS

During the year ended December 31, 2023, the Plan Sponsor discovered that during the year ended December 31, 2023, \$257,980 of participant contributions were not remitted to the Plan within the required timeframe as stated by the Department of Labor (DOL). As of December 31, 2024, all participant contributions were remitted to the Plan including lost earnings in accordance with the DOL and IRS guidelines.
