INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
S&A Homes, Inc. Group Health Plan
State College, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **S&A Homes, Inc. Group Health Plan**, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **S&A Homes, Inc. Group Health Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **S&A Homes, Inc. Group Health Plan's** internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **&A Homes, Inc. Group Health Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) - modified cash basis and reportable transactions - modified cash basis, as of or for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES to FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION of the PLAN

The following description of the **S&A Homes, Inc. Group Health Plan** (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General and Plan Amendment

The Plan provides health benefits covering substantially all employees of S&A Homes, Inc., Allied Mechanical & Electrical Inc., Poole Anderson Construction, LLC, and Poole Anderson Properties, LLC (the Corporation). Effective January 1, 2024, the Plan was amended and restated to add S&A Administrative Services, LLC to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

The Plan provides health benefits covering all regular full-time employees of the Corporation scheduled to work at least 30 hours per week, and their spouse, and dependents, eligible upon their date of hire. In addition, owners are eligible for coverage regardless of the number of hours worked per week. Spouses are only eligible for coverage if they are unemployed or the spouse is employed, but not eligible for medical coverage through their employer. Employees must enroll within 30 days of their hire date, or they are not permitted to enroll until open enrollment. Coverage begins the first day of the month following the employee's date of hire. For employees who return to work within 90 days following a layoff or termination, coverage will begin on the first day that all eligibility requirements are met.

Self-Insured Benefits

The health benefits are self-insured by the Corporation. The claims for these self-insured benefits are processed by the Plan's third-party administrators under administrative services only (ASO) arrangements. The third-party administrators pay claims directly to or on behalf of participants. The payments for these claims are paid by the Plan's trust which is funded by the general assets of the Corporation and employee payroll deductions. Despite the Plan's utilization of third-party administrators for claims processing, the ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop-Loss Coverage

The Corporation has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured health benefits (individual participant claims over a specific dollar amount), as well as its aggregate exposure for all claims.

Contributions

The Corporation shall periodically deliver to the Plan such amounts of money as shall be necessary for timely payment of all claims and reasonable administrative expenses of the Plan. The Corporation provides for stop-loss insurance over a specified amount as per agreement with the excess loss carrier, with the premiums being paid by funds of the Corporation. Participant contributions represent a percentage of participant and dependent costs. The Plan is contributory.

COBRA - Consolidated Omnibus Budget Reconciliation Act

Generally effective for Plan years beginning on or after July 1, 1986, the Plan is required to offer continuation of benefits for a specified period of time to qualified employees and their dependents who would not otherwise be eligible for continued coverage because of a particular qualifying event as required by law. Each qualifying individual pays his/her premium directly to the third-party administrators, which is shown as COBRA deposits. COBRA claims and other COBRA expenses are paid by the third-party administrators.

NOTE 1 - DESCRIPTION of the PLAN (Continued)

Pharmacy Rebate Credit

Effective January 1, 2024, the Plan received a fixed pharmacy rebate credit per member per month under its contract with a third-party administrator. The rebates were netted against administrative expenses in the accompanying statements of changes in net assets available for benefits - modified cash basis.

Termination of the Plan

Although it has not expressed any intention to do so, the Corporation has the right under the Plan to modify the benefits provided to and contributions required of participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Corporation must pay the claims incurred and expenses of the Plan due up to the date of termination plus extended benefits, if any, provided under the Plan. Also, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Corporation or be used for purposes other than that or the exclusive benefit to the Plan's participants.

NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan follows the practice of presenting its financial statements in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (US GAAP). Under the modified cash basis of accounting, only revenues collected, costs and expenses paid, and assets and liabilities arising as a result of cash transactions or from the recognition of income due from insurance companies for claims paid or deferred employer contributions are recognized. Investments are recorded at fair value. Fixed pharmacy rebates are netted against administrative fees. Therefore, accrued income and expenses, payables, and deferred expenses, which may be material in amount, are not reflected on the accompanying financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Dividend income is recorded when received by the Plan. Net appreciation (depreciation), if any, includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Claims payments are recorded when paid by the third-party administrators.

Excess loss premiums paid by the Corporation are recorded as payments in the accompanying statements of changes in net assets available for benefits - modified cash basis.

NOTE 2 - SUMMARY of SIGNIFICANT ACCOUNTING POLICIES (Continued)

Stop-Loss

Premiums for stop-loss insurance are recorded as deductions in the accompanying statements of changes in net assets available for benefits - modified cash basis. Stop-loss refunds totaling \$3,161 and \$274,476 for the years ended December 31, 2024 and 2023, respectively, have been netted with claims paid in the accompanying statements of changes in net assets available for benefits - modified cash basis. Stop-loss recoverables totaling \$768 and \$3,373 for the years ended December 31, 2024 and 2023, respectively, have been netted with employer contributions in the accompanying statements of changes in net assets available for benefits - modified cash basis.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those amounts.

Benefit Obligations

Plan obligations at December 31, 2024 and 2023, for health claims incurred by participants are estimated by analyzing actual subsequently paid claims that have dates of service during the reporting period and adding an additional reserve for unreported claims which is determined by the third-party administrator.

Income Taxes

Plan Management evaluates tax positions taken by the Plan and discloses a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Administrative Expenses

Administrative fees paid by the Corporation are recorded in the accompanying statements of changes in net assets available for benefits - modified cash basis.

Certain administrative expenses associated with the Plan are paid directly by the Corporation.

NOTE 3 - ERISA DISCLOSURES

The trust established under the Plan to hold the Plan's assets is a taxable trust account. Income taxes of \$43,281 and \$14,466 were paid by the Plan for the years ended December 31, 2024 and 2023, respectively, and are included in miscellaneous administrative expenses in the accompanying statements of changes in net assets available for benefits - modified cash basis.

Related Party and Party-in-Interest Transactions

The Plan's trust account is with Wilmington Trust. The Plan's money market investments of \$2,401,947 and \$1,814,555 at December 31, 2024 and 2023, respectively, were with Wilmington Trust. Fees of \$900 were paid to Wilmington Trust for each of the years ended December 31, 2024 and 2023.

NOTE 3 - ERISA DISCLOSURES (Continued)

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

There were no prohibited transactions involving a known party-in-interest for the years ended December 31, 2024 and 2023.

NOTE 4 - INVESTMENTS CERTIFIED by the TRUSTEE

At December 31, 2024 and 2023, the Plan's investments were held by the trustee, Wilmington Trust. The following summary of the Plan's financial information that is included in the financial statements contains amounts as of and for the years ended December 31, 2024 and 2023, that are based on information certified by the trustee as complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

	2024	2023
Investments at Fair Value:		
Money Market Fund	2,401,947	1,814,555

Dividend income for the years ended December 31, 2024 and 2023, totaled \$104,340 and \$85,988, respectively.

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

 Quoted prices for similar assets or liabilities in active markets.

 Quoted prices for identical or similar assets or liabilities in inactive markets.

 Inputs other than quoted prices that are observable for the asset and liability.

 Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

S&A Homes, Inc. Group Health Plan

NOTES to FINANCIAL STATEMENTS

(Continued)

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology as of and for the years ended December 31, 2024 and 2023:

Money Market Fund: Valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund is deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money Market Fund	2,401,947	-0-	-0-	2,401,947

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Money Market Fund	1,814,555	-0-	-0-	1,814,555

Level 3 Gains and Losses

There were no Level 3 investments as of or during the Plan years ended December 31, 2024 and 2023.

NOTE 6 - BENEFIT OBLIGATIONS

The following are the Plan's benefit obligations at December 31, 2024 and 2023:

	2024	2023
Claims Payable and Currently Due for Active Participants	43,359	4,658
Claims Incurred but not Reported to the Plan for Active Participants	<u>20,177</u>	<u>58,162</u>
	63,536	62,820

NOTE 6 - BENEFIT OBLIGATIONS (Continued)

The assumed health care cost-trend rates used for the years ended December 31, 2024 and 2023, to measure the expected cost of benefits claims payable and currently due and claims incurred but not reported to the Plan for the next Plan year were 3.4% and -0.5%, respectively.

The Plan does not offer postretirement benefits and, thus, they are not included in the above calculations.

Change in the Plan's Benefit Obligations:

	Years Ended December 31:	
	2024	2023
Claims Payable and Currently Due and Claims Incurred but not Reported:		
Balance at January 1	62,820	78,320
Claims Incurred	1,047,683	1,350,868
Claims Paid, net	<u>(1,046,967)</u>	<u>(1,366,368)</u>
