Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance of
The Company Profit Sharing and 401(k) Plan
English Construction Company, Inc.
Lynchburg, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Company Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Company Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Company Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Company Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Company Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Company Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024

Note 1 – Summary of Significant Provisions of the Plan

The following description of The Company Profit Sharing and 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a fully funded defined contribution plan covering substantially all employees of English Construction Company, Inc., and each related employer which adopts this Plan (collectively the “Company”). The Plan has been adopted by W.C. English, Inc.; Williams Utility, L.L.C.; Lee Construction Company of the Carolinas, Inc.; Counts & Dobyys, Inc.; MCC Acquisition, L.C.; Fairfield-Echols, L.L.C.; AG Dillard Contractors, L.L.C; and Virginia Carolina Paving, L.L.C. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employees who have completed one year of service (1,000 hours) and have reached eighteen years of age are eligible to make contributions to the Plan. Plan entry occurs on the earlier of the first day of the Plan year (January 1st) or the seventh month (July 1st) coinciding with or immediately following meeting eligibility requirements. Participants may elect to make contributions up to 15% of their pretax annual wages, as defined by the Plan, or the maximum annual amount allowable under the *Internal Revenue Code (IRC)*. The Company contributes matching amounts to the Plan as determined by the Board of Directors each year. Participants who have completed 1,000 hours and were employed on or after the 45th week of the Plan year are eligible to receive the Company matching contribution. The discretionary matching amount is communicated to employees prior to the beginning of each Plan year. All other employers participating in the Plan contributed a percentage of each eligible employee’s deferral for years ended December 31, 2024 and 2023 as follows:

<u>Eligible Compensation</u>	<u>Employer Contribution</u>
Up to 5%	50%
Between 5% and 10%	50%
Between 10% and 15%	-0-%

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocation of the Company’s contribution, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The Plan is valued and participant vested accounts are adjusted daily.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Investment Options

The Plan offers a variety of investment options composed of a diversified group of mutual funds and a common collective trust whose risk profile reflects the investment options. Participants may change their investment contribution election quarterly and their investment options on demand.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or periodic payments, as elected by the participant, in equal monthly, quarterly, semiannual, or annual installments over the period selected by the participant, which period may not exceed the participant's life expectancy or, if married, the life expectancies for both the participant and spouse.

Forfeited Accounts

Forfeited non-vested accounts are used to reduce employer contributions, as defined by the Plan. Forfeited non-vested accounts totaled \$2,622 and \$17,506 at December 31, 2024 and 2023, respectively. Forfeitures totaling \$48,583 were used in 2024 to reduce employer contributions for the year ended December 31, 2023. No forfeitures were used to reduce employer contributions for the year ended December 31, 2024.

Note 2 – Significant Accounting Policies

Basis of Accounting Presentation

The financial statements of the Plan are prepared on the accrual method of accounting.

Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Cash

The Plan's cash consists of non-interest-bearing cash accounts held by the Plan's Trustee. These accounts are not insured by the Federal Deposit Insurance Corporation (FDIC).

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

The Company Profit Sharing and 401(k) Plan

Notes to Financial Statements

December 31, 2024

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. The dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Substantially all Plan fees and administrative expenses are paid by the Plan.

Subsequent Events

Subsequent events have been evaluated through October 9, 2025, the date the financial statements were available to be issued.

Note 3 – Fair Value Disclosures

Authoritative guidance issued by the Financial Accounting Standards Board established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The Company Profit Sharing and 401(k) Plan

Notes to Financial Statements

December 31, 2024

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	<u>Fair Value Measurements at Reporting Date Using:</u>		
	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>
<u>December 31, 2024</u>			
Common collective trust	\$ 4,678,697	\$ -	\$ 4,678,697
Mutual funds	33,892,901	33,892,901	-
	<u>\$ 38,571,598</u>	<u>\$ 33,892,901</u>	<u>\$ 4,678,697</u>
<u>December 31, 2023</u>			
Common collective trust	\$ 4,622,844	\$ -	\$ 4,622,844
Mutual funds	29,344,637	29,344,637	-
	<u>\$ 33,967,481</u>	<u>\$ 29,344,637</u>	<u>\$ 4,622,844</u>

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of the common collective trust is based on quoted market prices of the shares held by the Plan at year end, or if the trust includes contractual components, the fair value is based on quoted prices for similar assets or liabilities in active or non-active markets.

The common collective trust invests in securities that have observable Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets. While the underlying asset values are quoted prices, the net asset value (NAV) of a unit in these funds is not publicly quoted. Units can be issued and redeemed on any business day at the NAV. All earnings and losses are reflected in the computation of the NAV and are realized by the participant upon withdrawal.

Note 4 – Stable Value Investment

The Plan is invested in the Principal Global Investors Trust Company Morley Stable Value Fund (the "Fund"). Included in the fund are traditional guaranteed investment contracts, security backed investment contracts, and short-term investments. These contracts are considered to be benefit-responsive and, since those contracts are purchased in the open market, are presented at fair value by the Plan. The objective of the Morley Stable Value Fund is to preserve principal and achieve stable returns through a diversified portfolio of high-quality investment contracts. The percentage of contributions allocated to the stable value fund are determined by the participants.

The Company Profit Sharing and 401(k) Plan

Notes to Financial Statements

December 31, 2024

The average yields for the Morley Stable Value Fund are as follows:

	<u>2024</u>	<u>2023</u>
Based on annualized earnings	2.07%	2.00%
Based on interest rate credited to participants	2.85%	2.76%

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31 to Schedule H of Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits	\$ 39,074,623	\$ 34,422,435
Amounts allocated to withdrawing participants	(1,957,019)	(1,469,292)
Excess contributions payable	58,227	51,932
Adjustment to market value – Morley Stable Value Fund	312,978	293,192
Net assets available for benefits per the Form 5500	<u>\$ 37,488,809</u>	<u>\$ 33,298,267</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Schedule H of Form 5500:

	<u>2024</u>
Net increase in net assets available for benefits per the financial statements	\$ 4,652,188
Change in amounts allocated to withdrawing participants	(487,727)
Change in excess contributions payable	6,295
Change in market value adjustment – Morley Stable Value Fund	19,786
Net income per Schedule H of Form 5500	<u>\$ 4,190,542</u>

Amounts allocated to withdrawing participants are recorded on Form 5500 for benefit claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date.

Note 7 – Tax Status

The Plan obtained its latest determination letter on May 3, 2011, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the *IRC*. The Plan has been amended; however, the Plan Administrator and counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the *IRC*.

The Company Profit Sharing and 401(k) Plan

Notes to Financial Statements

December 31, 2024

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8 – Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Matrix Trust Company:

- Investment assets
- Investment income
- Investment transactions
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)

Note 9 – Excess Contributions

Employee 2024 contributions are reported net of excess contributions which will be returned from the Plan in 2025. These returns are required to satisfy the relevant nondiscrimination provisions of the Plan and amounted to \$58,227. These amounts are also included in the Plan's statement of net assets available for benefits as excess contributions payable at December 31, 2024.

Additionally, \$51,932 of 2023 employee contributions were returned to participants in 2024 to satisfy the relevant nondiscrimination provisions of the Plan.

Note 10 – Related Party and Party-in-Interest Transactions

Certain administrative functions of the Plan are performed by officers or employees of one of the sponsors, and these employees are also Plan participants. No such officer or employee receives compensation from the Plan.

The Company employs Raymond James as a professional investment advisor. The funds are invested in diversified registered investment companies (mutual funds) and within the common collective trust to minimize investment risk. The funds are in the custody of the Trustee and Newport Group is employed as the record keeper.

Matrix Trust Company is the Trustee for the Plan and, therefore, some transactions qualify as related party transactions. The Trustee provides certain administrative services to the Plan pursuant to a Services Agreement between the Company and the Trustee. The Trustee receives revenue from mutual fund and common collective trust service providers for services the Trustee provides to the funds. The Trustee remits all revenue sharing to the Plan expense account. Administrative fees are either charged ratably to all participant accounts or paid directly from the Plan expense account.

For the year ended December 31, 2024, administrative expenses were paid to the Plan's auditor, investment advisor, counsel, and recordkeeper and are presented net of \$83,966 credits received.
