(1) Name: VRAKAS, S.C.

(2) EIN: 39-1453055

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITORS' REPORT

To the Trustees
Orthopedic Surgeons of Wisconsin, S.C. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Orthopedic Surgeons of Wisconsin, S.C. Retirement Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As described in Note 1 to the financial statements, the plan sponsor approved a plan freeze to suspend all contributions into the plan effective January 1, 2025 and effective February 5, 2025, the plan sponsor elected to merge substantially all assets of the plan into the Surgery Partners 401(k) Plan. As a result, substantially all net assets of the plan were transferred into the Surgery Partners 401(k) Plan during 2025.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

ERISA-Required Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Orthopedic Surgeons of Wisconsin, S.C. Retirement Plan

Notes to Financial Statements
December 31, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - Orthopedic Surgeons of Wisconsin, S.C. Retirement Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Plan merger - The plan sponsor approved a plan freeze to suspend all contributions into the plan effective January 1, 2025 and effective February 5, 2025, the plan sponsor elected to merge substantially all assets of the plan into the Surgery Partners 401(k) Plan. As a result, substantially all net assets of the plan were transferred into the Surgery Partners 401(k) Plan during 2025.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2024 through October 6, 2025, which is the date the financial statements were available to be issued.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Key parties of the plan - Orthopedic Surgeons of Wisconsin, S.C. is the plan sponsor, employer and plan administrator. Wisconsin OrthoLazer LLC and OrthoLazer Wisconsin Brookfield LLC are participating employers of the plan. Voya Retirement Insurance and Annuity Company ("Voya") is the custodian of certain plan assets and the investment agent that maintains certain investment and participant records (see Note 6). Sikich LLP is the third-party administrator and tax counsel that performs various compliance tests. Two shareholders of Orthopedic Surgeons of Wisconsin, S.C. are the plan trustees. Pegasus Partners, Ltd. is the plan's investment advisor for the investments held at Voya. The self-directed brokerage accounts are maintained independently by individual participants and have individual third party recordkeepers and investment advisors.

Investments - The plan sponsor determines the Voya investments available to plan participants. The self-directed brokerage accounts are selected by eligible participants electing this option. The participants allocate their contributions and transfer existing balances among the available investment options, including the self-directed brokerage accounts. Participants should refer to the investment account summaries and prospectuses for more information. Earnings, including the investment income (loss) and net appreciation (depreciation) in fair value of investments bought, sold and held during the years are reflected in the statements of changes in net assets available for benefits.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Orthopedic Surgeons of Wisconsin, S.C. Retirement Plan

Notes to Financial Statements
December 31, 2024 and 2023

Following is a description of the valuation methodologies used for investments measured at fair value.

Pooled separate accounts - The pooled separate accounts are valued at the net asset value ("NAV") as provided by Voya. The NAV is generally based on the fair value of the underlying investments held by the separate account less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the separate accounts would sell the investments for an amount different than the reported NAV.

Self-directed brokerage accounts - Primarily consists of mutual funds, exchange-traded funds, common stocks, money market funds, real estate investment trusts and U.S. and corporate bonds, which are classified as level 1 investments, valued at the daily closing price as reported by the investments. The level 1 investments held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily NAV and are deemed to be actively traded.

Additionally, the plan holds investments in limited partnerships, which are valued based on the NAV provided to the plan administrator by the general partners of the limited partnerships. Because of the inherent uncertainty of valuation, the general partners' estimates of fair value may differ from values that would have been used had a ready market existed for such investments, and the differences could be material.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as set forth below.

Investments at fair value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	\$21,769,245	\$ -	\$ -	\$21,769,245
Total investments in the fair value hierarchy	\$21,769,245	\$ -	\$ -	21,769,245
Investments measured at NAV (a), including a portion of the self-directed brokerage accounts				11,488,858
Total investments at fair value				\$33,258,103

Investments at fair value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	\$20,364,190	\$ -	\$ -	\$20,364,190
Total investments in the fair value hierarchy	\$20,364,190	\$ -	\$ -	20,364,190
Investments measured at NAV (a), including a portion of the self-directed brokerage accounts				9,938,800
Total investments at fair value				\$30,302,990

(a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

- (a) The objective of these investments is to provide for capital appreciation primarily by providing senior-secured broadly syndicated and unitranche loans to private equity-owned U.S. companies. The majority of these investments are not redeemable until the term of the stated life, which is generally 10 years. Certain of these investments may be redeemable prior to the term of the stated life with advance notice of at least five business days, however, may be limited to a certain percentage of the NAV of the investment from the most previous calendar quarter. The plan at times commits to make additional capital contributions to various limited partnerships. Any unfunded commitments were insignificant as of December 31, 2024 and 2023.
- (b) The objective of these funds is to seek capital appreciation and current income utilizing a risk profile that is consistent with the target date of the funds.
- (c) The objectives of these funds are to provide for capital appreciation and/or income consistent with the risk and return of the fund type. These funds utilize various U.S. and foreign equity market segments to accomplish their objectives. Certain funds included in these fund types summarized above are considered specialty funds that accomplish their objectives by investing in specific market segments. The specific market segments include investments in real estate investment trusts and real estate companies, federal and other government bonds, corporate bonds, commercial mortgages, floating rate loans and natural resources.

Investment at contract value - The plan has a fully benefit-responsive fixed account investment through an annuity contract issued by Voya. Voya maintains the contributions in a general account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a guaranteed minimum interest rate ("GMIR") for the life of the contract. The contract also provides two declared interest rates; a current rate, determined at least monthly, and a guaranteed minimum floor rate, determined at least annually. The guaranteed minimum floor rate may change after a defined period, but it will never be lower than the GMIR that applies for the life of the contract.

Orthopedic Surgeons of Wisconsin, S.C. Retirement Plan

Notes to Financial Statements
December 31, 2024 and 2023

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of the investment at contract value at any time. However, Voya may limit participant transfers, which are made at contract value, from this investment to other investments within the plan. The transfer limit, if imposed, varies but will never be less than 10% of the balance in the investment as of the date of the transfer, reduced by any transfers made during the same year.

The contract does not have a maturity date and there are no contract provisions that require a distribution at contract value at any specified time. The plan sponsor can request a lump sum distribution with a market value adjustment or an installment payout, at contract value, over a period of years. The contract will continue in full force until all assets have been distributed or no further payments are due.

The plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the plan to transact at contract value with the issuer. As of the date the financial statements were available to be issued, the plan administrator has notified Voya that the plan would be liquidating this investment. The liquidation was completed in 2025 and was subject to an insignificant market value adjustment.

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan documents for more complete information.

General - The plan was established on January 1, 2003 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Prior to the plan freeze effective January 1, 2025, employees were eligible to participate in the plan once they had completed one year of service and had reached age 18. An employee could enter the plan on the first day of the quarter after meeting the eligibility requirements.

Contributions - Contributions were recorded in the year in which the eligible compensation is paid. Prior to the plan freeze on January 1, 2025, contributions to the plan could have been made as follows:

- a. Participants could have contributed a percentage of their compensation subject to certain limitations (elective deferral contribution). The plan also permitted Roth elective deferral contributions.
- b. Rollover contributions were accepted by the plan from other qualified plans.
- c. Safe harbor nonelective contributions were made by the employer for all employees eligible to participate in the plan, with the exception of highly compensated employees ("HCE's") who were not eligible to receive safe harbor nonelective contributions. The safe harbor nonelective contribution was equal to 3% of the employee's eligible compensation in 2024 and 2023 and was generally remitted to the plan monthly. Safe harbor nonelective contributions totaled \$153,000 in 2024 and \$111,000 in 2023.
- d. Nonelective contributions could have been made at the employer's discretion. For purposes of the discretionary nonelective contributions, each participant was classified separately. Owners of Orthopedic Surgeons of Wisconsin, S.C. each received \$46,000 in 2024 and \$43,500 in 2023 as a nonelective contribution. Non-owner HCE's received nonelective contributions equal to 5% of their eligible compensation in 2024 and 2023. Non-HCE's received nonelective contributions equal to 2% of their eligible compensation in 2024 and 2023. Such nonelective contributions were generally remitted to the plan monthly. Discretionary nonelective contributions totaled \$853,000 in 2024 and \$846,000 in 2023.

Notes to Financial Statements
December 31, 2024 and 2023

Participant accounts - Earnings, including investment income (loss) and the fair value appreciation (depreciation), are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral and rollover contributions and an allocation of the employer's contributions. Participants are allowed to change their investment options on a daily basis and are allowed to change their deferral percentage each pay period.

Vesting - Participants are always 100% vested in their elective deferral, rollover contributions, employer safe harbor nonelective contributions and related earnings. Participants begin vesting in employer discretionary nonelective contributions and related earnings upon two years of service, at which time they are 25% vested. Participants become 50% vested after three years of service and are fully vested after four years of service. Upon death, disability or qualified retirement (defined as the later of age 62 or 5 years of service) while employed, participants become 100% vested.

Payment of benefits - Benefits are recorded when paid. Benefit payments may commence upon termination of employment, death, disability, or attainment of normal retirement age. Distributions may be in the form of a single lump sum payment, partial withdrawals or installment payments. In-service distributions are allowed upon reaching age 59½. Hardship withdrawals are permitted under the plan.

Administrative expenses - Certain administrative expenses of the plan are paid by the employer. Certain other fees are paid using plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for distribution fees, loan fees and investment advisory fees on the self-directed brokerage accounts.

Notes receivable from participants - Participants can take out loans against their accounts with the approval of the plan administrator. The minimum loan amount is \$500 and the maximum amount is the lesser of one-half of the participant's vested account balance, or \$50,000. Participants may not have more than three loans outstanding at any given time. The repayment term generally cannot exceed five years except when the loan is for the purchase of a principal residence. As of December 31, 2024, the notes receivable from participants have various repayment schedules through December 2029 with interest rates ranging from 4.25% to 9.50%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

Forfeitures - Forfeitures can be used to reduce employer contributions or pay plan expenses. Forfeitures used to reduce employer contributions were \$13,000 in 2024 and \$3,000 in 2023. Unapplied forfeitures were insignificant as of December 31, 2024 and 2023.

3. PARTY-IN-INTEREST TRANSACTIONS

Voya manages certain plan investments (see Note 6) and is the investment agent that holds custody of these investments, therefore, these transactions qualify as party-in-interest transactions. Direct fees paid by the plan to Voya were insignificant in 2024 and 2023. Voya provides certain administrative services to the plan pursuant to services agreements between them and the plan sponsor. Voya receives revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts that would otherwise be owed by the plan to Voya for their administrative services to the plan.

In addition, the plan has a number of other service providers in connection with the self-directed brokerage accounts. Any transactions between these providers, the plan sponsor and the plan are considered party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

December 31, 2024 and 2023

4. TERMINATION OF PLAN

The employer has the right to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their discretionary nonelective contributions and related earnings.

5. INCOME TAX STATUS

The plan is operating under a Sikich LLP non-standardized pre-approved profit sharing plan that received a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan, however, the plan administrator and tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believes the plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2024 and 2023. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

6. INFORMATION CERTIFIED BY VOYA

Management has obtained certifications from Voya, a qualified institution under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Pooled separate accounts held and the fair values of such as of December 31, 2024 and 2023;
- b. Fixed account investment held and the contract value of such as of December 31, 2024 and 2023;
- c. Interest income from the fixed account investment and net appreciation (depreciation) in fair value of pooled separate accounts during 2024 and 2023; and
- d. Contributions to, withdrawals from, purchases, sales and inter-fund transfers between the fixed account investment and pooled separate accounts during 2024 and 2023.

Since Voya certified the above investment information, Department of Labor regulations allow these investments and related activity to be excluded from the scope of the independent auditors' auditing procedures. All self-directed brokerage accounts and self-directed brokerage account activity for the plan, including contributions, benefit payments, income (loss) from self-directed brokerage accounts, has been subject to the independent auditors' auditing procedures. See the independent auditors' report.
