## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
the Horizontal Integration Retirement Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Horizontal Integration Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Horizontal Integration Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Horizontal Integration Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that

the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Horizontal Integration Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Horizontal Integration Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Horizontal Integration Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**HORIZONTAL INTEGRATION  
Retirement Savings Plan  
Notes To Financial Statements  
December 31, 2024**

**Note 1. Plan Description**

Horizontal Integration (the Company) established the Horizontal Integration Retirement Savings Plan (the Plan), a defined contribution plan adopted under section 401(k) of the Internal Revenue Code, to provide retirement income and other benefits to qualified employees. The following is not a comprehensive description of the Plan, and therefore, does not include all situations and limitations covered by the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**Plan Operations**

The Company is the sponsor and administrator of the Plan. The custodian of the Plan is Minnesota Life Insurance Company (Securian). The Custodian is responsible for holding the assets of the Plan, executing investment transactions and making disbursements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility**

Employees who have reached the age of 21 become eligible to participate in the Plan immediately and can enter the Plan on the first day of month coincident with or following initial employment.

**Contributions**

Each year, eligible employees can contribute, either pre-tax or Roth, an amount up to 100 percent of compensation as defined in the Plan, limited by requirements of the Internal Revenue Code (the IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make a discretionary matching contribution to the Plan. During 2024, the Company made matching contributions to the Plan of \$373,598. Additional profit-sharing amounts may be contributed at the Company's option. Contributions are subject to certain limitations. Participants may direct the investment of the contributions into various investment options under the Plan. Participants may change their investment options at any time.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching and non-elective contributions and (b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions.

**Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant's account vests at the rate of 50% per year after one year of credited service and is 100% vested after two years of credited service.

**HORIZONTAL INTEGRATION**  
**Retirement Savings Plan**  
**Notes To Financial Statements**  
**December 31, 2024**

**Distribution of Benefits**

Upon termination of service, death, disability or retirement, a participant (or the participant's beneficiary in the case of death) will receive the vested portion of his or her account as a lump-sum payment. Hardship distributions during employment are available to participants for medical expenses described in Section 213(d) of the IRC, the purchase of a principal residence, or the payment of tuition and related educational fees for the next 12 months of postsecondary education.

**Investment Options**

Upon enrollment in the Plan, a participant may direct contributions to a variety of mutual fund accounts maintained by Minnesota Life Insurance Company (Securian). The investments range from low risk guaranteed income funds to high-risk international growth funds.

**Forfeitures**

If an employee is not 100 percent vested when employment terminates, the portion of any account that is not vested will be transferred to a forfeiture account. A terminated employee's rights to the forfeiture account depend upon when and if the employee is rehired and when the vested benefit payment is made to the employee. The balance in the forfeiture account was \$46,750 and \$27,570 at December 31, 2024 and 2023, respectively. During 2024, \$0 in forfeitures was used to reduce employer contributions.

**Notes Receivable from Participants**

Participants may borrow up to 50% the vested portion of their account not to exceed \$50,000, if approved by the Plan administrator. Loans bear an interest rate of prime plus 1%, currently between 4.25% and 9.50%, and must be repaid within 5 years unless used to acquire a personal residence.

**Administrative Expenses**

The Company pays certain administrative expenses, including consulting, audit and administrative fees, on behalf of the Plan.

**Note 2. Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 7 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net gain from investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**HORIZONTAL INTEGRATION**  
**Retirement Savings Plan**  
**Notes To Financial Statements**  
**December 31, 2024**

**Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Benefit Payments**

Benefits are recorded upon distribution.

**Risks and Uncertainties**

The Plan provides for various investment options in various combinations of investment securities. Investment securities are exposed to various risk factors including, but not limited to, interest rates, market conditions and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Assets Available for Benefits in future periods.

**Note 3. Information Certified by the Custodians**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by **Standard Insurance Company**, the custodian of the Plan.

**Note 4. Plan Tax Status**

The Plan adopted the Great-West Trust Company LLC plan prototype as its plan agreement. Great-West received a favorable determination letter from the IRS dated March 31, 2015, indicating that the plan prototype meets the requirements of Section 401 of the Internal Revenue Code (IRC) and is, therefore, exempt from income taxes. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

**Note 5. Termination of Plan**

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In

**HORIZONTAL INTEGRATION  
Retirement Savings Plan  
Notes To Financial Statements  
December 31, 2024**

the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

**Note 6. Fair Value Measurements**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Level 1 Fair Value Measurements*

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

Fair Market Value Measurements December 31, 2024				
	Balance	Level 1	Level 2	Level 3
<b>Mutual Funds</b>	\$ 19,411,480	\$ -	\$ 19,411,480	\$ -

**Note 7. Related Party Transactions and Party In Interest Transactions**

Certain Plan investments are managed by Minnesota Life Insurance Company (Securian). Securian is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

The notes receivable from participants also qualify as party in interest transactions.

All of these party in interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note 8. Subsequent Events**

In accordance with SFAS No. 165 "Subsequent Events", the Organization has evaluated events occurring subsequent to the date of the balance sheet in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through **October 13, 2025**, which is the date the financial statements were available to be issued.
