## Independent Auditor's Report

To the Plan Administrator and Participants of  
Sherwood Management Co., Inc. & Associated 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Sherwood Management Co., Inc. & Associated 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

- We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**401(k) PROFIT SHARING PLAN**  
Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE 1 – PLAN DESCRIPTION**

The following description of the Sherwood Management Co., Inc. & Associated, 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution Plan covering all eligible employees of Sherwood Management Co., Inc. & Associated (the “Employer”) who have completed at least 90 days of service and attained the age of 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Contributions**

Each year, the participants may elect to defer up to 100% of pre-tax annual compensation. The total deferral may not exceed the maximum dollar limit allowed by the IRC of \$23,000, plus \$7,500 if the employee is age 50 or older for 2024. Participants may also contribute amounts representing after-tax ROTH amounts and distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Between January 1, 2022 to December 31, 2023, the Plan was restated to be a safe harbor 401(K) plan. The Employer will make a safe harbor matching contribution equal to 100% of each participant's elective deferrals not exceeding 3% of the Participant's Compensation, plus 50% of each participant's elective deferrals in excess of 3% but not in excess of 5% of the participant's compensation each plan year. For the year ended December 31, 2023, the Employer contributed a Safe Harbor matching of \$548,941 to the Plan. Effective January 1, 2024, the Plan removed its safe harbor feature. The Employer may contribute a matching amount up to a specific percentage or dollar amount of the employees' salaries or contributions. The contribution by the Employer is discretionary and determined yearly. For the year ended December 31, 2024, the Employer contributed a matching portion of \$140,170 and \$2,750 of qualified non-elective contribution (“QNEC”) contributions to the Plan. Contributions are subject to certain IRS limitations.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and Employer matching contributions, as well as allocations of the Employer's profit-sharing contribution and Plan earnings and forfeitures of terminated participants' nonvested accounts. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**NOTE 1 – PLAN DESCRIPTION (Continued)**

**Vesting**

Participants are vested immediately in their contributions and safe harbor Employer match contributions plus actual earnings thereon. Vesting in the Employer’s matching contributions portion of their accounts that are based on years of continuous service as follows:

Years of service	1	2	3	4	5	6
Vesting percentage	0%	20%	40%	60%	80%	100%

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and are measured at their unpaid principal balance plus any accrued but unpaid interest which is recorded on the accrual basis. The loan interest rate, is set at 2% above the prime rate, as defined, and ranges between 5.25% to 10.50%. Principal and interest is paid ratably through monthly payroll deductions. Total loans outstanding of \$908,485 and \$782,904 as of December 31, 2024 and 2023, respectively, are recorded in the Plan’s accompanying financial statements. No allowance was considered necessary as of December 31, 2024 and 2023. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Payment of Benefits**

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the vested interest in the participant's account or installments over a period of not more than the assumed life expectancy of the participant or the beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. Benefits are recorded when paid.

**Forfeitures**

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,810 and \$2,468, respectively. These accounts will be used to pay Plan expenses or reduce future Employer contributions. In 2024, the Plan utilized \$5,068 of forfeitures to pay for 2023 safe harbor Employer contributions and plan expenses.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

December 31, 2024 and 2023

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Share of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Net appreciation includes the Plan's gains and losses on Investments purchased and sold as well as held during the year. See note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contribution to the applicable participants prior to March 15, 2025.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

FASB Accounting Standards Codification ("ASC") 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants. This authoritative guidance further establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value.

This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of inputs used to measure fair value are as follows:

**SHERWOOD MANAGEMENT CO., INC. & ASSOCIATED**  
**401(k) PROFIT SHARING PLAN**

Notes to Financial Statements (Continued)

December 31, 2024 and 2023

**NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)**

- Level 1: Quoted market prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- Level 2: Observable inputs other than quoted market price included in Level 1, such as quote prices of similar assets or liabilities in active markets; quote prices of identical or similar assets or liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies, and similar techniques that use significant observable inputs.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

		As of December 31, 2024			
		Level 1	Level 2	Level 3	Total Fair Value
Assets:					
	Mutual Funds	\$ 23,666,387	\$ -	\$ -	\$23,666,387
		As of December 31, 2023			
		Level 1	Level 2	Level 3	Total Fair Value
Assets:					
	Mutual Funds	\$ 21,306,592	\$ -	\$ -	\$ 21,306,592

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such transfers, the transfer is reported at the beginning of the reporting period. The significance of transfers between levels is based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers between levels for the years ended December 31, 2024 and 2023.

**401(k) PROFIT SHARING PLAN**  
Notes to Financial Statements (Continued)  
December 31, 2024 and 2023

**NOTE 4 – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Capital Bank and Trust Company (“CBT”) has certified all of the information related to investments and promissory notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024 are complete and accurate.

**NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS**

American Funds is the third-party administrator for the Plan. In addition, certain plan investments are shares of mutual funds managed by CBT. CBT is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the earnings on each fund.

**NOTE 6 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

**NOTE 7 – TAX STATUS**

The United States Department of Treasury, Internal Revenue Service (“IRS”) has determined and informed the Employer by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since receiving the determination letter; however, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The related trust, therefore, is not subject to tax under present income tax law.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Employer has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is also subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to Form 5500:

	<b>2024</b>	<b>2023</b>
Net assets available for benefits per the financial statements	\$ 24,618,355	\$ 22,639,493
Employee contributions receivable	-	(1,056)
Employer contributions receivable	(140,170)	(548,941)
Excess contributions payable	96,687	-
Net assets available for benefits per the Form 5500	\$ 24,574,872	\$ 22,089,496

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the year ended December 31, 2024 to Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 1,978,862	
Employer contributions receivable prior year		548,941
Employer contributions receivable current year		(140,170)
Employee contributions receivable prior year		1,056
Excess contributions receivable current year		96,687
Net increase in net assets available for benefits per the Form 5500	\$ 2,485,376	

**NOTE 10 – PROHIBITED TRANSACTIONS AND OPERATIONAL ERROR**

In 2024, the plan's third-party administrator determined there was a need to perform a retest for the 2021 compliance testing operational error and determined the QNEC contribution of approximately \$50,000 was not necessary. However, there was an excess contribution of \$789 paid to six participants that needed to be repaid to the plan. The plan has collected the money from six participants and remitted the total amount to the plan in April 2024 with the respective excise tax paid by the plan sponsor. With the respective amount due to the six participants and an additional \$267 of participants' contributions in connection with a December 2023 payroll that was remitted in 2024, the total contribution receivable was \$1,056 as of December 31, 2023.

**NOTE 11 – SUBSEQUENT EVENTS**

The Plan sponsor has evaluated subsequent events through October 7, 2025, the date which the financial statements were available to be issued.
