INDEPENDENT AUDITOR'S REPORT

To the Board of Governors and Audit Committee
Charles E. Smith Life Communities 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Charles E. Smith Life Communities 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Charles E. Smith Life Communities 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Charles E. Smith Life Communities 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Charles E. Smith Life Communities 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Charles E. Smith Life Communities 403(b) Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Charles E. Smith Life Communities 403(b) Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA at December 31, 2024

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHARLES E. SMITH LIFE COMMUNITIES 403(b) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

Note A – Description of Plan

The following description of the Charles E. Smith Life Communities 403(b) Plan (the Plan) is provided for general information purposes only. Participants who desire more complete information should refer to the Charles E. Smith Life Communities 403(b) Plan Summary Plan Description available from the Human Resources Department of Charles E. Smith Life Communities.

General

The Plan is a defined contribution plan established by Hebrew Home of Greater Washington, Inc., and its affiliates Revitz House Corporation, Ring House Corporation and Landow House Inc. (collectively, the Employers), which became effective February 8, 1971 and was amended and restated July 1, 2008 with additional amendments on December 16, 2008 which became effective January 1, 2009. In April 2020, a Plan amendment was approved providing for the waiver of minimum distribution requirements for 2020 as provided under the CARES Act. Formal Plan amendment is pending IRS issuance of approved CARES Act amending language. The Plan is a 403(b) plan and is governed by that section of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Governors has delegated responsibility and authority for the oversight of the Plan, adoption of certain amendments to the Plan, hiring of advisors for the Plan, and providing recommendations regarding the Plan to the Retirement Benefits Committee (RBC). The RBC, whose members consist of management, also determines the appropriateness of the Plan's investments and monitors investment performance. The RBC has engaged a consultant to provide investment fiduciary and retirement planning consulting services. The RBC reports to the Board of Governors annually.

Contributions

All employees are eligible to participate in the Plan with the exception of independent contractors considered leased employees for certain federal income tax purposes. Each year, participants may contribute up to the IRS threshold of pretax annual compensation, as defined in the Plan. Contributions are subject to certain statutory limitations. Participants may also contribute amounts representing distributions from other qualified plans, and at the discretion of the Plan administrator, may be permitted to deposit into the Plan distributions received from certain other plans and IRAs. Participants direct their contributions into various investment options offered by the Plan. The Plan does not include Employer matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and Plan earnings (losses) and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants are vested immediately in their contributions plus actual earnings thereon. As such, participant forfeitures are not applicable.

Note A – Description of Plan (Continued)

Payment of Benefits

On termination of service due to death, disability, or retirement, there are various methods by which benefits may be distributed to the participant from the Plan. The method depends on the participant's marital status, elections made by the participant and spouse (if any), and the size of the vested benefit. All methods of distribution have equivalent values. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants

The Plan has a loan provision in which participants may borrow from their fund accounts, including rollovers, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.5%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions. Loan terms are limited to a maximum of five years per the current plan document unless it is used to acquire a principal residence of the eligible participant at which time the loan may be repaid over a reasonable period of time that exceeds five years.

Accounting Standard Changes

On June 30, 2022, FASB issued Accounting Standards Update (ASU) 2022-03, Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions. The purpose of the ASU is to clarify guidance and introduce new disclosure requirements for equity securities subject to contractual sale restrictions that are measured at fair value in accordance with Topic 820 – Fair Value Measurement. There was no effect on net assets in connection with the implementation of ASU 2022-03 that would affect the accompanying financial statements as of December 31, 2024 and 2023.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. FASB ASC 962 states that contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

CHARLES E. SMITH LIFE COMMUNITIES 403(b) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

Note B – Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Value and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year. Participants direct their contributions into various investment options offered by the Plan.

Payment of Benefits

Benefits are recorded when paid.

Expenses

A portion of Participants' investment earnings in the Plan are allocated to pay administrative expenses which at December 31, 2024 and 2023, totaled \$102,279 and \$82,063, respectively. Investment related expenses are included in net appreciation in fair value of investments.

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Date of Management's Review

Subsequent events were evaluated through September 25, 2025, which is the date the financial statements were available to be issued.

CHARLES E. SMITH LIFE COMMUNITIES 403(b) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

Note C – Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs are observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements - The fair value of money market and mutual funds are based on the closing price reported in the active market where the individual securities are traded, when available.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value on a recurring basis as of December 31, 2024 and 2023 which is readily determinable based on the amount invested in the Plan and interest accumulated on those investments:

Investments at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,300,041	\$ -	\$ -	\$ 12,300,041
Totals investments at fair value	\$ 12,300,041	\$ -	\$ -	\$ 12,300,041

Investments at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,940,693	\$ -	\$ -	\$ 11,940,693
Totals investments at fair value	\$ 11,940,693	\$ -	\$ -	\$ 11,940,693

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the years ended December 31, 2024 and 2023, there were no transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

CHARLES E. SMITH LIFE COMMUNITIES 403(b) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

Note D – Guaranteed Investment Contracts with Insurance Companies

At December 31, 2024 and 2023, the Plan held investments in a traditional fully benefit-responsive guaranteed investment contract with The Variable Annuity Life Insurance Company, (VALIC) (see Note I). VALIC maintains the contributions in a pooled account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Contract value of the fully benefit-responsive guaranteed investment contract at December 31, 2024 and 2023 was \$2,729,323 and \$2,648,838, respectively. The crediting interest rate is based on an agreed-upon formula with the issuer and is reviewed periodically, but not less than annually. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

Contract value, as reported to the Plan by VALIC, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (a) amendments to the Plan documents (including complete and partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events that would cause significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

CHARLES E. SMITH LIFE COMMUNITIES 403(b) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

Note D – Guaranteed Investment Contracts with Insurance Companies (Continued)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Note E – Information Certified by the Trustee

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, VALIC Trust Company, Inc. (see Note I), trustee of the Plan at December 31, 2024 and 2023, has certified the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the schedule of assets (held at end of year) as of December 31, 2024, and the related investment activity and other transactions reflected in the statements of changes in net assets available for benefits for the year ended December 31, 2024 and 2023, and the accompanying notes to the financial statements.

Amounts Certified	<u>2024</u>	<u>2023</u>
Investments at fair value	\$ 12,300,041	\$ 11,940,693
Investments at contract value	2,729,323	2,648,838
Net appreciation in fair value	796,142	1,359,966
Interest income	58,334	51,923
Dividend income	599,428	357,975

Note F – Plan Termination

Although they have not expressed any intent to do so, the Employers have the right under the Plan to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right to benefits. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Employers may determine.

Note G – Income Tax Status

The Plan is required to operate in conformity with the Internal Revenue Code (IRC) to maintain its tax exemption. The Plan sponsor adopted a volume submitter plan pre-approved by the IRS effective January 1, 2020. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

CHARLES E. SMITH LIFE COMMUNITIES 403(b) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

Note H – Risk and Uncertainties

The Plan includes various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note I – Transactions with Parties-In-Interest

American International Group, Inc. (AIG), directly or indirectly, wholly owns VALIC Trust Company, Inc., the trustee of the Plan, VALIC (see Note D), and VALIC Retirement Services Company, the recordkeeper for the Plan. Furthermore, VALIC Retirement Services Company, the recordkeeper for the Plan, is a wholly owned subsidiary of VALIC. Therefore, the investments in the traditional fully benefit-responsive contract qualify as party-in-interest transactions. See Note D for a description of the investment contract with VALIC.

Note J – New Accounting Pronouncements

From time to time, new accounting guidance is issued by the FASB or other standard-setting bodies that is adopted by the Plan as of the effective date, or where permitted, in advance of the effective date. The Plan Sponsor has assessed the recently issued guidance that is not yet effective and believes that the new guidance will not have a material impact on the financial position of the Plan, the results of operations, or cash flows.

Note K – Subsequent Events

In 2025, the RBC of Charles E. Smith Life Communities approved the change of third-party administrator from Corebridge Financial to Principal Financial Group effective January 1, 2026.
