INDEPENDENT AUDITORS' REPORT

To The Plan Administrator
J. Calnan & Associates, Inc. 401(k) Plan
Quincy, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of J. Calnan & Associates, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about J. Calnan & Associates, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of J. Calnan & Associates, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about J. Calnan & Associates, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**J. CALNAN & ASSOCIATES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

A. DESCRIPTION OF PLAN:

The following description of the J. Calnan & Associates, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering substantially all employees of J. Calnan & Associates, Inc. (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan excludes union employees, non-resident aliens, residents of Puerto Rico, and interns.
2. Eligibility - Employees age 21 or older are eligible to participate in the elective deferral, employer match, and non-elective components of the Plan when they have completed one month of service. The employee enters the Plan on the first day of the month coinciding with or next following completion of the eligibility requirements.
3. Contributions - Eligible participants are permitted to elect to have a dollar amount or percentage of their compensation contributed as pre-tax 401(k) and/or after-tax Roth contributions to the Plan. Participants age 50 or older are allowed to make catch-up contributions.

The Employer may make discretionary matching contributions. For the year ended December 31, 2024 and 2023, the employer matched 50% of the first 6% of an employee's contribution.

The Employer may, at its discretion, make contributions in excess of the amount of matching contributions to the Plan. The amount of any additional employer contribution is determined by the Board of Directors at each plan year end. Such contributions are allocated to individual participant accounts based on the ratio of an individual's compensation on the last day of the plan year to the total of such compensation for all eligible persons. There were no discretionary matching contributions for the year ended December 31, 2024.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

4. Participant Accounts - Each participant's account is credited with contributions, including employee, employer match, employer profit sharing, and rollover contributions, less any expenses attributable to such contributions. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of profit-sharing contributions, investment income and administrative expenses are based on participants' compensation or account balances, as defined.
5. Vesting - The participants' contributions and earnings thereon are fully vested at all times. Under normal vesting circumstances employer contributions and earnings thereon are 0% vested under two years, 20% vested after two years, 40% vested after three years, 60% vested after four years, 80% vested after five years, and 100% vested after six years or more. Employees also become fully vested in the instance of death, total and permanent disability, plan termination, or the attainment of normal retirement age.

The non-vested portion of a participant's employer contributions is forfeited on the earlier of the distribution of the entire vested portion or on the last day of five consecutive years in which the employee is not credited with more than one hour of service per year as defined in the Plan.

A. DESCRIPTION OF PLAN: (Continued)

6. Notes Receivable From Participants - Participants with Plan account balances may borrow the lesser of \$50,000 or 50% of the participant's vested account balance. Each Loan shall bear a reasonable fixed rate of interest to be determined by the Loan Administrator. Loans are to be repaid at least quarterly on the basis of substantially level amortization within five years from the date the loan is made, except when used to acquire a principal residence where the term can be extended to up to fifteen years.
7. Payments of Benefits - Upon termination of service, a participant may receive a lump-sum distribution, installment payments or an annuity equal to the value of the participant's vested interest in his or her account as defined in the Plan. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the plan administrator may rollover the amount into an individual retirement account on behalf of the participant without the consent of the participant.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. Upon financial hardship, a participant is entitled to the value of his or her deferral accounts, but not the earnings thereon, which is payable immediately in a lump-sum distribution. Benefits are recorded when paid.

8. Forfeitures - Any forfeiture that takes place during the year is first used to reduce administrative expenses and then will be used to reduce any future employer contributions under the plan. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$60,175 and \$112,288, respectively. There were zero and \$15,760 forfeitures used to pay administrative expenses for the years ended December 31, 2024 and 2023, respectively. There were no forfeitures used to reduce Employer contributions for the years ended December 31, 2024 and 2023.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1. Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.
2. Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
3. Investment Valuation and Income Recognition - The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, and the participant note balance is reduced and a benefit payment is recorded.

J. CALNAN & ASSOCIATES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

5. Benefit Payments - Benefit payments are recorded when paid.
6. Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

C. CERTIFICATION OF INVESTMENT INFORMATION:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Empower Trust Company, LLC, the qualified institution of the Plan, has certified to the completeness and accuracy of notes receivable from participants and investment information reflected on the accompanying statement of net assets available for benefits as of December 31, 2024 and 2023, the schedule of assets (held at end of year) as of December 31, 2024, and the related investment activity reflected in the statement of changes in net assets for the year ended December 31, 2024.

D. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

J. CALNAN & ASSOCIATES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

D. FAIR VALUE MEASUREMENTS: (Continued)

The following is a description of the valuation methodologies used for the assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts - Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

Stable Value Funds - Valued at the NAV of units of the fund house or other investment provider. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The investment in a collective investment trusts and stable value fund have a readily determinable fair value, which is determined and published and is the basis for current transactions.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair values as of December 31, 2024 and 2023:

<u>December 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 12,693,049	\$ -	\$ -	\$ 12,693,049
Investments Measured at NAV:				
Collective Investment Trusts				8,128,223
Stable Value Funds				1,305,003
Total Assets at Fair Value				<u>\$ 22,126,275</u>
<u>December 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 10,091,821	\$ -	\$ -	\$ 10,091,821
Investments Measured at NAV:				
Collective Investment Trusts				7,394,471
Stable Value Funds				1,299,650
Total Assets at Fair Value				<u>\$ 18,785,942</u>

E. NOTES RECEIVABLE FROM PARTICIPANTS:

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. At December 31, 2024 and 2023, outstanding notes receivable were \$200,443 and \$207,934, respectively.

J. CALNAN & ASSOCIATES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
(Continued)

F. TAX STATUS:

The Plan is placing reliance on an opinion letter dated June 30, 2020 received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan did not have any uncertain tax positions as of December 31, 2024 and 2023. The Plan is subject to routine audits by taxing jurisdictions; however, management has stated that there are currently no audits for any tax periods pending or in progress.

G. PLAN TERMINATION:

The Employer has stated its intent to continue the Plan indefinitely; however, continuation of the Plan is voluntary on the part of the Employer, and the Employer reserves the right to modify or terminate the Plan at any time. In the event of Plan termination, participants will remain 100% vested in their accounts, net of any expenses necessary to terminate the Plan.

H. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

I. PARTY-IN-INTEREST TRASACTIONS:

Certain Plan investments are managed by Empower Trust Company, LLC and related entities. Empower Trust Company, LLC is the custodian as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Certain fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

J. SUBSEQUENT EVENTS:

Management has evaluated events occurring after the statement of net assets available for benefits date through October 13, 2025, the date on which the financial statements were available to be issued. No material events have been identified which would require disclosure.
