## **INDEPENDENT AUDITOR'S REPORT**

To the Trustees of the  
Kennedy Automotive Group, Inc. 401(k) Plan  
Feasterville, PA 19053

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Kennedy Automotive Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kennedy Automotive Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Transamerica Life Insurance and Annuity Company as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kennedy Automotive Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kennedy Automotive Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kennedy Automotive Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kennedy Automotive Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

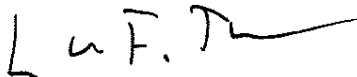

The supplemental schedules Schedule H, Line 4i - Schedule of Assets (Held at Year End) as of December 31, 2024 and Schedule H Line 4a - Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by Transamerica Life Insurance and Annuity Company agrees to, or is derived from, in all material respects, the information prepared and certified by Transamerica Life Insurance and Annuity Company that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**KENNEDY AUTOMOTIVE GROUP, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE A - DESCRIPTION OF THE PLAN**

The following brief description of the Kennedy Automotive Group, Inc. 401(K) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering all eligible employees of the Kennedy Automotive Group, Inc. Employees of the companies are eligible after attaining age 21 and 3 months of service. A participant may enter the Plan on January 1, April 1, or October 1 following the date they satisfy the Plan's eligibility requirements. Employees covered under any collective bargaining retirement agreement are not eligible under this Plan. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Kennedy Automotive Group, Inc. comprise of the following companies:

<u>Name</u>	<u>Location</u>
Feasterville Auto Center, Inc.	Feasterville, PA
John Kennedy Ford, Inc.	Phoenixville, PA
JMK Enterprises, Ltd.	Feasterville, PA
Conshohocken Ford, Inc.	Conshohocken, PA
John Kennedy Ford Lincoln Mazda, Inc.	Pottstown, PA
John Kennedy Subaru, Inc.	Plymouth Meeting, PA
John Kennedy Collision Center	Willow Grove, PA

**Plan Custodian**

Transamerica Life Insurance and Annuity Company is the custodian and administrator of the Plan assets.

**Contributions**

Each year, participants may contribute up to 50% of gross compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also have the option of designating contributions as Roth 401(k). Combined, the contributions can't exceed the annual IRC contribution limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans. Participants direct the investments of their contributions into various investment options offered by the plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company contributes 25% of the first 6% of base compensation that participant contributes to the Plan.

**NOTE A - DESCRIPTION OF THE PLAN (continued)**

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, the Company's matching contributions, and Plan earnings. Participant accounts are charged with withdrawals and an allocation of certain administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances as defined. A participant's account may be charged for expenses associated with a specific optional feature, including administration of participant loans, elected by that participant, and are included in administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. However, if a participant dies or becomes disabled prior to attaining the normal retirement age, the participant's account becomes 100% vested.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the vested portion of their account, a distribution in the form of an annuity or a combination of these payment options. Distributions are subject to the applicable provisions of the Plan Document. If a participant's vested account in the Plan is below \$1,000 at the time of termination or retirement, the Plan may distribute the entire balance to the participant following termination. If a participant's vested account in the Plan is between \$1,000 and \$5,000 at the time of termination or retirement, the Plan may distribute the entire balance to an individual retirement account established on the participant's behalf. Hardship and in-service distributions are also permitted from participants accounts.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. All outstanding loans become due and payable in their entirety upon the occurrence of a distributable event (other than satisfaction of the conditions for an in-service distribution). Participant loans bear interest at a fixed rate, commensurate with local prevailing rates as of the date of the loan. The interest rate on loans at December 31, 2024 was 4.25% through 9.50%.

Loans are repayable within five years unless the loan was taken for the purpose of acquiring or rehabilitating the participant's principal residence, in which case the term of the loan may be for a period longer than five years. Principal and interest are paid ratably through payroll deductions. The loans are secured by the balance in the participant's account.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE A - DESCRIPTION OF THE PLAN (continued)**

Forfeited Accounts

At December 31, 2024 and 2023 forfeited nonvested accounts totaled \$34,095 and \$21,351 respectively. These accounts are used to pay plan expenses or offset employer matching contributions in future years. For the years ended December 31, 2024 and 2023, amounts forfeited by participants who withdrew from the plan were \$32,515 and \$21,937, respectively. Forfeitures in the amount of \$20,422 and \$10,287, respectively, were used to reduce employer contributions for the years ended December 31, 2024 and 2023. There were no forfeitures used to pay plan expense for the year ended December 31, 2024.

Hardship Distributions

Participants may receive hardship distributions from their vested account balances if they meet the Plan's and IRC's definition of having an immediate and serious financial need and have previously obtained all other available distributions.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the companies. Expenses that are paid by the companies are excluded from these financial statements. Fees related to the administration of notes receivable are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Contributions and Contributions Receivable

Contributions are recorded on the accrual basis. Contributions receivable are obligations arising from amounts owed to the Plan from participants or the companies.

Payment of Benefits

Benefits are recorded when paid.

**KENNEDY AUTOMOTIVE GROUP, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. For the years ended December 31, 2024 and 2023, a liability of \$39,344 and \$62,442, respectively, was recorded for excess contributions distributed to applicable participants in 2025 and 2024 before the date required by the Internal Revenue Service.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator and Plan Sponsor determine the Plan's valuation policies utilizing information provided by the trustees, custodians, and investment advisors. See note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued.

**NOTE C - FAIR VALUE MEASUREMENTS**

The Plan measures, on a recurring basis, its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification Fair Value Measurement, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. These generally provide the most reliable evidence and are used to measure fair value whenever available.

**KENNEDY AUTOMOTIVE GROUP, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE C - FAIR VALUE MEASUREMENTS (continued)**

Level 2 Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets and other observable inputs.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The Plan's investments are held by Transamerica Life Insurance and Annuity Company. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

**Pooled Separate Accounts:** The Plan's investment in Pooled Separate Accounts are valued at net asset value practical expedient (NAV practical expedient) as reported by the fund manager. The NAV practical expedient is based on the fair value of underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a pooled separate account is calculated based on the compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund.

**Fully Benefit-Responsive Investment Contract:** Valued at contract value based on participant contributions and interest earned less withdrawals and allocated administrative expenses. The investment is guaranteed and valued by Transamerica (see note E for explanation). Contract value is considered to be fair value.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain investments or financial instruments could result in a different fair value measurement at the reporting date.

**KENNEDY AUTOMOTIVE GROUP, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE C - FAIR VALUE MEASUREMENTS (continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
	\$ -	\$ -	\$ -	\$ -
Total	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	-
Investments measured at NAV practical expedient				<u>33,575,431</u>
Total Investments				<u>\$ 33,575,431</u>

Assets at Fair Value as of December 31, 2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
	\$ -	\$ -	\$ -	\$ -
Total	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	-
Investments measured at NAV practical expedient				<u>29,931,094</u>
Total Investments				<u>\$ 29,931,094</u>

The Plan's policy is to recognize transfers between level 1 and 2 and into and out of level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2024, there were no significant transfers between level 1 and 2 and no transfers into or out of level 3.

**NOTE D - INFORMATION CERTIFIED BY THE TRUSTEE - UNAUDITED**

The Plan administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets held at year end, including investment income and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Transamerica Life Insurance and Annuity Company (the trustee of the Plan).

**KENNEDY AUTOMOTIVE GROUP, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The Plan offers a stable value investment option through a fully benefit-responsive investment contract (FBRIC) issued by Transamerica Life Insurance Company (TLIC). Under the terms of the contract, participant contributions, less withdrawals, are deposited into the general account of TLIC. The contract is back by the general account of TLIC. Any guarantees are subject to the claims-paying ability of TLIC. The investment choice is not guaranteed by the FDIC or any other insurance company.

The investment is designed to provide participants with a fixed rate of return and to preserve principal. Interest is credited, based on the daily balance, at a rate that is the daily equivalent of the effective annual interest rate. The effective annual interest is established by TLIC on January 1st and July 1st. The rate is announced at least 45 days prior to the effective date and is guaranteed for the 6 month period. The guaranteed credit interest rate for the period are as follows:

The average yields for the Stable Value Option are as follows:

	December 31,	
	<u>2024</u>	<u>2023</u>
Based on actual earnings credited to plan	2.76%	2.08%
Based on average declared interest rate	2.50%	2.10%

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value is considered to be fair value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletions of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without consent of the issuer.

**KENNEDY AUTOMOTIVE GROUP, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE F - TAX STATUS**

The Company has adopted a volume submitter defined contribution plan sponsored by Transamerica Life Insurance and Annuity Company. The volume submitter plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, as to the Plan's qualified status. The IRS has determined that the volume submitter plan is designed in accordance with the applicable sections of the Internal Revenue Code. The volume submitter plan opinion letter has been relied upon by this Plan. Although the Plan has been amended subsequently, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE G - FIDELITY BOND**

The Plan was covered by a fidelity bond for the years ended December 31, 2024 and 2023 which was within the prescribed limits as set forth by the ERISA.

**NOTE H - RELATED PARTY TRANSACTIONS**

The majority of Plan investments consist of shares of pooled separate accounts managed by Transamerica Life Insurance and Annuity Company. Transamerica Life Insurance and Annuity Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services for the years ended December 31, 2024 and 2023, totaled \$10,005 and \$7,687, respectively. Various indirect investment expenses were paid for from the participant investment earnings as described on Form 5500 Schedule C. All other investment fees were paid directly by the Plan Sponsor.

Beginning in 2016, the Plan began using an Expense Budget Account. This arrangement with Transamerica returns investment fees to the Plan. The Plan holds this money in a general account to be used to offset future plan expenses. As of December 31, 2024 and 2023, the Plan was holding \$2 and \$49,967, respectively, in the Expense Budget Account. This money is available to offset plan expenses in future years.

**KENNEDY AUTOMOTIVE GROUP, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE I - PLAN TERMINATION**

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE J - RISK AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE K - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2024 and 2023, to form 5500:

	December 31, <u>2024</u>	December 31, <u>2023</u>
Net Assets Reflected on Form 5500 at Fair Value	\$ 36,926,579	\$ 34,452,310
Excess Contributions Payable	<u>(39,344)</u>	<u>(62,442)</u>
Net Assets Reflected in the Financial Statements	<u>\$ 36,887,235</u>	<u>\$ 34,389,868</u>

The following is a reconciliation of the change in net assets available for benefits per Schedule H of Form 5500 to the financial statements for the year ended December 31, 2024:

	<u>2024</u>
Increase in Net Assets Available for Benefits per the Form 5500	\$ 2,474,270
Change in Excess Contributions Payable	<u>23,097</u>
Increase in Net Assets Available for Benefits per the Financial Statements	<u>\$ 2,497,367</u>

**NOTE L - DELINQUENT PARTICIPANT CONTRIBUTIONS**

For the year ended December 31, 2024 and 2023, submissions in the amount of \$3,311 and \$11,613 were determined to be late by the standards set forth by the Department of Labor and corrected in 2025 and 2024. The Plan corrected these late submissions by calculating and submitting lost earnings. The Plan also filed IRS Form 5330, Return of Excise Taxes Related to Employee Benefit Plans. Plan management feels they have taken the appropriate steps to correct these errors both currently and moving forward.
