Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Enterprise Events Group, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. ## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Enterprise Events Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Enterprise Events Group, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Enterprise Events Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## Enterprise Events Group, Inc. 401(k) Profit Sharing Plan

### Notes to the Financial Statements

#### 1. Description of the Plan

The following description of the Enterprise Events Group, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### *General*

The Plan is a defined contribution 401(k) Plan covering all of the full-time employees of Enterprise Events Group (the "Plan Sponsor"). Employees are eligible to participate in the Plan once they have attained age 21 and completed 3 months of service. Long-term part-time employees are eligible for pre-tax deferrals and Roth deferrals once they have attained age 21 and completed at least three years of service (at least 500 hours each year). Long-term part-time employees are subject to the automatic deferral provisions under the Plan as well as the exclusion. Union employees, leased employees, and nonresident aliens are not eligible to participate in the Plan. Participants may begin making deferrals into the Plan on the first day of the month following eligibility.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plans' Board of Trustees.

##### *Contributions to the Plan*

Participants may contribute their eligible compensation into the Plan subject to certain anti-discrimination restrictions and to an annual limitation of \$23,000 for 2024 (\$30,500 for those participants who are age 50 or over). The Plan also permits Roth contributions.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in an age appropriate target retirement fund until changed by the participant. The automatic deferral amount will increase each Plan year by 2% of Plan compensation up to a maximum of 10% of Plan compensation. On the first day of each Plan Year, all participants except those who have an affirmative election in effect on January 1, 2019 and each year thereafter that is at least equal to the automatic deferral amount of 4% will be subject to a re-enrollment in the automatic deferral provision including scheduled increases.

The Plan permits the Plan sponsor to make a discretionary - tiered matching contribution. Eligibility for a matching contribution is the same as for deferrals. For 2024, the Plan sponsor made a matching contribution of participant deferrals based on the length of employment per pay period: 0-5 years: 5%; 6-10 years: 10%; 11-15 years: 15%; 16-20 years: 20% and more than 20 years: 25%.

##### *Participant Accounts*

All of the assets of the Plan are invested, as directed by the participant, as pooled funds. A participant's account balance is derived through an allocation of these funds. Each participant's account is credited with the participant's contribution, Plan sponsor contributions, and an allocation of investment earnings and losses pursuant to the participant's selection of investments and timing of purchase. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan.

##### *Vesting and Forfeitures*

Participants are immediately vested in their contributions and related earnings thereon. Participants vest in Plan sponsor matching contribution at the rate of 20% per year after the first year of service. Participants are immediately 100% vested in the event of death, disability or 5 years of service. Forfeitures are used to reduce Plan sponsor contributions and to pay Plan expenses. At December 31, 2024 and 2023, forfeitures

### Notes to the Financial Statements

available to offset employer contribution and to pay Plan expenses were \$1,568 and \$1,510, respectively. During the year ended December 31, 2024, no forfeitures were used.

#### ***Payment of Benefits***

The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distributions are available to all participants who are at least age 59½. Participants who qualify for retirement benefits and withdrawals will receive their benefits in the form of a lump sum payment or installment payments. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. Participants who separate from service and have vested account balances of \$5,000 or less and do not process their own distribution may receive a lump sum cash payment if the entire vested account balance is \$1,000 or less. If the value of the vested account balance is greater than \$1,000 but equal to or less than \$5,000 the account will be converted to an individual retirement account. Retired participants must begin receiving distributions from the Plan no later than April 1 of the year following the year in which the participant attains age 73.

#### ***Notes Receivable from Participants***

Participants may obtain a loan from the Plan based upon their vested account balance. Loans are limited to lesser of \$50,000 or 50% of the participant's vested account balance. Participants may have one loan outstanding at a time. The minimum loan amount is \$1,000. Loans bear an interest rate of two percent above prime rate determined on the date of the advance by the Plan administrator. All loans have a term of not more than five years (unless the loan is used to acquire a principal residence) and are payable through regular payroll deductions. Loans are segregated investments, and to the extent a participant borrows, his or her account will not share in the earnings and gains in value attributable to other Plan investments. The interest that participants pay on their loans will be directly credited to their accounts. The loans are secured by the balance in the participant's account and in the event of default, the unpaid loan principal will be offset against the participant's vested account balance.

#### ***Plan Amendments***

Effective January 1, 2024, the Plan was restated to change the match formula from a discretionary percentage to a discretionary tiered percentage as well as comply with some recent legislative and regulatory changes.

## 2. **Summary of Significant Accounting Policies**

#### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with ERISA. Contributions from participants are recorded when withheld from the participant. Plan sponsor contributions are recorded when approved by the Plan sponsor. Benefit payments are recorded when paid.

#### ***Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

#### ***Investment Valuation and Income Recognition***

Investments are reported at fair value as determined by the Plan custodian (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's

valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

#### ***Expenses***

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from the participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

#### ***Subsequent Events***

The Plan has evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued.

### **3. Certification of Assets**

Ascensus Trust Company ("Ascensus") and Newport Trust Company ("Newport") served as the trustees of the Plan's assets. In that capacity, Ascensus and Newport held the Plan's investment assets and executed investment transactions. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). As permitted under such election, the Plan administrator has obtained certifications from Ascensus and Newport as of December 31, 2024 and 2023, and for the year ended December 31, 2024, that all investment information supplied to the Plan is complete and accurate. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and interest, dividends and net appreciation/depreciation in fair value of investments for the year ended December 31, 2024, was obtained or derived from the certified information.

### **4. Fair Value Measurements**

Assets at Fair Value as of December 31, 2024:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 13,705,915	\$ 13,705,915

Total investments at fair value	<u>\$ 13,774,647</u>	<u>\$ 13,984,354</u>

## Enterprise Events Group, Inc. 401(k) Profit Sharing Plan

### Notes to the Financial Statements

Assets at Fair Value as of December 31, 2023:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 10,746,628	\$ 10,746,628
Synthetic Cash	17,038	17,038
Total assets in the fair value hierarchy	10,763,666	10,763,666
Common collective trusts measured at net asset value	-	154,537
Total investments at fair value	\$ 10,763,666	\$ 10,918,203

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<b>Fair Value</b>	<b>Unfunded</b>	<b>Redemption</b>	<b>Redemption</b>
<b>Investments</b>	<b>12/31/2024</b>	<b>Commitments</b>	<b>Frequency</b>	<b>Notice</b>
Common collective trust	\$ 209,707	\$ -	Daily	None

	<b>Fair Value</b>	<b>Unfunded</b>	<b>Redemption</b>	<b>Redemption</b>
<b>Investments</b>	<b>12/31/2023</b>	<b>Commitments</b>	<b>Frequency</b>	<b>Notice</b>
Common collective trust	\$ 154,537	\$ -	Daily	None

The framework for measuring fair value provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

#### ***Level 1***

Inputs to the valuation methodology are unadjusted quoted prices for identical assets and or liabilities in active markets that the Plan has the ability to access.

#### ***Level 2***

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 inputs must be observable for substantially the full term of the asset or liability.

#### ***Level 3***

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

## Enterprise Events Group, Inc. 401(k) Profit Sharing Plan

### Notes to the Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Synthetic Cash:* Valued at the quoted net asset value held by the Plan at year-end.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable Value Fund:* A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the net asset value as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidation will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### 5. **Tax Status**

The Plan sponsor has adopted the Newport Group Non-Standardized Pre-Approved Profit Sharing plan. The Pre-Approved plan received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Pre-Approved plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan sponsor and administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, the Plan sponsor and administrator believe that the Plan is qualified and its related trust is exempt from tax.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. Management evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### 6. **Plan Termination**

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, all partially vested account balances would become 100% vested.

## Enterprise Events Group, Inc. 401(k) Profit Sharing Plan

### Notes to the Financial Statements

#### 7. Related Party Transactions

Ascensus Trust Company (“Ascensus”) and Newport Trust Company (“Newport”) served as the trustees of the Plan’s assets. Accordingly, all investments managed by Ascensus and Newport and related entities qualify as party-in-interest transactions.

Fees incurred by the Plan for investment management services are included in net appreciation/depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Ascensus and Newport provide certain administrative services to the Plan pursuant to an agreement between the Company and Ascensus and Newport. Ascensus and Newport receive revenue from mutual funds and collective trust fund service providers for services Ascensus and Newport provide to the funds. This revenue is used to offset certain amounts owed to Ascensus and Newport for its administrative services to the Plan.

The Plan or Plan Sponsor may make payments to Ascensus and Newport for administrative expenses not covered by revenue sharing. As described in Note 2, the Plan made payments totaling \$32,925 to the recordkeeper, which were not covered by revenue sharing.

#### 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in the various risk factors will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the accompanying financial statements.

#### 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:

	<u>2024</u>	<u>2023</u>

Net assets available for benefits per the Form 5500	<u>\$ 14,048,535</u>	<u>\$ 10,975,530</u>

The following is a reconciliation of total contributions per the financial statements to Form 5500 for the year ended December 31, 2024:

### Notes to the Financial Statements

#### **10. Prohibited Transactions**

During the year ended December 31, 2024, the Plan sponsor did not remit certain participant contributions to the Plan in a timely manner as defined by ERISA. See the Schedule of Delinquent Participant Contributions. The Plan sponsor will compensate participants for any lost earnings resulting from the delay in contributions. These contributions are considered nonexempt party-in-interest transaction subject to an excise tax that the company intends to pay.
