INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Board of Directors
Jamestown Container Corporation Deferred Savings Plan
Falconer, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Jamestown Container Corporation Deferred Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jamestown Container Corporation Deferred Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jamestown Container Corporation Deferred Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jamestown Container Corporation Deferred Saving Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Jamestown Container Corporation Deferred Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jamestown Container Corporation Deferred Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule identified in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JAMESTOWN CONTAINER CORPORATION DEFERRED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - PLAN DESCRIPTION

The following description of the Jamestown Container Corporation Deferred Savings Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Jamestown Container Corporation (the Plan sponsor) established the Jamestown Container Corporation Deferred Savings Plan (Plan) effective as of October 1, 1990 for the benefit of its employees who are eligible in accordance with the terms of the Plan. It is a defined contribution profit sharing plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is funded through a trust established by the sponsor. The Board of Directors are responsible for oversight of the Plan. They determine the appropriateness of the Plan's investment offerings and monitor investment performance.

The Plan has also been adopted by Western Container Sales Corporation effective October 1, 1990, as well as Jamestown Container of Rochester, Inc. effective March 8, 1994, Jamestown Container of Cleveland, Inc. effective August 5, 1997, and H.P. Neun Company, Inc. effective May 14, 2016. Each of these corporations is a member, along with the Plan sponsor, of a controlled group of corporations as defined in section 414(b) of the Internal Revenue Code of 1986 that includes the sponsor.

Eligibility

Each employee becomes eligible on the first day of the calendar month that follows or is coincident with the later of (1) the employee's satisfaction of the eligibility requirements (non-union, 21 years of age) and (2) the 30th day after the employee's date of hire. See Note J for plan amendment effective November 1, 2024 that changed the age requirement.

Contributions

Eligible participants may choose to defer up to the maximum percentage allowable, not to exceed the limits defined by the Internal Revenue Code Section 401(k), 402(g), 404 and 415. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 25 percent of the first 6 percent of base compensation that a participant contributes to the Plan (See Note J for plan amendment effective November 1, 2024 that increased the Company's contribution). Additionally, the Plan sponsor may also make a discretionary contribution on an annual basis.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

JAMESTOWN CONTAINER CORPORATION DEFERRED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - PLAN DESCRIPTION (CONTINUED)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is vested at a rate of 20 percent each year after two years of credited service, and is 100 percent vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1 percent above the prime rate, as defined by the Plan document. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

On termination of service, participants will receive a lump-sum distribution of the amount equal to the vested interest in their account.

Forfeited Accounts

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$71,613 and \$97,669, respectively. These accounts will be used to pay reasonable expenses of the Plan and reduce future employer contributions. During 2024 and 2023, \$73,474 and \$9,795 were used to pay expenses or fund employer contributions, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note D for discussion of fair value measurements.

JAMESTOWN CONTAINER CORPORATION DEFERRED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, for Department of Labor Form 5500 purposes the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE C - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, dividends and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company (a qualified institution).

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Investments at Fair Value as of December 31, 2024

NOTE E - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments were invested in funds managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions. Capital Bank and Trust Company receives revenue from mutual fund service providers for services it provides to the Plan.

If the revenue received by Capital Bank and Trust Company from such mutual fund service providers exceeds the amount owed under the services agreement Capital Bank and Trust Company remits the excess to the Plan's trust on a quarterly basis. The Plan received \$14,050 and \$13,010 during the years ended December 31, 2024 and 2023, respectively.

Direct fees paid in 2024 and 2023 by the Plan for administrative services amounted to \$17,456 and \$17,285, respectively

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE G - TAX STATUS

The IRS has determined and informed the Company by a letter dated April 15, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax- exempt.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment

NOTES TO FINANCIAL STATEMENTS

NOTE H - RISKS AND UNCERTAINTIES (CONTINUED)

securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 34,197,937	\$ 30,162,075
Less: Cumulative deemed distributions of participant loans	(6,248)	(43,111)
Net assets available for benefits per the Form 5500	<u>\$ 34,191,689</u>	<u>\$ 30,118,964</u>

Deemed distributions are defaulted and unpaid participant loans of active participants that are deemed paid with the note receivable removed from net assets on Form 5500.

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2024, to Form 5500:

Benefits paid to participants per the financial statements	\$ 2,908,171
Add: Current year deemed distributions of participant loans	3,166
Less: Prior year deemed distributions - now distributed participant loans	(40,029)
Benefits paid to participants per Form 5500	<u>\$ 2,871,308</u>

NOTE J - PLAN AMENDMENT AND CHANGES

Effective November 1, 2024, the Plan was amended to incorporate several changes impacting eligibility, employer contributions, in-plan Roth rollover contributions, and distribution thresholds:

Minimum Age Requirement

The minimum age requirement for plan participation was reduced from 21 to 18 years of age. This change allows earlier eligibility for employees to participate in the Plan and to receive employer contributions. Eligible employees now may begin participating in the Plan upon attainment of age 18 and the completion of 30 days of service.

Employer Match Contribution

The Plan's employer match formula was also revised in the amendment. Prior to the amendment, the Plan Sponsor provided for a match equivalent to 25 cents for each \$1.00 contributed up to 6% of participants' pay per pay period. Beginning November 1, 2024, the employer match increased to 40 cents for each \$1.00 contributed up to 6% of

JAMESTOWN CONTAINER CORPORATION DEFERRED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE J - PLAN AMENDMENT AND CHANGES (CONTINUED)

participants' pay per pay period. This change results in a higher benefit of employer contributions to eligible participants' accounts.

In-Plan Roth Rollovers

The Plan was amended to allow participants to directly roll over amounts in their accounts to a designated Roth contribution account in the Plan (referred to as an in-plan Roth rollover contribution). This provision provides participants with additional tax planning flexibility.

Force-Out Distribution Threshold

The amendment also increased the threshold for automatic distribution of small account balances. Prior to the amendment, for any accounts of former participants with vested balances between \$1,000 and \$5,000, the Plan Administrator could direct the trustee to automatically roll over the account to an individual retirement account or annuity. The amendment increased the threshold from \$5,000 to \$7,000, as permitted under the SECURE Act 2.0.

Management evaluated these amendments and concluded they do not have a material impact on the Plan's financial position or the changes in net assets available for benefits as of and for the year ended December 31, 2024. The Plan remains in compliance with applicable federal law and regulatory guidance.

NOTE K - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 6, 2025, the date the financial statements were available to be issued.
