To the Plan Sponsor and Participants  
Stambaugh Ness 401(k) Plan  
York, Pennsylvania

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements***

We have performed audits of the financial statements of Stambaugh Ness 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter — Supplementary Schedule Required by ERISA***

The supplementary schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The certified investment information in the supplementary schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 1 – DESCRIPTION OF PLAN

The following description of the Stambaugh Ness 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **General**

Effective January 1, 1990, Stambaugh Ness, Inc. (the Company) established the Plan. The Plan is a defined contribution plan covering all eligible employees of the Company. Each employee is eligible to become a participant in the Plan on the first day of the month following their hire date and attaining age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### **Contributions**

Each year, participants may contribute up to 100% of pre-tax annual eligible compensation, as defined in the Plan. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover contributions).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

For non-highly compensated employees, the Company contributes a safe harbor contribution equal to 3% of total compensation. The Company may also contribute a discretionary safe harbor contribution to highly compensated employees, not to exceed 3%. In addition to the safe harbor contribution, the Company may make a discretionary profit sharing contribution. During 2024, the Company did not make a discretionary profit sharing contribution. Employees must be employed on the last day of the year or be terminated due to attaining Normal Retirement Age to be eligible to receive the profit sharing contribution. The Company may also make a discretionary matching contribution. The Company made matching contributions of \$360,135 in 2024. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution, rollover contributions, and allocations of (a) the Company's contribution, if applicable, and (b) investment earnings less expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are allocated based on participant earnings or account balances.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 1 – DESCRIPTION OF PLAN (Continued)

#### Investment Options

Investments are currently held by Principal Trust Company. Upon enrollment in the Plan, a participant may direct contributions in 1% increments in any of the available funds managed by Principal Trust Company.

#### Administrative Expenses

The Plan permits the payment of plan expenses to be made from the plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts. For the year ended December 31, 2024, administrative fees paid for by plan assets totaled \$102,356.

#### Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary match and profit sharing contribution portions of their accounts plus actual earnings thereon is based on years of vesting service as follows:

Years of Service	Percent Vested
< 2	0%
2	20
3	40
4	60
5	80
6 or more	100

Vesting in the Company's safe harbor contribution portion of their accounts plus actual earnings thereon is based on years of vesting service as follows:

Years of Service	Percent Vested
< 2	0%
2	100

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 less the highest outstanding balance of the participant's loan in the last twelve months, or 50% of their vested account balance. The notes are secured by the balance in the participant's account. The notes bear interest at a rate available for similar notes from commercial lending institutions, as determined by the plan administrator and to be repaid over a determined period. Principal and interest are paid ratably through payroll deductions.

### NOTE 1 – DESCRIPTION OF PLAN (Continued)

#### **Payment of Benefits**

Upon severance of employment, a participant, or their beneficiary, whose vested account balance exceeds \$7,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or, for participants subject to required minimum distributions (RMD) only, installments on a monthly, quarterly, or annual basis equal to or exceeding the RMD amount. The Plan will make a mandatory distribution following severance of employment for participants whose vested account balance is equal to or less than \$7,000 (the Plan includes rollovers when determining whether a participant's vested account balance meets this \$7,000 minimum). Hardship withdrawals are allowed from a participant's pre-tax and Roth elective deferral accounts. In-service distributions are allowed once a participant has attained age 59 ½.

#### **Forfeited Accounts**

At December 31, 2024 and 2023, forfeitures totaled \$54,168 and \$52,587, respectively. Such accounts are used to reduce employer matching contributions or pay plan expenses. Forfeitures of \$58,689 were used to offset plan expenses for the year ended December 31, 2024.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, plan assets must be used for the exclusive benefit of participants.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

#### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value as reported by the custodian, Principal Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Investment Valuation and Income Recognition (Continued)

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

#### Payment of Benefits

Benefits are recorded when paid.

#### Notes Receivable from Participants

Notes receivable from participants are recorded at amortized costs plus accrued but unpaid interest.

### NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as to complete and accurate by Principal Trust Company, the custodian.

	2024	2023
Investments, at fair value	\$ 31,881,843	\$ 26,989,021
Notes receivable from participants	355,474	335,138
Investment income:		
Interest of notes receivable from participants	33,411	
Interest and dividends	476,883	
Net appreciation in fair value of investments	2,911,240	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

### NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan follows FASB ASC 820, Fair Value Measurement. FASB ASC 820 defines fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- **Level 1** consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
- **Level 2** consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
- **Level 3** consists of significant unobservable inputs for the asset or liability and has the lowest priority.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Guaranteed interest accounts are valued by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Common collective trusts and pooled separate accounts are valued at fair value using the net asset value (NAV) practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund. These investments may be redeemed daily.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

December 31, 2024	Fair Value Measurements Using:			
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 22,044,837	\$ 22,044,837	\$ -	\$ -
Guaranteed interest accounts	1,734,878	-	-	1,734,878

### NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

December 31, 2023	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 16,829,382	\$ 16,829,382	\$ -	\$ -
Guaranteed interest accounts	1,519,533	-	-	1,519,533
Common collective trusts *	3,270,783	-	-	-
Pooled separate accounts *	<u>5,369,323</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total	<u>\$ 26,989,021</u>	<u>\$ 16,829,382</u>	<u>\$ -</u>	<u>\$ 1,519,533</u>

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

\*In accordance with ASC Subtopic 820-10, the Plan's interest in the common collective trusts and pooled separate accounts are measured at fair value using the NAV per share (or its equivalent) practical expedient and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. None of the common collective trusts or pooled separate accounts had any unfunded commitments or a redemption notice period, and they had a daily redemption frequency.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 investments, the guaranteed interest accounts, for the years ended December 31, 2024 and 2023:

	2024	2023
Balance, beginning of year	\$ 1,519,533	\$ 3,269,108
Sales	(117,545)	(2,039,776)
Purchases	320,014	257,979
Appreciation in fair value	<u>12,876</u>	<u>32,222</u>
Balance, end of year	<u>\$ 1,734,878</u>	<u>\$ 1,519,533</u>

### NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of pooled separate accounts, mutual funds, common collective trusts, or guaranteed interest accounts managed by the investment custodian. Therefore, these transactions qualify as party-in-interest transactions. Investment fees paid to the custodian are netted against investment returns.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 6 – TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities.

The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2021 through December 31, 2024, the years that remain subject to examination by major tax jurisdictions as of December 31, 2024.

### NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

As of December 31, 2024, the vested balance of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$7,200,183. Of those balances, no amount had been requested to be paid to the participants but were not paid until subsequent to the Plan's year end.

### NOTE 8 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2024 through October 10, 2025 (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure in the financial statements.
