## INDEPENDENT AUDITORS' REPORT

To the Plan Advisory Committee of

### SHAMROCK FOODS COMPANY 401(k) PLAN AND TRUST

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of *Shamrock Foods Company 401(k) Plan and Trust* ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by the trustee, and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SHAMROCK FOODS COMPANY  
401(k) PLAN AND TRUST**

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**(1) Description of the Plan**

The following description of the *Shamrock Foods Company* (the “Company”) *401(k) Plan and Trust* (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

- A. General** - The Plan was established January 1, 1991 and is a defined contribution plan covering all employees of the Company who have ninety days of consecutive employment with the Company. The Plan is an investment type plan under Internal Revenue Code Section 401(k) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).
- B. Contributions** - Participants are allowed to contribute up to 75% of pretax annual compensation to the Plan. All employees upon meeting the eligibility criteria are automatically enrolled in the Plan at a deferral rate of 5% unless an election is made to contribute a different percentage or not contribute to the Plan at all. Under the automatic enrollment feature, the Plan will automatically increase a participant’s deferral by 1% annually until a deferral rate of 12% has been reached. The Company matches participant contributions equal to 100% of the first 3% of base compensation, and 50% of the next 2% of base compensation each quarter. The Company may also elect to contribute a discretionary non-elective contribution to eligible participants. The non-elective contribution is allocated as a flat dollar amount to each eligible participant calculated by dividing the total non-elective contribution by the number of eligible participants for that period. The non-elective contribution totaled \$3,729,821 and \$3,702,808 for the years ended December 31, 2024 and 2023, respectively. Participants may also contribute amounts representing distributions from other qualified plans.
- C. Participant accounts** - Each participant’s account is credited with the participant’s contributions and the Company’s matching contributions and allocations of (a) the Company’s non-elective contribution and (b) Plan earnings, and is charged with an allocation of investment management expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- D. Vesting** - Participants are immediately vested in their contributions and Company matching contributions plus actual earnings thereon. Vesting in the Company’s non-elective contribution portion of their accounts plus actual earnings thereon is based on years of vesting service. A participant is 100% vested after six years of vesting service:

<u>Years of Service</u>	<u>Percent Vested</u>
0 – 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$678,703 and \$406,311, respectively. Forfeitures are used to reduce the Plan’s administrative expenses or employer matching contributions. During 2024 and 2023, \$210,046 and \$183,461, respectively, of forfeited non-vested accounts were applied to offset administrative expenses. Forfeitures were also used to reduce employer matching contributions of \$547,797 and \$472,941 for the years ended December 31, 2024 and 2023, respectively. Forfeitures were not used to reduce the profit-sharing for the years ended December 31, 2024 and 2023, respectively.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**(1) Description of the Plan (continued)**

- E. Notes receivable from participants** - Loans are available to participants from a minimum of \$1,000 up to 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing market rates for loans under similar terms (ranging from 4.25% to 9.50% at December 31, 2024). Loan terms range generally from one to twenty years. Principal and interest are paid through payroll deductions.
- F. Payment of benefits** - Upon termination of service due to death, disability, retirement, or termination due to other reasons, a participant will be eligible to receive the value of the participant's vested interest in his or her account in either one or two cash payments or roll the distribution into another qualified plan.
- G. Investment options** - Upon enrollment in the Plan, a participant may direct employee contributions in various investment options. Funds are invested in shares of registered investment companies, a common/collective trust and a money market mutual fund.
- H. Plan termination** - Although it has not expressed an intention to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
- I. Administrative expenses** - Substantially all administrative expenses, to the extent not paid by the Company, are paid from Plan assets including certain transaction and loan origination fees which are paid by the Plan participants.

**(2) Summary of significant accounting policies**

The significant accounting policies followed by the Plan are as follows:

**Basis of accounting** - The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, income is recognized when earned and expenses are recorded when incurred.

**Management's use of estimates** - The preparation of financial statements in conformity U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets and reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

**Investment valuation and income recognition** - Investments in shares of registered investment companies and the money market mutual fund are stated at net asset value, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions. Investment in the common/collective trust is valued at unit value, which is based on the aggregate current fair values of the underlying assets in relation to the total number of units outstanding, or the equivalent of net asset value, which is a practical expedient for estimating the fair value of this investment. These investments may be redeemed daily with a notice period of one day and had no unfunded commitments as of December 31, 2024 or 2023.

The purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains and losses on sales of investments and the unrealized appreciation (depreciation) on those investments.

401(k) PLAN AND TRUST**

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**(2) Summary of significant accounting policies (continued)**

**Notes receivable from participants** - Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

**Concentrations of credit risk** - The Plan provides for various investment fund options, which in turn invest in any combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and the statements of changes in net assets available for benefits.

**Payment of benefits** - Benefits are recorded when paid.

**Subsequent events** - The Plan's management has evaluated subsequent events through October 6, 2025, which is the date the financial statements were available to be issued.

**(3) Tax status**

The Plan is operating under a prototype plan sponsored by Fidelity Management Trust Company. The prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the prototype plan, as then designed, was qualified under Section 401(a) of the IRC. Subsequent amendments to the prototype plan (and adopted by the Plan) are structured and are intended to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt as of the financial statement dates. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

**(4) Information certified by the trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan's assets, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments
- Notes receivable from participants
- Interest and dividends
- Interest income on notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**NOTES TO FINANCIAL STATEMENTS**

**(5) Fair value measurement**

FASB ASC 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment Companies	\$ 420,357,433	\$ -	\$ -	\$ 420,357,433

				<u>6,085,446</u>
				Total investments at fair value
				<u>\$ 435,895,670</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 359,491,874	\$ -	\$ -	\$ 359,491,874

\*In accordance with Subtopic 820-10, certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

**(6) Party-in-interest transactions**

Certain Plan recordkeeping functions are performed by Fidelity Workplace Services, LLC, an organization related to Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee and custodian as defined by the Plan; therefore, transactions with these organizations qualify as party-in-interest transactions. CapTrust Financial Advisors and Mercer Global Advisors, Inc. provides investment advisory services to the Plan during 2024 and 2023; therefore, transactions with this organization also qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity Workplace Services, LLC for administrative fees totaled \$475,886 and \$473,796 for the years ended December 31, 2024 and 2023, respectively. Fees paid by the Plan to CapTrust Financial Advisors and Mercer Global Advisors, Inc. for investment advisory fees totaled \$235,410 and \$195,557 for the years ended December 31, 2024 and 2023, respectively. Other fees paid by the Plan totaled \$13,855 and \$16,780 for the years ended December 31, 2024 and 2023, respectively.

## INDEPENDENT AUDITORS' REPORT

To the Plan Advisory Committee of

### SHAMROCK FOODS COMPANY 401(k) PLAN AND TRUST

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of *Shamrock Foods Company 401(k) Plan and Trust* ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by the trustee, and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SHAMROCK FOODS COMPANY  
401(k) PLAN AND TRUST**

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**(1) Description of the Plan**

The following description of the *Shamrock Foods Company* (the “Company”) *401(k) Plan and Trust* (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

- A. General** - The Plan was established January 1, 1991 and is a defined contribution plan covering all employees of the Company who have ninety days of consecutive employment with the Company. The Plan is an investment type plan under Internal Revenue Code Section 401(k) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).
- B. Contributions** - Participants are allowed to contribute up to 75% of pretax annual compensation to the Plan. All employees upon meeting the eligibility criteria are automatically enrolled in the Plan at a deferral rate of 5% unless an election is made to contribute a different percentage or not contribute to the Plan at all. Under the automatic enrollment feature, the Plan will automatically increase a participant’s deferral by 1% annually until a deferral rate of 12% has been reached. The Company matches participant contributions equal to 100% of the first 3% of base compensation, and 50% of the next 2% of base compensation each quarter. The Company may also elect to contribute a discretionary non-elective contribution to eligible participants. The non-elective contribution is allocated as a flat dollar amount to each eligible participant calculated by dividing the total non-elective contribution by the number of eligible participants for that period. The non-elective contribution totaled \$3,729,821 and \$3,702,808 for the years ended December 31, 2024 and 2023, respectively. Participants may also contribute amounts representing distributions from other qualified plans.
- C. Participant accounts** - Each participant’s account is credited with the participant’s contributions and the Company’s matching contributions and allocations of (a) the Company’s non-elective contribution and (b) Plan earnings, and is charged with an allocation of investment management expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- D. Vesting** - Participants are immediately vested in their contributions and Company matching contributions plus actual earnings thereon. Vesting in the Company’s non-elective contribution portion of their accounts plus actual earnings thereon is based on years of vesting service. A participant is 100% vested after six years of vesting service:

<u>Years of Service</u>	<u>Percent Vested</u>
0 – 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$678,703 and \$406,311, respectively. Forfeitures are used to reduce the Plan’s administrative expenses or employer matching contributions. During 2024 and 2023, \$210,046 and \$183,461, respectively, of forfeited non-vested accounts were applied to offset administrative expenses. Forfeitures were also used to reduce employer matching contributions of \$547,797 and \$472,941 for the years ended December 31, 2024 and 2023, respectively. Forfeitures were not used to reduce the profit-sharing for the years ended December 31, 2024 and 2023, respectively.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**(1) Description of the Plan (continued)**

- E. Notes receivable from participants** - Loans are available to participants from a minimum of \$1,000 up to 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing market rates for loans under similar terms (ranging from 4.25% to 9.50% at December 31, 2024). Loan terms range generally from one to twenty years. Principal and interest are paid through payroll deductions.
- F. Payment of benefits** - Upon termination of service due to death, disability, retirement, or termination due to other reasons, a participant will be eligible to receive the value of the participant's vested interest in his or her account in either one or two cash payments or roll the distribution into another qualified plan.
- G. Investment options** - Upon enrollment in the Plan, a participant may direct employee contributions in various investment options. Funds are invested in shares of registered investment companies, a common/collective trust and a money market mutual fund.
- H. Plan termination** - Although it has not expressed an intention to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
- I. Administrative expenses** - Substantially all administrative expenses, to the extent not paid by the Company, are paid from Plan assets including certain transaction and loan origination fees which are paid by the Plan participants.

**(2) Summary of significant accounting policies**

The significant accounting policies followed by the Plan are as follows:

**Basis of accounting** - The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, income is recognized when earned and expenses are recorded when incurred.

**Management's use of estimates** - The preparation of financial statements in conformity U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets and reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

**Investment valuation and income recognition** - Investments in shares of registered investment companies and the money market mutual fund are stated at net asset value, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions. Investment in the common/collective trust is valued at unit value, which is based on the aggregate current fair values of the underlying assets in relation to the total number of units outstanding, or the equivalent of net asset value, which is a practical expedient for estimating the fair value of this investment. These investments may be redeemed daily with a notice period of one day and had no unfunded commitments as of December 31, 2024 or 2023.

The purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains and losses on sales of investments and the unrealized appreciation (depreciation) on those investments.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**(2) Summary of significant accounting policies (continued)**

**Notes receivable from participants** - Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

**Concentrations of credit risk** - The Plan provides for various investment fund options, which in turn invest in any combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and the statements of changes in net assets available for benefits.

**Payment of benefits** - Benefits are recorded when paid.

**Subsequent events** - The Plan's management has evaluated subsequent events through October 6, 2025, which is the date the financial statements were available to be issued.

**(3) Tax status**

The Plan is operating under a prototype plan sponsored by Fidelity Management Trust Company. The prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the prototype plan, as then designed, was qualified under Section 401(a) of the IRC. Subsequent amendments to the prototype plan (and adopted by the Plan) are structured and are intended to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt as of the financial statement dates. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

**(4) Information certified by the trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan's assets, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments
- Notes receivable from participants
- Interest and dividends
- Interest income on notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**(5) Fair value measurement**

FASB ASC 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Registered investment Companies	\$ 420,357,433	\$ -	\$ -	\$ 420,357,433
Money market mutual fund	9,452,791	-	-	9,452,791
Total investments measured in the fair value hierarchy	\$ 429,810,224	\$ -	\$ -	\$ 429,810,224
Common/collective trust measured at NAV*				6,085,446
Total investments at fair value				\$ 435,895,670

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Registered investment companies	\$ 359,491,874	\$ -	\$ -	\$ 359,491,874
Money market mutual fund	9,722,775	-	-	9,722,775
Total investments measured in the fair value hierarchy	\$ 369,214,649	\$ -	\$ -	\$ 369,214,649
Common/collective trust measured at NAV*				7,392,402
Total investments at fair value				\$ 376,607,051

\*In accordance with Subtopic 820-10, certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024 and 2023

**(6) Party-in-interest transactions**

Certain Plan recordkeeping functions are performed by Fidelity Workplace Services, LLC, an organization related to Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee and custodian as defined by the Plan; therefore, transactions with these organizations qualify as party-in-interest transactions. CapTrust Financial Advisors and Mercer Global Advisors, Inc. provides investment advisory services to the Plan during 2024 and 2023; therefore, transactions with this organization also qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity Workplace Services, LLC for administrative fees totaled \$475,886 and \$473,796 for the years ended December 31, 2024 and 2023, respectively. Fees paid by the Plan to CapTrust Financial Advisors and Mercer Global Advisors, Inc. for investment advisory fees totaled \$235,410 and \$195,557 for the years ended December 31, 2024 and 2023, respectively. Other fees paid by the Plan totaled \$13,855 and \$16,780 for the years ended December 31, 2024 and 2023, respectively.
