## INDEPENDENT AUDITOR'S REPORT

To the Investment Committee  
MLG/Valiant 401(k) Plan  
Brookfield, Wisconsin

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of MLG/Valiant 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MLG/Valiant 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MLG/Valiant 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MLG/Valiant 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MLG/Valiant 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MLG/Valiant 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of assets (held at end of year) and Schedule H, Line 4a – Schedule of delinquent contributions as of December 31, 2024, are presented for purposes of additional analysis is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MLG/VALIANT 401(K) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024

---

**NOTE A -- Description of the plan and significant accounting policies**

The following description of the MLG/Valiant 401(k) Plan ("the plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions. The plan was established August 1, 1996, and the employer, as described below, has adopted the CCH Incorporated, DBA ftwilliam.com Non-standardized Profit Sharing Plan with the latest restatement effective January 1, 2022.

**General**

The plan is a defined-contribution plan covering all eligible employees of MLG Services Corp ("SVC), Pointe Real Estate Management, LLC (formerly known as MLG Management USA LLC) ("Pointe"), and Valiant Enterprises LLC ("Valiant") (herein collectively referred to as "the company" or "employer") who have one month of service and are age 18 or older. The plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Investment Committee oversees governance of the plan, determines the appropriateness of the plan's investment offerings and monitors investment performance.

The plan's federal identification number is 27-1281116, and the plan's number is 001.

**Contributions**

Each year, participants may contribute the maximum allowed by law of annual compensation, as defined in the plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. Participants direct the investment of their contributions into various investment options offered by the plan or outside the plan. The company contributes 50% of the first 6% of base compensation that participants contribute to the plan as a discretionary matching contribution. The company also has the right to make additional contributions to be allocated to participants pro rata based on compensation. To be eligible for discretionary contributions a participant must be employed by the company on the last day of the plan year and complete 1,000 hours of service in the plan year. No additional discretionary contributions were made for 2024. Annual contributions from all sources are subject to certain limitations defined by the Internal Revenue Service (IRS).

**Participant accounts and "rollovers"**

Each participant's account is credited with the participant's contribution and allocations of (a) the employer's matching and discretionary contribution, (b) plan earnings and (c) charged with an allocation of administrative expenses. Allocations of plan earnings are based on participant account balances, as defined, and allocation of employer contributions are based on participants' compensation, as provided in the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The plan permits the transfer of funds from other qualified plans to a separate participant's rollover account.

**Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested ratably after five years of credited service. Participants who leave the plan because of death or disability, as defined in the plan, are considered 100% vested in all amounts.

**MLG/VALIANT 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2024

---

**NOTE A -- Description of the plan and significant accounting policies (Continued)**

**Notes receivable from participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate (7.5% at December 31, 2024) set by the Wall Street Journal on the first business day of the month the loan is originated. Principal and interest is paid ratably through payroll deductions.

**Benefits**

On termination of service due to death, disability, retirement (age 62), or termination of service due to other reasons, a participant with an account balance less than \$5,000 will receive the value of the vested interest in their account as a lump-sum distribution. For accounts exceeding \$5,000, the terminated participant may elect a lump-sum distribution, subsequently equal annual installments, or more frequent installments over a period not to exceed the joint life expectancy of the participant and his/her beneficiary or partial withdrawals; or may elect to defer such distribution to any valuation date subsequent to their termination, but no later than the valuation date of their normal retirement date; or the participant may elect to rollover the distribution to another qualified plan. The plan permits in-service distributions at age 59 ½. The plan also permits hardship distributions if certain criteria are met.

**Forfeited accounts**

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$19,283 and \$51,991, respectively. These accounts can be used to restore forfeitures, reduce company contributions or pay plan administrative expenses. In 2024, company contributions were reduced by \$112,519 from forfeited nonvested accounts.

A summary of significant accounting policies follows:

**Basis of accounting**

The financial statements of the plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the plan.

**Use of estimates**

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**NOTE A -- Description of the plan and significant accounting policies (Continued)**

**Investment valuation and income recognition**

The plan's investments (except for fully benefit-responsive investment contracts, which are reported at contract value) are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan's Investment Committee determines the plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of benefits**

Benefits are recorded when paid.

**Administrative fees**

The employer pays some of the administrative expenses of maintaining the plan which are excluded from the financial statements. The major administrative expenses are asset custodian, investment advisory and third party administration services.

**Notes receivable from participants**

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded.

**Excess contributions payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions and an adjustment to net appreciation to fair value of investments. The plan distributed the 2024 and 2023 excess contributions to the applicable participants subsequent to each year end.

**Subsequent Events**

These financial statements have not been updated for subsequent events occurring after October 10, 2025, which is the date these financial statements were available to be issued. The plan has no responsibility to update these financial statements for events and circumstances occurring after this date.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2024

**NOTE B -- Information certified by the asset custodians and trustee**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and interest and dividends, net appreciation, other income and interest on notes receivable from participants for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (Empower), the asset custodian of the Plan.

**NOTE C -- Guaranteed investment contract with insurance company**

The plan entered into a traditional fully benefit-responsive guaranteed investment contract with GWLA. GWLA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan.

Because the guaranteed investment contract meets the criteria to be fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value. Contract value, as reported to the plan by GWLA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2024 and 2023, was \$592,479 and \$551,261, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) the plan sponsor offers a competing fund without GWLA's agreement, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) closing or disruption of financial markets or exchanges. The plan administrator does not believe that any events which would have limited the plan's ability to transact at fair value with participants are probable of occurring.

The employer or GWLA may terminate the contract with advance written notice to the other party. The contract termination date would be the 60<sup>th</sup> day after the date written notice is received.

U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- Registered investment companies. Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.
- Self-directed brokerage accounts. Self-directed brokerage accounts primarily include common stocks, registered investment companies and options. Common stocks, registered investment companies and options are valued at the closing price reported on the active market on which individual securities are traded.

---

**NOTE D -- Fair value measurements (Continued)**

Gains and losses (realized and unrealized) included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024 are reported in net appreciation in fair value of investments. Unrealized gains (losses) from the guaranteed investment contract are not reported in the Statement of Changes in Net Assets Available for Benefits as the contract is recorded at contract value for presentation in the Statements of Net Assets Available for Benefits.

**NOTE E -- Party-in-interest transactions**

Empower is the asset custodian of the plan as of December 31, 2024 and 2023, and is therefore designated as a fiduciary and party-in-interest. Empower Annuity Insurance Company, performs recordkeeping for the plan under the name Empower Retirement. The plan regularly invests in mutual funds in which Empower or its affiliates are the issuing parties. These party-in-interest transactions occur in the course of ordinary business and are exempt transactions.

Fees were also paid by the plan during the year for administrative services provided by Blue Chip Retirement Plans, Inc., and investment services provided by Operose Advisors, LLC and Empower Advisory Group LLC. These transactions also qualify as party-in-interest transactions.

Empower and Empower Retirement (the providers) provide certain administrative and advisory services to the plan pursuant to a Plan Service Agreement (PSA) between the employer and Empower. Empower receives revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the employer.

If the revenue received by Empower from such mutual fund service providers exceeds the amount owed, Empower remits the excess to the plan's trust on a quarterly basis. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants. During 2024 there was \$53,781 of excess amounts which are recorded as other income on the Statement of Changes in Net Assets Available for Benefits. The plan or plan sponsor may make a payment to Empower for administrative expenses not covered by revenue sharing.

**NOTE F -- Concentration of market risks**

The plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

**NOTE G -- Tax status**

The CCH Incorporated, DBA ftwilliam.com Non-standardized Profit Sharing Plan that the plan has adopted effective January 1, 2022, obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The plan has been amended since the date of the opinion letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the plan was qualified and the related trust was tax-exempt as of the financial statement date.

**NOTE H -- Plan termination**

Although it has not expressed any intent to do so, the employer has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their allocated company contributions.

**NOTE J -- Excess contributions payable**

The plan failed the discrimination test for the years ended December 31, 2024 and 2023. Excess contributions amounting to \$14,486 and \$6,077 at December 31, 2024 and 2023, respectively are recorded as a liability in the accompanying Statements of Net Assets Available for Benefits and as a reduction of participant-directed contributions for the years then ended. The plan will reimburse these excess contributions to its participants. For purposes of the Form 5500, these excess contributions are not recorded until the year paid.

**NOTE K -- Plan amendments**

Effective June 1, 2023, the plan was amended to change the eligibility period to participate in the plan from two months of service to one month of service.

**NOTE L-- Delinquent participant contributions**

The plan sponsor did not comply with Department of Labor Regulation 2510.3-102 requiring the deposit of employee deferrals into the Plan trust as soon as the contributions can reasonably be segregated from the employer's general assets, but no later than 15 business days following the month in which the deferrals were withheld from the employees, a nonexempt transaction with a party-in-interest (prohibited transaction). The plan sponsor made a contribution to the Plan in 2025 in order to correct for the lost earnings to the participants calculated as a result of the prohibited transaction related to the year ended December 31, 2023. A summary of the delinquent contributions is presented in the supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions.
