## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees  
Babcock Center 401(k) Plan  
West Columbia, South Carolina

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Babcock Center 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Babcock Center 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Babcock Center 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Babcock Center 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Babcock Center 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Babcock Center 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets Held at End of Year, as of December 31, 2024 and 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BABCOCK CENTER 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE A PLAN DESCRIPTION**

The following description of the Babcock Center 401(k) Plan (Plan) provides only general information regarding the Plan. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan established for the benefit of the employees of Babcock Center, Inc. (Center) who have met the eligibility requirements of the Plan. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan.

**Eligibility:** Employees of the Center are eligible to participate in the Plan on the first day of the month after having attained the age of 18 and completed 90 days of service.

**Contributions:** The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 2% of eligible compensation. The Plan also includes an automatic escalation of the deferral rate by 1% on the first day of each plan year, up to a maximum of 6% of compensation. If participants choose to contribute they may make salary deferral contributions up to the maximum amount allowed by law. The Center makes a discretionary matching contribution based on the discretionary percentage of a Participant's Compensation or a discretionary dollar amount, the percentage or dollar amount to be determined by the Center on a uniform basis for all Participants. In addition, the Center may also make a qualified non-elective contribution (QNECs). Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans as well as make Roth contributions.

**Payment of Benefits:** Payment of benefits from the Plan is allowed under the following six conditions: (1) retirement, (2) disability, (3) death, (4) in-service, (5) termination and (6) hardship.

Hardships include large unreimbursed medical expenses, the purchase of a principal residence, tuition for college for a participant or a family member of a participant, or threat of eviction from the participants' principal residence.

Three options exist for the payment of benefits when a participant is no longer employed by the Center. The participant may request a lump sum cash distribution. The participant may request a rollover into an IRA or other qualified plan as long as the employee provides proof of existence of the alternative plan. Finally, the participant may instruct the current trustee to maintain his or her account until the employee requests a distribution or reaches retirement age, if the vested interest is more than \$5,000. If the vested interest does not exceed \$5,000, but is more than \$1,000, the Plan administrator may roll over the balance to an IRA account; and if the balance is less than \$1,000, a payment of benefits will be made in a lump sum as soon as administratively feasible.

**Participant Accounts:** Each participant's account is credited with the participant's contribution and an allocation of (a) the Center's profit-sharing contribution, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Participants' Investment Options:** Participants may direct their elective contributions in and among any investment options offered by the Plan. Participants may change their investment elections and transfer money between investment options on a daily basis. Employer contributions are also invested based on the allocation chosen by the participant.

**NOTE A PLAN DESCRIPTION (Continued)**

**Vesting:** Participants are immediately vested in their voluntary contributions and QNEC contributions plus actual earnings thereon. A participant's vested interest in the employer matching and profit-sharing contribution portion of their account is based on years of service. Each plan year the participant must complete 1,000 hours of service to receive credit for a year of vesting service. Upon reaching age 65, a participant become 100% vested, regardless of years of service. Participants, including rehires, who have met the eligibility requirements prior to November 4, 2020, are vested in the employer matching and profit-sharing contributions as follows:

Years of Service	Vested Interest
Less Than 1	0%
1	10%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants who have met the eligibility requirements on/after November 4, 2020 are vested in the employer matching and profit-sharing contributions as follows:

Years of Service	Vested Interest
0-1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

**Notes Receivable from Participant:** Participants may borrow from their accounts a minimum of \$1,000 and the loan amount is limited to 50% of the participant's salary deferral account balance, provided such loan does not exceed \$50,000. The loans are secured by the balance in the participant's account and bear an interest rate of Prime plus 2%. The term of the loan is not to exceed five (5) years, unless the loan qualifies as a home loan. Repayment of the loan is made semi-monthly through payroll withholdings. Loans are considered to be in default when payment is ninety (90) days past due.

**Forfeited Accounts:** Forfeitures of non-vested employer contributions are used to reduce subsequent employer discretionary matching contributions and administrative fees. Employer matching contributions and fees were reduced by \$73,582 and \$134,874 for the years ended December 31, 2024 and 2023, respectively. Forfeited non-vested account balances at December 31, 2024 and 2023, were \$5,825 and \$11,325, respectively.

**Significant Plan Amendments:** On May 1, 2023, the Plan contracted with a new third-party administrator and trustee, Standard Retirement Service and Reliance Trust Company. Standard Retirement Services, Inc. Defined Contribution Pre-Approved Plan was adopted April 25, 2023 to correspond with the change in third party administrator and trustee.

On May 1, 2023, the Plan was amended to change eligibility requirements from 1,000 hours of service to 90 days of service. The Industrial Services employees were changed to be excluded from the Plan.

**Plan Expenses:** The Plan document permits Plan expenses to be paid from Plan forfeitures, from participant accounts or by the Center. Certain administrative expenses, such as legal, accounting, recordkeeping, trustee and custodian fees may also be paid from participant accounts. Certain administrative functions of the Plan are performed by officers or employees of the Center. No officer or employee receives compensation from the Plan. The Plan sponsor absorbs the cost of auditing services, as well as certain administrative costs related to the administration of the Plan by the Center's personnel.

## **NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value.

**Investment Valuation and Income Recognition:** The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurement. Shares of money market funds and mutual funds are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year end. Common trusts are stated at their estimated fair values. On each valuation date, the aggregate fair value of each fund is divided by the number of units then outstanding in order to determine the fair value of each unit of the fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Included in the Statements of Changes in Net Assets available for Benefits is the net appreciation or depreciation in the fair value of the Plan's investments, which includes the gains and losses on investments bought and sold, as well as held, during the year.

**Contributions:** Employee contributions and matching contributions are recorded in the period during which the Center makes payroll deductions from the participant's earnings. Qualified non-elective contributions are accrued and paid based on amounts to be funded for each year under the Plan provisions and the applicable requirements of the Internal Revenue Code.

**Notes Receivable from Participants:** Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit repayment is recorded.

**Payment of Benefits:** Benefits are recorded when paid.

**Excess Contributions Payable:** The Plan is required to return contributions received during the Plan year in excess of the limits imposed by federal income tax rules.

**Use of Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

## **NOTE C INFORMATION CERTIFIED BY THE PLAN TRUSTEE**

The following is a summary of the investment information as of December 31, 2024 and 2023, and for the years then ended, included throughout the Plan's financial statements and supplemental schedules that were prepared by, or derived from, information provided by the trustee and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, the trustee of the plan, as of December 31, 2024 and 2023, respectively, and for the years then ended, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedules.

**NOTE C INFORMATION CERTIFIED BY THE PLAN TRUSTEE (Continued)**

	<u>2024</u>	<u>2023</u>
<b>Investments - At Fair Value</b>		
Common/Collective Trust Funds	\$ 333,229	\$ 323,417
Mutual Funds	<u>10,308,391</u>	<u>9,772,940</u>
<b>Total Investments - At Fair Value</b>	<u>\$ 10,641,620</u>	<u>\$ 10,096,357</u>

Reliance Trust Company certified to the completeness and accuracy of \$779,162 and \$1,076,332 of net appreciation (depreciation) in fair value of investments and \$441,912 and \$295,304 of interest and dividends related to the Plan's investments for the years ended December 31, 2024 and 2023, respectively.

**NOTE D FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

**Level 1 Inputs** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

**Level 2 Inputs** – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3 Inputs** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Common/Collective Trust Funds:** Common/collective trust funds are funds based upon the redemption price of units held by the Plan, which is based on the current net asset value (NAV) of the common/collective trust fund's underlying assets. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. Unit values are determined by the financial institution sponsoring such funds by dividing the net assets by its units outstanding at the valuation date. These investments are not classified in the fair value hierarchy.

**Mutual Funds:** Mutual funds are registered investment companies that pool the funds of multiple investors into a portfolio comprised of stocks, bonds, short-term money market funds and other investment instruments. The fund offers shares of the portfolio which an investor may redeem for current value (NAV) of the fund's assets through a public market.

**NOTE D FAIR VALUE MEASUREMENTS (Continued)**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, a summary of the Plan's investments at fair value on a recurring basis as of December 31, 2024 and 2023.

<b>December 31, 2024</b>						
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total Investments Measured at Fair Value</b>	<b>Net Asset Value</b>	<b>Total Investments</b>
Mutual Funds	\$ 10,308,391	\$ -	\$ -	\$ 10,308,391	\$ -	\$ 10,308,391
Common/Collective Trust Funds	-	-	-	-	333,229	333,229
<b>Total Investments</b>	<b>\$ 10,308,391</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 10,308,391</b>	<b>\$ 333,229</b>	<b>\$ 10,641,620</b>
<b>December 31, 2023</b>						
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total Investments Measured at Fair Value</b>	<b>Net Asset Value</b>	<b>Total Investments</b>
Mutual Funds	\$ 9,772,940	\$ -	\$ -	\$ 9,772,940	\$ -	\$ 9,772,940
Common/Collective Trust Funds	-	-	-	-	323,417	323,417
<b>Total Investments</b>	<b>\$ 9,772,940</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 9,772,940</b>	<b>\$ 323,417</b>	<b>\$ 10,096,357</b>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the years ended December 31, 2024 and 2023, there were no significant transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

**NOTE E STABLE VALUE FUND**

The Galliard Retirement Income Fund CL 35 (the "Fund") is a common collective trust stable value fund. The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Fund's NAV determined as of the close of business each day. Distribution to the Fund's unit holders is declared daily from the net investment income and automatically reinvested in the Fund on a monthly basis, when paid. It is the policy of the Fund to use its best efforts to maintain a stable NAV, although there is no guarantee that the Fund will be able to maintain this value.

Participants may direct either the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the Fund, plus earnings, less participant withdrawals and administrative expenses.

Certain events may limit the ability of the Plan to transact at contract value with the stable value fund (for example, partial or complete termination of the Plan or its merger with another plan, plant closings, layoffs, bankruptcy, mergers, early retirement incentives, certain transfers of assets from the stable value fund) and may also limit the ability of the stable value fund to transact at contract value with the participants. Plan management believes that the occurrence of events that would cause the Fund to transact at less than contract value is not probable.

## **NOTE F TAX STATUS**

Effective May 1, 2023, the Plan adopted the Standard Retirement Insurance and Annuity Company Defined Contribution Prototype Plan and Trust. The Plan has not obtained a determination letter from the Internal Revenue Service (the "IRS") stating that the Plan was in compliance with the applicable requirements of the IRC. The Plan is relying on the IRS approval of the prototype plan that it is utilizing. The IRS has determined and informed the prototype sponsor by a letter dated June 30, 2020, that the prototype Plan Document was designed in accordance with applicable sections of the IRC.

The Plan has been amended since receiving the letter from the trustee, however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan administrator has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is not currently undergoing examination of any previously filed tax returns; however, the returns filed for the most recent three years remain available for examination by taxing authorities. The Plan administrator is not aware of any tax positions in the returns filed for open years which would have less than a 50% chance of being affirmed.

## **NOTE G EXCESS CONTRIBUTIONS PAYABLE TO PARTICIPANTS**

The Plan is subject to certain non-discrimination rules under ERISA and the IRC. For 2024 and 2023, the Plan failed certain non-discrimination tests under the IRC due to lower deferral percentages by non-highly compensated eligible employees relative to the deferral percentages of highly compensated eligible employees. In order to meet the requirements of the non-discrimination rules, the Plan refunded a portion of the contributions made by highly compensated participants, in accordance with applicable provisions of the IRC. Additionally, the Plan is required to return contributions received from participants during the Plan year in excess of the IRC limits. These refunds are accrued within excess contributions payable to participants in the Statements of Net Assets Available for Benefits and reduce participant contributions on the Statements of Changes in Net Assets Available for Benefits. As of December 31, 2024 and 2023, the total excess contributions payable to participants were \$4,057 and \$3,363, respectively.

## **NOTE H PLAN TERMINATION**

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## **NOTE I CONCENTRATIONS**

For the years ended December 31, 2024 and 2023, the Plan received all of its contributions from the Babcock Center, Inc. and its employees.

## NOTE J RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF IRS FORM 5500

The following is a reconciliation of Net Assets Available for Benefits per the financial statements as of December 31, 2024 and 2023 to Schedule H of Form 5500:

	<u>2024</u>	<u>2023</u>
<b>Net Assets Available for Benefits per the Financial Statements</b>	\$ 11,338,764	\$ 10,529,661

## NOTE K RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party in interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Accordingly, loans to participants and transactions with investment funds managed and held by the trustee are considered party-in-interest transactions.

The Plan absorbs expenses charged by a third-party administrator for the administration of the Plan. These fees paid by Plan participants for administrative services total \$113,727 and \$87,125 for the years ended December 31, 2024 and 2023, respectively.

## NOTE L RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to levels of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## NOTE M SUBSEQUENT EVENTS

Subsequent events were evaluated through September 30, 2025, which is the date the financial statements were available to be issued.
