Independent Auditor's Report

To the Board and Trustees and Participants
Ridley's Food Corporation 401(k) Plan
Twin Falls, Idaho

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Ridley's Food Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023 stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management on the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2024 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RIDLEY'S FOOD CORPORATION 401(k) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(1) DESCRIPTION OF THE PLAN

The following description of the Ridley's Food Corporation (the Company) 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) *General*

The Plan was adopted effective December 1, 1990 as a defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent enactments. Empower Retirement, LLC serves as the Plan administrator and Empower Retirement, LLC serves as the Trustee.

(b) *Eligibility*

The Plan covers all employees of the Company other than those identified as excluded employees in the Plan document, who have attained the age of at least 18 years. Employees are also required to have 1,000 hours of service during any consecutive 12-month Plan period in order to be eligible for employer matching contributions.

(c) *Entry Date*

The Plan allows all eligible employees to participate beginning on January 1, April 1, July 1, or October 1, following their date of hire.

(d) *Contributions*

Employees may elect under a salary reduction agreement to contribute to the Plan up to 100 percent of before-tax, gross compensation. Contributions are limited by the Internal Revenue Code, which establishes a maximum contribution amount of \$23,000 and \$22,500 for each of the years ended December 31, 2024 and 2023, respectively. Participants age 50 and over may contribute an additional \$7,500 for each of the years ended December 31, 2024 and 2023, respectively. The Plan also allows participants to designate contributions as ROTH 401(k) contributions. Participants may also rollover funds into the Plan from other qualified plans.

Prior to January 1, 2024, employer contributions are discretionary. However, during 2024 and 2023, the employer elected to make matching contributions to participants' accounts up to a maximum of 50 percent of the first four percent of the participants' annual pretax compensation.

Subsequent to January 1, 2024 the employer will make a safe harbor matching contribution equal to 100% of the participants' salary deferrals that do not exceed 3% plus 50% of the participants' deferral between 3% and 5%. This contribution vests immediately.

(e) *Participants' Accounts*

Each participant's account is credited with (a) the employee's contribution, (b) the employer's contribution, and (c) an allocation of the Plan's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes to Financial Statements

December 31, 2024 and 2023

(1) DESCRIPTION OF THE PLAN (CONTINUED)

(f) Vesting

Prior to January 1, 2024, participant contributions and earnings thereon are 100 percent vested immediately. Employer matching contributions vest at a rate of 20 percent for each year of service starting in the second year from the hire date. Therefore, a participant is 100 percent vested following six years of such service. Participants also become 100 percent vested in Company contributions upon reaching normal or early retirement age prior to termination of employment, and also upon death or disability prior to termination of employment.

Subsequent to January 1, 2024, both participant and employer contributions and earnings thereon are 100 percent vested immediately.

(g) Distribution of Benefits

Benefits are distributed upon retirement, disability, death, or termination of employment. Under certain circumstances, such as in the event of undue hardship, an employee may withdraw his or her contributions prior to the occurrence of these events.

(h) Notes Receivable from Participants

The Plan does not allow for participant loans.

(i) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. However, in the event of Plan termination, participants will become 100 percent vested in their accounts.

(j) Forfeitures

The Plan provides for the non-vested portion of employer contributions and earnings forfeited by employees to be accumulated by the Plan to offset cost associated with administering the Plan and matching employer contributions. Forfeitures totaled \$94,593 and \$52,191 at December 31, 2024 and 2023, respectively.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

(a) Basis of Presentation

The Plan's financial statements are presented on the accrual basis of accounting.

RIDLEY'S FOOD CORPORATION 401(k) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(b) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value or its equivalent for which the fair value is not readily determinable. See Note 3 for information on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes gains and losses on investments bought and sold during the year as well as appreciation and depreciation of the investments held at the end of the year.

(c) Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

(d) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

(e) Administrative Expenses

Costs of administering the Plan are the responsibility of the Plan; however, the Company may participate in these expenses.

(f) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(g) Subsequent Events

Subsequent events have been evaluated through October 10, 2025 the date the financial statements were available to be issued, and there were no matters that materially affect the carrying amounts of the net assets available for benefits as of December 31, 2024.

(h) Plan Amendments

On January 1, 2024 the Plan was amended to adopt a safe harbor provision. Accordingly, there have been changes to the Plan provisions related to both contributions and vesting.

RIDLEY'S FOOD CORPORATION 401(k) PLAN

Notes to Financial Statements

(3) FAIR VALUE OF INVESTMENTS

ASC 820, *Fair Value Measurements and Disclosures*, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities;
- Level 2 - Quoted prices for identical or similar assets or liabilities in markets that are not considered to be active or identical or similar financial instruments for which all significant inputs are observable, either directly or indirectly; and
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In periods of market inactivity, the observability of prices and inputs may be reduced for certain instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or from Level 2 to Level 3.

Notes to Financial Statements

December 31, 2024 and 2023

(4) GUARANTEED INVESTMENT CONTRACT

The guaranteed investment contract is a fully benefit responsive contract with Empower. Empower maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Interest rates are reviewed on an annual basis for resetting. The interest rate credited to participants' accounts and the average yield based on earnings was 1.41 and 1.23 percent as of December 31, 2024 and 2023, respectively.

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include the following: (1) amendments to the Plan's documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on completing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestures or spin-offs of subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

(5) INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained certifications from the Plan's Trustee as of and for the years ended December 31, 2024 and 2023 that all information provided by the Trustee is complete and accurate. Information included in the accompanying financial statements as to investments in the trust fund administered by the Trustee, investment income (loss), and all investment information in the supplemental schedules is presented in reliance solely upon those certifications.

(6) TAX STATUS

The Internal Revenue Service (IRS) has informed the Company in a letter dated March 31, 2008, that the prototype adopted by the Plan, as then designated, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. In addition, the prototype has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

Notes to Financial Statements

December 31, 2024 and 2023

(7) RELATED PARTY TRANSACTIONS

As of December 31, 2024, and 2023 and during the years then ended, the Plan held investments in a guaranteed investment contract managed by Empower. Empower is the Plan administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are not considered prohibited transactions by statutory exemptions under ERISA regulations.

(8) CORRECTIVE DISTRIBUTIONS PAYABLE

The Plan made corrective distribution payments, after year end, to certain participants to return excess contributions as required to satisfy the relevant nondiscrimination provisions of the Plan under ERISA regulations. The amounts are reported as "corrective distributions payable" in the accompanying statements of net assets available for benefits.

(9) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Form 5500 is prepared on a cash basis rather than on an accrual basis. As a result, the differences between the audited financial statements and the IRS Form 5500 at December 31, 2024 and 2023 are as follows:

	2024	2023
Net assets available for benefits per the financial statements	\$ 12,649,796	\$ 10,752,478
Less: Employer contributions receivable	(566,501)	(257,205)
Plus: Excess contributions payable	-	106,409
Net assets available for benefits per the Form 5500	\$ 12,083,295	\$ 10,601,682

The following is a reconciliation of contributions received per the financial statements to the Form 5500 for the year ended December 31, 2024 and 2023:

	2024	2023
Total contributions per the financial statements	\$ 2,475,513	\$ 1,243,360
