## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of  
Steamfitters Surety Fund Local Union #475  
Warren, New Jersey

### *Opinion*

We have audited the financial statements of Steamfitters Surety Fund Local Union #475, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Steamfitters Surety Fund Local Union #475 as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Steamfitters Surety Fund Local Union #475 and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Steamfitters Surety Fund Local Union #475's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Steamfitters Surety Fund Local Union #475's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Steamfitters Surety Fund Local Union #475's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of  
Steamfitters Surety Fund Local Union #475  
Warren, New Jersey

### *Opinion*

We have audited the financial statements of Steamfitters Surety Fund Local Union #475, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Steamfitters Surety Fund Local Union #475 as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Steamfitters Surety Fund Local Union #475 and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Steamfitters Surety Fund Local Union #475's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Steamfitters Surety Fund Local Union #475's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Steamfitters Surety Fund Local Union #475's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### *(1) Description of the Plan*

The following description of the Steamfitters Surety Fund Local Union #475 (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** - The Plan is a multiemployer collectively bargained defined contribution plan. The Plan was established in accordance with an agreement between Steamfitters Local Union #475 and the Mechanical Contractors' Association of New Jersey, and other independent contractors in 1953. The administration of the Plan is the responsibility of a Board of Trustees, comprised of union and employer trustees. The jurisdiction of the Plan includes Essex and Union Counties, portions of Hunterdon, Mercer, Middlesex, Morris, Somerset and Warren Counties. The Plan covers all members employed under the terms of the collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code.

**Funding Policy** - Contributing employers are required to make contributions to the Plan on behalf of each participant on the basis of a rate fixed by the applicable collective bargaining agreement in effect. Participants are not required to contribute to the Plan. Contributions to the Plan by employers are based on a percentage of participant gross wages as follows:

May 1, 2022 to April 30, 2023	14%
May 1, 2023 to April 30, 2024	16%
May 1, 2024 to April 30, 2025	18%

**Participant Accounts** - The Plan provides for the creation of an individual account, on behalf of each employee participant, to which all employers' contributions are credited. Each participant who has attended an investment seminar sponsored by the Plan may select their investments from the various options offered. Investment earnings and losses are credited to each account daily. Plan expenses are charged partially on a daily basis and also by a quarterly flat charge on each participant account.

**Vesting** - Participants are 100% vested at the time a contribution is made on their behalf. There are no forfeited non-vested accounts.

**Participant Directed Investment Options** - The Plan provides various types of investment options for participants to invest as made available and determined by the trustees. Participants may change their investment options anytime throughout the year.

**Payment of Benefits** - On termination of service due to death, disability, retirement or separation from work covered by the collective bargaining agreement, a participant may elect to receive either a lump sum distribution equal to their account balance, or monthly installments over the lesser of 10 years or their life expectancy.

### *(2) Significant Accounting Policies*

**Basis of Accounting** - The accompanying financial statements are prepared on the accrual basis of accounting.

# STEAMFITTERS SURETY FUND LOCAL UNION #475

## Notes to Financial Statements

---

### *(2) Summary of Significant Accounting Policies (Continued)*

**Adoption of New Accounting Pronouncements** - Effective January 1, 2023, the Plan adopted ASC 326 which changed how entities will measure credit losses for certain financial assets that aren't measured at fair value through changes in net assets available to benefits. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing the Plan's exposure to credit risk and the measurement of credit losses. The primary financial asset held by the Plan that is subject to the guidance in ASC 326 is employers' contributions receivable. The impact of the adoption was not considered material to the financial statements and primarily resulted solely in enhanced disclosures.

On July 30, 2025, the FASB issued Accounting Standards Update (ASU) 2025-05, Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets. This standard allows entities to elect a practical expedient that assumes that current conditions as of the fiscal year-end do not change for the remaining life of the asset. In addition, the standard provides for consideration of subsequent collections in developing reasonable and supportable forecasts as part of estimating expected credit losses. The Plan elected to early adopt this standard in the reporting period ended December 31, 2024.

**Use of Estimates** - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes there in and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

**Investment Valuation and Income Recognition** - Certain investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information principally provided by the Plan's custodian. Fully benefit-responsive contracts held by the Plan are recorded at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Certain costs incurred by the plan for investment management services and transaction fees are included in net appreciation in fair value of investments, rather than as direct payments.

**Employers' Contributions** - The Plan's policy is to recognize contributions based on the latest executed collective bargaining agreement on an individual employer basis. Contributions from participating employers are based on a percentage of the participating employers' wages for covered employees and are payable to the Plan during the subsequent month. Contributions due but not paid prior to year-end are recorded as contributions receivable. The Plan evaluates participating employers' contributions receivable periodically for potential uncollectible amounts based on the likelihood of collection, including subsequent period collection activity. As of December 31, 2024 and 2023, the Plan did not record a credit loss allowance for employers' contributions receivable.

The Board of Trustees has established a program to review participating employer records in order to determine compliance with contribution provisions of the collective bargaining agreement. As a result of this program, previously unreported contributions are identified related to current and prior fiscal years. However, due to the collection efforts required by the Plan, including litigation, the ultimate realization of any additional contribution receivable cannot be reasonably estimated until the collection process is completed. Accordingly, the Plan primarily recognizes these previously unreported contributions in the fiscal year in which the settlement proceeds are received.

*(2) Summary of Significant Accounting Policies (Continued)*

**Payment of Benefits** - Benefit payments to participants are recorded upon distribution.

**Administrative Expenses** - Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. The Plan shares certain administrative expenses with related ERISA plans. In computing these allocated costs, various factors were considered, including the time spent, space used, costs incurred, and volume of transactions relating to the Plan in relation to the other plans.

**Leases** - Leases are categorized at their inception as either operating or financing leases. Operating right-of-use assets and liabilities are recognized at the lease commencement date based on the present value of the lease payments over the lease term. Leased assets represent the Plan's right to use an underlying asset for the lease term, and lease liabilities represent the Plan's obligation to make lease payments arising from the lease. The lease term may include options to extend or terminate the lease when it is reasonably certain that the Plan will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The Plan uses a risk-free discount rate when the rate implicit in the lease contract is not readily determinable.

**Empower Fee Credit** - The Plan receives revenue sharing payments from certain investment managers based on fees they earn from managing Plan assets. These amounts are recognized as other income when earned and used to offset Plan administrative expenses. Revenue sharing is recorded on an accrual basis as the amounts are reasonably estimable and collectible. The total investment fee credit was \$309,020 and \$257,642 for the years ending December 31, 2024 and 2023, respectively.

**Reclassification** - Certain amounts in the prior year financial statements have been reclassified to conform to the current year's presentation. These reclassifications had no effect on the previously reported change in net assets or net assets available for benefits.

**Subsequent Events** - The Plan has evaluated subsequent events through October 6, 2025, the date the financial statements were available to be issued.

*(3) Fair Value Measurements*

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1-Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets, that the Plan has the ability to access.

Level 2-Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**STEAMFITTERS SURETY FUND LOCAL UNION #475**

**Notes to Financial Statements**

---

**(3) Fair Value Measurements (Continued)**

Level 3-Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Interest Bearing Cash Accounts: Valued at amortized cost which approximates fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest Bearing Cash Accounts	\$ 748,962	\$ --	\$ --	\$ 748,962
Mutual Funds	<u>82,063,417</u>	<u>--</u>	<u>--</u>	<u>82,063,417</u>
<b><u>Total Assets at Fair Value</u></b>	<b><u>\$ 82,812,379</u></b>	<b><u>\$ --</u></b>	<b><u>\$ --</u></b>	<b><u>\$ 82,812,379</u></b>
	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest Bearing Cash Accounts	\$ 761,709	\$ --	\$ --	\$ 761,709
Mutual Funds	<u>68,233,074</u>	<u>--</u>	<u>--</u>	<u>68,233,074</u>
<b><u>Total Assets at Fair Value</u></b>	<b><u>\$ 68,994,783</u></b>	<b><u>\$ --</u></b>	<b><u>\$ --</u></b>	<b><u>\$ 68,994,783</u></b>

**Transfers Between Levels** - The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

**(4) Investment Contract with Empower**

The Plan has a contract with Empower. The account is credited with earnings on the underlying investments and charged for participants withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed periodically and reset at least as frequently as quarterly from issue to maturity date.

# STEAMFITTERS SURETY FUND LOCAL UNION #475

## Notes to Financial Statements

---

### ***(4) Investment Contract with Empower (Continued)***

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Empower totaling \$91,371,892 for 2024 and \$95,517,619 for 2023. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan. Such events include (1) the Internal Revenue Service determines that the Plan no longer meets the requirements of Code section 401(a), 403(a), 414(d), 414(e) or any other applicable Code provision, (2) there is a termination or partial termination of the Plan, (3) the Investor breaches a provision of the Agreement.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Average yield:	<u>2024</u>	<u>2023</u>
Based on interest rate credited to participants	3.75%	3.40%

### ***(5) Related Party and Party-in-Interest Transactions***

The Plan pays fees for several arrangements with services providers and affiliated entities. These transactions are considered exempt party in interest transactions under ERISA.

The Plan leases office space on a month-to-month basis from the Steamfitters Pension Fund Local Union #475, along with three other affiliated funds of the Local Union. The current monthly rental payment is \$578 and is subject to annual adjustment on November 30, 2024. Rent expenses for the Plan were \$6,928 and \$6,928 for the years ended December 31, 2024, and 2023, respectively.

Certain administrative expenses incurred by Steamfitters Welfare Fund Local Union #475 and Steamfitters Pension Fund Local Union #475 are allocated throughout the year to the various other affiliated funds of Steamfitters Local Union #475. The Plan's share of the expenses are as follows:

	<u>Years ended</u> <u>December 31,</u>	
	<u>2024</u>	<u>2023</u>
Welfare	\$ 174,192	\$ 155,897
Pension	\$ 53,175	\$ 49,359

Notes to Financial Statements

(5) Related Party and Party-in-Interest Transactions (Continued)

The amounts due to affiliated funds of the Plan at December 31, 2024 and 2023 were \$20,337 and \$15,950, respectively, resulting from the previously described transactions are as follows:

	December 31,	
	2024	2023
Pension Fund	\$ (2,142)	\$ (3,892)
Welfare Fund	<u>(18,195)</u>	<u>(12,058)</u>
<b><u>Totals</u></b>	<b><u>\$ (20,337)</u></b>	<b><u>\$ (15,950)</u></b>

These amounts are unsecured and are typically repaid in the following fiscal year.

(6) Tax Status

The Plan obtained its latest determination letter on March 29, 2012, in which the IRS states that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Plan Termination

Under certain conditions, the Plan may be terminated. Upon termination, the assets then remaining will be subject to the applicable provisions of the Plan then in effect and will be used until exhausted to pay benefits to participants in the order of their entitlement, subject to the provisions of ERISA.

(8) Risks and Uncertainties

**Investment Risk** - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

**Concentration of Credit Risk** - Financial instruments which potentially subject the Plan to concentrations of credit risk are cash, and employers' contributions receivable arising from its normal business activities. The Plan routinely assesses the financial strength of its employers based upon factors surrounding the building trades industry and its geographic locations. A substantial portion of the Plan's income is derived from the employers of this industry which is in turn dependent upon the stability and environment of the local economy. A downturn in the industry would affect employer contributions. A surety bond is required of certain contractors which reduces the risk of possible losses due to delinquent employer contributions.
