INDEPENDENT AUDITORS' REPORT

To the Trustees of
Abest Care Inc. Health and Welfare Benefit Plan

Opinion

We have audited the accompanying financial statements of Abest Care Inc. Health and Welfare Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the

Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Respectfully submitted,

HEALTH AND WELFARE BENEFIT PLAN
Notes to Financial Statements
December 31, 2024 and 2023

1. **DESCRIPTION OF PLAN:** The following description of the Abest Care Inc. Health and Welfare Benefit Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan was originally established on January 1, 2021 to provide health benefits to eligible employees of Abest Care Inc. (the Sponsor) and covered dependents.

The Plan is available to employees who meet eligibility criteria as defined in the plan document.

At each annual enrollment, provisions, such as participant contribution rates, coverage, deductibles, copays, and out-of-pocket maximums, may change.

Benefits

The Plan provides health benefits including coverage for medical and prescription drugs, as well as multiple health reimbursement arrangements (HRA). The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits

The Plan has entered into an agreement with an insurance company to provide participants with *Health Maintenance Organization* insurance coverage (HMO). Premiums for insured benefits were paid from the general assets of the Sponsor.

Self-Insured Benefits

Minimum Essential Coverage (MEC) medical benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants using funds from the general assets of the Sponsors. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

HRA Benefits

Health Reimbursement Arrangement benefits (HRA) are provided through benefit cards issued to each participant. Participants can utilize their accumulated HRA funds by using the benefit card to pay for health-related expenses.

The Plan utilizes a pharmacy benefit manager (PBM), which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

For HMO and MEC benefits, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. In addition, participants may be separately responsible for deductibles and copayments. The Sponsor makes contributions to the Plan as needed to fund claims in excess of participants' contributions.

For HRA benefits, employers contribute specific funds to the issuing bank to increase the balance available on each respective HRA benefit card.

- 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**
- Basis of Accounting and Use of Estimates***
The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- Contributions Received***
Contributions to the plan are recorded when funds are received from employers and participants to fund insured benefit premiums, self-insured benefit medical claims, and HRA benefit cards.
- Payment of Benefits***
Premiums paid by either the Sponsor or the plan trust are reported as premiums paid in the accompanying statement of changes in net assets available for benefits.
- Claim payments for self-insured benefits are recorded when paid by the third-party claims processor. HRA benefits are recorded when a participant utilizes the HRA benefit card to cover health-related expenses. Both are reported as benefits paid in the accompanying statement of changes in net assets available for benefits.
- Subsequent Events***
Management has evaluated subsequent events through October 9, 2025, the date which the financial statements were available to be issued.
- 3. CLAIMS INCURRED BUT NOT REPORTED:** Plan obligations at December 31 for claims incurred but not reported are estimated by the plan administrator based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.
- 4. ADMINISTRATIVE EXPENSES:** The Plan pays administrative expenses that consist primarily of fees paid to third-party administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. Such transactions are party-in-interest transactions under ERISA. During the year ended December 31, 2024, these administrative expenses were paid by the Sponsor on behalf of the Plan and are excluded from these financial statements.
- 5. TAX STATUS:** As a result of the Plan's funding policy, from time to time, the Plan may be subject to income taxes. No federal or state income taxes have been recorded in 2024 for unrelated business taxable income.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain

positions taken or expected to be taken that would require recognition of a liability or asset, or require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. TERMINATION OF THE PLAN:

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

7. RISKS AND UNCERTAINTIES:

On occasion, the Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>Year Ended December 31, 2024</u>
Net assets available for benefits per the financial statements	\$ 154,354
Benefit obligations currently payable	<u>(1,500)</u>
Net assets available for benefits per the Form 5500	\$ <u>152,854</u>

Benefits that have been processed and approved for payment at year-end but not paid and benefits incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or benefits paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.
