INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Square Care Medical Group, LLP 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Square Care Medical Group, LLP 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SQUARE CARE MEDICAL GROUP, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN:

The following description of the Square Care Medical Group, LLP 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan, established on October 1, 2006, is a defined contribution profit sharing and Safe Harbor 401(k) plan sponsored by Square Care Medical Group, LLP (the "Plan Sponsor"), along with Unified Operations of NY, LLC (collectively, the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended on November 24, 2022 and again on April 15, 2023.

Eligibility. An eligible participant, as defined by the Plan, is eligible to participate in the Plan upon attainment of age twenty-one and the completion of nine months of service. The entry dates into the Plan are the first day of the first, fourth, seventh, and tenth month of the Plan year following meeting eligibility requirements. In addition, a one-time entry date will be allowed for employees of each new care center that joins the Plan Sponsor who have met the Plan's eligibility requirements as of the effective date of such partnership agreement.

Contributions. Each year, participants may contribute a pre-tax amount equal to but not less than 1% and not more than 100% of their pre-tax annual compensation as defined by the Plan. The salary deferrals and/or Roth deferrals are not to exceed the maximum limits set by the Internal Revenue Service ("IRS"). Participants who are 50 years of age or older by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company makes a safe harbor nonelective contribution to the Plan in an amount equal to 3% of the participant's eligible Plan compensation for the Plan year, up to the maximum limit set by the IRS. The Plan allows for discretionary matching contributions as determined by the Company. In addition, profit-sharing contributions may be contributed at the option of the Company.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of the Plan Sponsor's contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options. Upon enrollment in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a series of varied risk mutual and money market funds, collective investment trusts, and a personal choice retirement account as investment options for participants.

SQUARE CARE MEDICAL GROUP, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Vesting. Participants are immediately vested in their contributions, rollovers, and the Plan Sponsor's safe harbor matching contributions plus actual earnings thereon. Vesting in Plan Sponsor profit-sharing contributions, in addition to actual earnings thereon, is based on years of service. Prior to normal retirement age, a participant's interest in the contributions of the employer becomes vested 100% after three years of service. A participant is 100% vested when they attain normal retirement age, become permanently disabled, or upon death.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may not exceed five years for a general loan and thirty years for residential home loans. The loans are collateralized by the balance in the participant's account and bear interest at a rate equal to prime rate at the time of loan application plus 1%. Principal and interest are paid ratably through payroll deductions. Interest from loans is recognized when earned.

Payment of Benefits. Upon termination of service, if a participant's total vested account balance under the Plan is between \$1,000 and \$5,000 as of the distribution date and they do not consent to a distribution of their vested account balance, the vested benefit automatically will be rolled over to an Individual Retirement Account selected by the Plan Administrator. Participants whose total vested account balance exceeds \$5,000 will not receive a distribution from the Plan without their consent. For participants whose vested account balance is \$1,000 or less as of the distribution date, their entire vested benefit will be distributed in a lump sum payout, even if the participant does not consent to a distribution.

Forfeited Accounts. Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The nonvested portion of terminated participants' account balances is first used to pay for Plan expenses. Should any forfeitures remain after paying for Plan expenses, such forfeited amounts will be used to offset other employer contributions under the Plan for the Plan year in which the forfeiture occurred. During the year ended December 31, 2024, \$1,551 was used to reduce employer contributions or Plan expenses. During the year ended December 31, 2023, no forfeitures were used to reduce employer contributions or Plan expenses. At December 31, 2024 and 2023, \$27,685 and \$4,440 of forfeited, nonvested accounts were available to offset future employer contributions or Plan expenses, respectively.

Administrative Expenses. Administrative expenses of the Plan are paid by the Plan or Plan Sponsor, as provided by the Plan document.

SQUARE CARE MEDICAL GROUP, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Transfer of Assets from the Plan. During the year ended December 31, 2023, twelve employees transferred employment from the Plan Sponsor to Unified Women's Healthcare, LLC. Upon such transfer of employment, the account balances, including any loan balances, of all affected employees transferred from the Plan to Unified Women's Healthcare, LLC 401(k) Profit Sharing Plan. The amounts transferred from the Plan totaled \$135,554, and are presented in the accompanying statements of changes in net assets available for benefits. There were no transfers during the year ended December 31, 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting. The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes Receivable From Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan Document.

Investment Valuation and Income Recognition. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell as an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits. Benefit payments to participants are recorded when paid.

Income Taxes. The IRS has determined and informed the Plan's volume submitter on June 30, 2020, that the Prototype Non-standardized Profit Sharing Plan with cash or deferred arrangement, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

SQUARE CARE MEDICAL GROUP, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized for the years ended December 31, 2024 and 2023.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine tax audits by jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to informational return examinations for years prior to 2021.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Custodian as of and for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Mutual and money market funds, at fair value	\$ 7,144,049	\$ 7,714,722
Collective investment trusts, at fair value	\$ 19,330,250	\$ 17,504,859
Cash (noninterest bearing)	\$ 3,414	\$ 627
Personal choice retirement account, at fair value	\$ 1,128,831	\$ 969,642
Net appreciation in fair value of investments	\$ 2,969,963	\$ 3,600,076
Interest and dividends	\$ 269,704	\$ 176,688

4. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Boards Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

SQUARE CARE MEDICAL GROUP, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

The three levels of the fair value hierarchy are described as follows:

Level 1 Fair Value Measurements:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements:

Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual and money market funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value ("NAV") as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Money market funds are valued at cost plus interest earned, which approximates fair value.

SQUARE CARE MEDICAL GROUP, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Collective investment trusts: These funds are valued at the NAV per share of the individual collective trusts included in each respective fund, which is based on the fair value of the underlying net assets. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value.

Personal choice retirement account: The personal choice retirement account is a self-directed brokerage account allowing participants to make investments that are not included as one of the Plan's options. The personal choice retirement account invests in interest-bearing cash, common stock, and mutual funds. Common stock represents investments in various companies. Common stock held by the personal choice retirement account is valued daily by the Intercontinental Exchange based on the last trade price. The common stock and mutual funds held by the personal choice retirement account are deemed to be actively traded.

Investments measured at the NAV practical expedient are summarized as follows:

	<u>2024</u> <u>Value</u>	<u>2023</u> <u>Value</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Collective investment trusts:				
Indexed equities	\$ 18,511,481	\$ 16,473,357	Daily	None
Fixed income	123,686	190,955	Daily	None
Large cap	<u>695,083</u>	<u>840,547</u>	Daily	None
Total	<u>\$ 19,330,250</u>	<u>\$ 17,504,859</u>		

There were no unfunded commitments for these investments as of December 31, 2024 and 2023.

The investment objectives for the registered investments measured using the net asset value are as follows:

Indexed equities: Invests in a broad diversified group of common stock publicly traded in the United States, designed to replicate the return of a broad stock market index.

Fixed income: Invests in a broad range of fixed income securities with high income yields, returns that outpace inflation, or returns that are designed to track a specified inflation index.

Large cap: Invests in large cap equity securities focused on companies in new and emerging areas of the economy with distinctive products or promising markets or large cap equity securities that are deemed undervalued by the fund's management team.

SQUARE CARE MEDICAL GROUP, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		<u>Fair Value Measurements Using:</u>		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

SQUARE CARE MEDICAL GROUP, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

* Certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net appreciation in fair value of investments.

5. PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are shares of mutual funds managed by Charles Schwab Bank and Square Care Medical Group, LLP. Charles Schwab Bank and Square Care Medical Group, LLP are the Custodian and Plan Sponsor, respectively, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan's third-party administrator receives fees for various administrative services provided during the year. Fees paid using Plan assets during the years ended December 31, 2024 and 2023 for these services totaled \$70,696 and \$65,546, respectively. The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. The Plan Sponsor directly pays any other fees related to the Plan's operations.

Certain participants of the Plan have outstanding loans (notes receivable from participants) directly with the Custodian totaling \$86,757 and \$142,917 as of December 31, 2024 and 2023, respectively. These loans are considered party-in-interest transactions.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

7. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements.

SQUARE CARE MEDICAL GROUP, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

8. SUBSEQUENT EVENTS:

The Plan Sponsor has evaluated subsequent events through October 7, 2025, the date which the accompanying financial statements were available to be issued.

Effective September 2025, the Plan will transition its recordkeeping services to Fidelity as part of a multiple employer plan ("MEP") sponsored by the Unified Women's Healthcare, LP 401(k) Plan.

No other significant subsequent events have been identified by management.
