To The Trustees of
Chelsea Building Products, Inc.
Retirement Savings / 401(k) Plan
Oakmont, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Chelsea Building Products, Inc. Retirement Savings / 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note (C) to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets Held for Investment Purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS / 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE (A) DESCRIPTION OF PLAN

Chelsea Building Products, Inc. (the "Company") established the Chelsea Building Products, Inc. Retirement Savings/401(k) Plan (the "Plan") effective March 1, 1997. The Plan is a qualified defined contribution plan established to provide retirement benefits to eligible employees of the Company.

The following provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

DEFINED CONTRIBUTION

The plan is a defined contribution plan as defined by Section 414(i) of the Internal Revenue Code as amended by ERISA.

EMPLOYEE PRE-TAX CONTRIBUTIONS

The Plan permits participants to make pre-tax voluntary contributions ranging from 1% to 90% of compensation. Additional voluntary after-tax contributions are also permitted. Compensation is defined by the Plan document. The contribution limitation for 2024 was \$23,000. Individuals who attain age 50 by the end of the plan year may make additional pre-tax catch-up contributions of up to \$7,500 for 2024.

PARTICIPATION

Effective January 1, 1998, participation requirements state that an employee be at least 18 years of age and have been employed for three months. The employee would be able to immediately participate after attaining three months of employment.

EMPLOYER CONTRIBUTIONS

a. Matching Contributions

Effective January 1, 1998, the matching provision requires the Company to match 50% of the first 4% of an employee's pre-tax voluntary contribution for the year.

b. Discretionary Contributions

At the end of each Plan year, the Company may make a discretionary contribution to the accounts of participants who are employed on the last day of the Plan year and who worked at least one thousand (1,000) or more hours during the Plan year. There were no discretionary contributions made to the Plan for the years ended December 31, 2024 and 2023.

ALLOCATION OF CONTRIBUTIONS

The employer matching contributions for each plan year are allocated to the eligible participants weekly.

NOTE (A) DESCRIPTION OF PLAN (CONTINUED)

VESTING

Participants are immediately fully vested in any voluntary pre-tax contributions. The vesting of employer matching and discretionary contributions is based upon each participant's years of credited service as outlined in the following schedule. A year of service is credited upon completion of one thousand (1,000) hours worked during a calendar year.

YEARS OF CREDITED SERVICE	VESTING
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

INVESTMENT OPTIONS

The assets of the Plan are held in a trust fund maintained by Fidelity Management Trust Company and, upon direction by the Plan administrator, the Trustee pays all benefits under the Plan. The Company has the right to change a trustee or to appoint additional trustees at any time.

Upon enrollment in the Plan, a participant may direct the investment of their plan assets in any of various funds available from the Trustee. The following funds were available at December 31, 2024:

Fidelity Advisor Stable Value Portfolio	TRP Retire 2040 ADV Fund
TRP Retire 2020 ADV Fund	TRP Retire 2030 ADV Fund
JP Morgan Mid Cap Value Fund	TRP Retire 2050 ADV Fund

Fidelity Advisor Strategic Income Fund	JP Morgan Large Cap Growth Fund
Columbia Mid Cap Index Fund	TRP Retire Bal ADV Fund
Pimco Total Return Fund	TRP Retire 2065 ADV Fund
TRP Retire 2060 ADV Fund	

PAYMENTS OF BENEFITS

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

If the vested account balance is less than \$1,000, the Plan administrator may direct the Trustee to distribute it to the participant as a lump-sum distribution without the participant's consent. If the vested account balance is greater than \$1,000, but does not exceed \$5,000, the employer may direct the Plan to automatically rollover the participant's entire balance to an IRA with the Plan's Trustee, unless specific distribution instructions are received from the participant within a certain timeframe.

NOTE (A) DESCRIPTION OF PLAN (CONTINUED)

FORFEITURES

Forfeitures occur when an employee terminates employment without having achieved 100% (one hundred percent) vesting.

Forfeitures are generally used to reduce the employer matching contributions or discretionary contributions for the plan year in which the forfeitures occurred. The forfeiture account balance is \$93,251 and \$70,593, at December 31, 2024 and 2023, respectively.

ADMINISTRATIVE EXPENSES

The Plan and the Plan sponsor share the Plan's administrative expenses.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow a minimum of \$1,000 from their fund accounts, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loans Fund. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate at the beginning of the calendar quarter in which the loan is made plus one percent. Principal and interest is paid ratably through weekly payroll deductions.

NOTE (B) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACCOUNTING METHOD

The accrual method of accounting is being used for financial statement presentation. Under this method, revenue is recorded when earned and expenses are recorded when incurred without regard to the time of cash receipt and disbursement.

CASH AND CASH EQUIVALENTS

The Plan considers cash balances maintained by the trustee to be cash equivalents.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant notes receivable are valued at their outstanding balances, which approximate fair value. See additional fair value information in Note (E).

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income is recorded on the accrual basis.

NOTE (E) FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in an active market. This level includes common stocks, corporate bonds or mutual funds based on the closing price reported in the active market where the securities are traded.

Level 2—Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation, or other means.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE (H) TRANSACTIONS WITH PARTIES IN INTEREST

Fees paid during the year for accounting and other services rendered by parties in interest were based on customary and reasonable rates for such services.

NOTE (I) RISKS AND UNCERTAINTIES

The plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE (J) SUBSEQUENT EVENTS

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 29, 2025, the date on which the financial statements were available to be issued.

To The Trustees of
Chelsea Building Products, Inc.
Retirement Savings / 401(k) Plan
Oakmont, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Chelsea Building Products, Inc. Retirement Savings / 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note (C) to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets Held for Investment Purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CHELSEA BUILDING PRODUCTS, INC.
RETIREMENT SAVINGS / 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE (A) DESCRIPTION OF PLAN

Chelsea Building Products, Inc. (the "Company") established the Chelsea Building Products, Inc. Retirement Savings/401(k) Plan (the "Plan") effective March 1, 1997. The Plan is a qualified defined contribution plan established to provide retirement benefits to eligible employees of the Company.

The following provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

DEFINED CONTRIBUTION

The plan is a defined contribution plan as defined by Section 414(i) of the Internal Revenue Code as amended by ERISA.

EMPLOYEE PRE-TAX CONTRIBUTIONS

The Plan permits participants to make pre-tax voluntary contributions ranging from 1% to 90% of compensation. Additional voluntary after-tax contributions are also permitted. Compensation is defined by the Plan document. The contribution limitation for 2024 was \$23,000. Individuals who attain age 50 by the end of the plan year may make additional pre-tax catch-up contributions of up to \$7,500 for 2024.

PARTICIPATION

Effective January 1, 1998, participation requirements state that an employee be at least 18 years of age and have been employed for three months. The employee would be able to immediately participate after attaining three months of employment.

EMPLOYER CONTRIBUTIONS

a. Matching Contributions

Effective January 1, 1998, the matching provision requires the Company to match 50% of the first 4% of an employee's pre-tax voluntary contribution for the year.

b. Discretionary Contributions

At the end of each Plan year, the Company may make a discretionary contribution to the accounts of participants who are employed on the last day of the Plan year and who worked at least one thousand (1,000) or more hours during the Plan year. There were no discretionary contributions made to the Plan for the years ended December 31, 2024 and 2023.

ALLOCATION OF CONTRIBUTIONS

The employer matching contributions for each plan year are allocated to the eligible participants weekly.

NOTE (A) DESCRIPTION OF PLAN (CONTINUED)

VESTING

Participants are immediately fully vested in any voluntary pre-tax contributions. The vesting of employer matching and discretionary contributions is based upon each participant's years of credited service as outlined in the following schedule. A year of service is credited upon completion of one thousand (1,000) hours worked during a calendar year.

YEARS OF CREDITED SERVICE	VESTING
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

INVESTMENT OPTIONS

The assets of the Plan are held in a trust fund maintained by Fidelity Management Trust Company and, upon direction by the Plan administrator, the Trustee pays all benefits under the Plan. The Company has the right to change a trustee or to appoint additional trustees at any time.

Upon enrollment in the Plan, a participant may direct the investment of their plan assets in any of various funds available from the Trustee. The following funds were available at December 31, 2024:

Fidelity Advisor Stable Value Portfolio	TRP Retire 2040 ADV Fund
TRP Retire 2020 ADV Fund	TRP Retire 2030 ADV Fund
JP Morgan Mid Cap Value Fund	TRP Retire 2050 ADV Fund
TRP Divers Mid Cap Growth Fund	TRP Retire 2045 ADV Fund
Fidelity 500 Index Fund	Columbia Dividend Inc ADV Fund
TRP Retire 2035 ADV Fund	Fidelity Advisor Small Cap Fund
TRP Retire 2015 ADV Fund	MFS Intl Value Fund
TRP Retire 2025 ADV Fund	TRP Retire 2055 ADV Fund
Fidelity Advisor Strategic Income Fund	JP Morgan Large Cap Growth Fund
Columbia Mid Cap Index Fund	TRP Retire Bal ADV Fund
Pimco Total Return Fund	TRP Retire 2065 ADV Fund
TRP Retire 2060 ADV Fund	

PAYMENTS OF BENEFITS

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

If the vested account balance is less than \$1,000, the Plan administrator may direct the Trustee to distribute it to the participant as a lump-sum distribution without the participant's consent. If the vested account balance is greater than \$1,000, but does not exceed \$5,000, the employer may direct the Plan to automatically rollover the participant's entire balance to an IRA with the Plan's Trustee, unless specific distribution instructions are received from the participant within a certain timeframe.

NOTE (A) DESCRIPTION OF PLAN (CONTINUED)

FORFEITURES

Forfeitures occur when an employee terminates employment without having achieved 100% (one hundred percent) vesting.

Forfeitures are generally used to reduce the employer matching contributions or discretionary contributions for the plan year in which the forfeitures occurred. The forfeiture account balance is \$93,251 and \$70,593, at December 31, 2024 and 2023, respectively.

ADMINISTRATIVE EXPENSES

The Plan and the Plan sponsor share the Plan's administrative expenses.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow a minimum of \$1,000 from their fund accounts, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loans Fund. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate at the beginning of the calendar quarter in which the loan is made plus one percent. Principal and interest is paid ratably through weekly payroll deductions.

NOTE (B) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACCOUNTING METHOD

The accrual method of accounting is being used for financial statement presentation. Under this method, revenue is recorded when earned and expenses are recorded when incurred without regard to the time of cash receipt and disbursement.

CASH AND CASH EQUIVALENTS

The Plan considers cash balances maintained by the trustee to be cash equivalents.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant notes receivable are valued at their outstanding balances, which approximate fair value. See additional fair value information in Note (E).

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income is recorded on the accrual basis.

NOTE (E) FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in an active market. This level includes common stocks, corporate bonds or mutual funds based on the closing price reported in the active market where the securities are traded.

Level 2—Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation, or other means.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE (H) TRANSACTIONS WITH PARTIES IN INTEREST

Fees paid during the year for accounting and other services rendered by parties in interest were based on customary and reasonable rates for such services.

NOTE (I) RISKS AND UNCERTAINTIES

The plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE (J) SUBSEQUENT EVENTS

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 29, 2025, the date on which the financial statements were available to be issued.
