INDEPENDENT AUDITORS' REPORT

Plan Administrator
JohnsByrne Company 401(k) Savings Plan
Niles, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the accompanying financial statements JOHNSBYRNE COMPANY 401(K) SAVINGS PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of JOHNSBYRNE COMPANY 401(K) SAVINGS PLAN'S financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of JOHNSBYRNE COMPANY 401(K) SAVINGS PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 financial statements.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JOHNSBYRNE COMPANY 401(K) SAVINGS PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards (GAAS), we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JOHNSBYRNE COMPANY 401(K) SAVINGS PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JOHNSBYRNE COMPANY 401(K) SAVINGS PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2024 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor’s Report on the 2023 Financial Statements

Predecessor auditors performed an audit of the 2023 financial statements of JohnsByrne Company 401(k) Savings Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated July 31, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agreed or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION

The following description of the JohnsByrne Company 401(k) Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Effective August 1, 2015, the Company restated its Plan for the Pension Protection Act of 2006 (PPA) and other legislative and regulatory changes.

Effective January 1, 2020, a Plan amendment was added stating that participants that take a hardship distribution are no longer required to stop their 401(k) deferrals for any length of time.

During 2020, CARES Act provisions were administered by the Plan although the Plan document had not yet been amended. These provisions include permission for participants to withdraw up to \$100,000 from the Plan for Coronavirus-related distributions without being subject to the 10% early distribution penalty and for that distribution to be repaid to the Plan over a 3-year period and temporary suspension of required minimum distribution requirements. It also included an option for participants to extend their loan repayment periods to provide relief. The Plan was amended July 7, 2022 to include these provisions.

The Plan was restated June 10, 2021 to bring it into compliance for the "Cycle 3 Restatement" to be in compliance with the 2017 Cumulative List (Notice 2017-37).

During 2022, the Plan was amended to implement the Secure and the FCAA Acts of 2019, the BAMA and the CARES Acts. These acts include updated RMD rules, IRA account age rules, long-term part-time employee rules, and other Plan changes.

1. General - The Plan is a defined contribution, multiple employer plan, adopted November 1, 1988, covering all employees, except union and non-resident aliens. An employee can enter the Plan on the first day of the month following 30 days of eligible service. Employer matching contributions will start on the first day of the month following six months of eligible service. No service with a predecessor employer is recognized for eligibility purposes.
2. Contributions - Participants may elect to contribute by payroll deduction any percentage of their compensation, to a maximum of \$23,000 for 2024 and \$22,500 for 2023. Participants over the age of 50 may elect to contribute additional funds up to the annual “catch-up” contribution limit of \$7,500 for 2024 and 2023. Participants are allowed to designate a portion of the deferral as Roth elective deferrals. Participants may also rollover amounts representing distributions from other qualified plans.

The Company may, subject to certain limitations, make a discretionary matching contribution to the Plan for each participant in accordance with the terms of the Plan document. For 2024 and 2023, the Company made a matching contribution of 50% of a participant’s salary deferral up to 4% and 33% of the next 6% deferred, not to exceed 10% of pay per pay period. For the years ended December 31, 2024 and 2023, the Company contributed \$365,467 and \$335,171, respectively, in employer matching contributions.

The Company may also elect to make a discretionary profit-sharing contribution. No Company discretionary profit-sharing contributions were made for 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION (Continued)

3. Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution, and an allocation of the Company's discretionary profit-sharing contribution, if applicable, and Plan earnings. Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.
4. Vesting - Participants are 100% vested in their voluntary contributions and rollover contributions. Vesting in the Company's profit sharing contributions portion of their accounts, plus actual earnings thereon, is based on years of continuous service. Participants vest over a 5-year graded schedule: less than 1 year-0%; 1 year-20%; 2 years-40%; 3 years-60%; 4 years-80%, 5 years-100%. To earn a year of service, participants must be credited with at least 1,000 hours of service during a plan year.
5. Payment of Benefits - Upon termination of service due to termination, retirement, disability or death, a participant may elect to receive a lump-sum payment or in equal installments paid not less than annually over a period not to exceed the participant's life expectancy. Participants may receive distributions of their elective deferral contributions plus actual earnings thereon under certain financial hardship circumstances.
6. Forfeited balances of terminated participants' non-vested accounts are used to reduce the employer's contributions in a nondiscriminatory manner at the discretion of the Plan Administrator, or administrative expense. Forfeitures totaled \$10,394 in 2024 and \$9,370 in 2023. Forfeitures utilized to reduce employer contributions were \$-0- in 2024 and \$12,837 in 2023. Forfeitures utilized to pay the administrative expense were \$-0- in 2024 and 2023. Forfeitures available for future use are \$11,245 as of December 31, 2024 and \$450 as of December 31, 2023.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are held by Capital Bank and Trust Company. All investments are valued at quoted market values as of December 31, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

INVESTMENT VALUATION AND INCOME RECOGNITION (Continued)

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on the sale of securities are computed on a specific identification basis.

Dividend and interest income are recognized when received. Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year.

Plan asset rebate credits are recorded as other income upon receipt.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Expenses of the Plan, to the extent that the Company does not pay such expenses, may be paid out of the assets of the Plan.

RECLASSIFICATIONS

Certain prior year amounts have been reclassified to conform with the current year presentation.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Level 1 Fair Value Measurements

Mutual funds are valued at quoted net asset values of the shares held by the Plan at year-end.

Level 2 and Level 3 Fair Value Measurements

Level 2 and Level 3 Fair Value Measurements are not applicable to the Plan for 2024 and 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 22,132,263	\$ —	\$ —	\$ 22,132,263
Total Assets in the Fair Value Hierarchy	<u>22,132,263</u>	<u>—</u>	<u>—</u>	22,132,263
Investments Measured at Net Asset Value				<u>1,879,155</u>
Total Assets at Fair Value	<u>\$ 22,132,263</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 24,011,418</u>

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 20,744,479	\$ —	\$ —	\$ 20,744,479
Total Assets in the Fair Value Hierarchy	20,744,479	—	—	20,744,479
Investments Measured at Net Asset Value				1,932,750
Total Assets at Fair Value	\$ 20,744,479	\$ —	\$ —	\$ 22,677,229

In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Money market funds are valued at the net asset value (“NAV”) of shares held by the Plan at year-end. NAV is determined by each fund's trustee based on the fair value of the underlying securities held less liabilities held by the fund. This practical expedient is not used when it is determined to be provable that the fund will sell the investment for an amount different than the reported NAV. Plan transactions (issuance and redemptions) may occur daily. There are no restrictions on a participant's ability to redeem investments. However, withdrawals prompted by certain events (e.g., termination of the managed income portfolio, changes in laws and regulations) may restrict a participant's ability to redeem the investment at its NAV.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net appreciation in fair value of investments.

NOTE 4—PARTICIPANT NOTES RECEIVABLE

Participants may borrow up to 50% of their vested equity balance, with a minimum loan amount of \$1,000 and a maximum of \$50,000. Repayments of principal and interest are made in equal installments over the specified loan period through regular payroll deductions. Loan terms range from 1-5 years except loans for the purchase of a primary residence, which may be up to thirty years. Loans are secured by the balance in the participant's account. The interest rate charged is 2% over the existing prime rate at the time the loan is issued and is fixed over the life of the loan.

NOTE 5—INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and schedule is complete and accurate.

NOTES TO FINANCIAL STATEMENTS

NOTE 5—INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (Continued)

- a. Investments, as shown in the accompanying statements of assets available for benefits as of December 31, 2024 and 2023.
- b. Investment income, as shown in the accompanying statements of changes in assets available for benefits for the years ended December 31, 2024 and 2023.
- c. The schedule of assets (held at end of year) as of December 31, 2024, as shown on Schedule H - Line 4(i).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 6—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7—RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023.

NOTE 8—TAX STATUS

The Plan is a Defined Contribution Pre-Approved Plan (“Pre-Approved Plan”) designed by Capital Group Retirement Plan Services. Pre-Approved Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service (“IRS”) stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). The Company has not applied for its own determination letter from the IRS. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

The Plan presently meets the requirements of Section 401(a) of the Internal Revenue Code and, accordingly, its income is exempt from federal income taxes under Section 501(a). A similar status exists for Illinois income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

The Plan’s investments are managed by Capital Bank and Trust Company and as a result, Capital Bank and Trust Company is considered a party-in-interest. The Plan paid certain asset based and transaction fees in the amount of \$3,375 for 2024 and \$3,450 for 2023.

NOTE 10—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11—SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2025, the date which the financial statements were available for issue. There were no subsequent events which require disclosure.
