Independent Auditors' Report

To the Plan Administrator of

Riker Danzig LLP Associates' 401(k) Plan

Opinion

We have audited the accompanying financial statements of Riker Danzig LLP Associates' 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

1. Exercise professional judgment and maintain professional skepticism throughout the audit.
2. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
3. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
4. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
5. Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Riker Danzig LLP Associates' 401(k) Plan

Opinion

We have audited the accompanying financial statements of Riker Danzig LLP Associates' 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

1. Exercise professional judgment and maintain professional skepticism throughout the audit.
2. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
3. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
4. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
5. Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Riker Danzig LLP Associates' 401(k) Plan
Notes to the Financial Statements
December 31, 2024 and 2023

Note 1 Description of Plan

Riker Danzig LLP Associates' 401(k) Plan (the "Plan") is a defined contribution plan that was established by Riker Danzig LLP (the "Firm"), effective January 1, 1994. The Plan is administered by a committee (the "Committee") appointed by the Firm, which is responsible for Plan oversight, the appropriateness of the Plan's investment offerings and monitoring of investment performance. The Plan complies with the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code (the "IRC").

The following is a summary of the Plan's major provisions and provides only general information. Participants should refer to the Plan document or the Summary of Plan Description for a more complete description of the Plan.

Participation

Any attorney employee who is neither a partner of the Firm, nor Of Counsel who was formerly a partner of the Firm, shall be eligible to become a participant in the Plan upon commencement of employment.

Retirement Age

Normal retirement is the earlier of the date on which the participant has attained age 59-1/2 and completed six years of service or age 65.

Plan Administration

Plan investments are held by Vanguard Fiduciary Trust Company. See Note 3.

Plan Contributions

Participants in the Plan may elect to contribute from 1% to 50% of their annual compensation, as defined in the Plan. For the year ended December 31, 2024, the maximum annual contribution permitted under the IRC was \$23,000. Participants who attained age of 50 or older by December 31, 2024 were eligible to make an additional catch-up contribution up to \$7,500.

Participants are responsible for directing the investment of their contributions among the various investment options offered by the Plan. There are no employer contributions to the Plan. Contributions are subject to certain limitations under the IRC.

In addition, participants may make rollover contributions to the Plan at any time. Rollover contributions represent amounts transferred from other qualified plans in which participants were previously enrolled prior to their employment with the Firm.

Note 1 Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions, as defined by the Plan, if any, and the related investment earnings thereon. Investment earnings are allocated based on the performance of the investment options selected by the participant from the Plan's menu of choices. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of administrative expenses are based on participant account balances, or specific participant transactions as applicable.

The benefit to which a participant is entitled is limited to the vested balance in the participant's account.

Vesting

All participants are immediately vested in their salary deferral contributions, rollover contributions and all earnings thereon.

Participant Loans Receivable

The Plan permits participants to borrow funds from their accounts with a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (reduced by certain factors as described by the IRC) or 50% of the vested portion (including nonforfeitable interest) of the participant's account, whichever is less. Each loan shall be subject to such rules and regulations as the Committee may adopt and shall comply with the terms and conditions of the Plan. All loans are secured by the participant's account.

The loan interest rate is a fixed rate set at 2% above the prime rate at the issue date of the loan as determined in accordance with the Plan. Participant loans, which provide for varying terms, mature in one to five years from the date of the loan, unless the loan is used to acquire a principal residence for the participant. All loans bear interest at a market interest rate for similar loans at the time of loan application. Payments on the loans are to be made from semi-monthly payroll deductions.

At December 31, 2024, interest rates on the outstanding loans ranged from 5.25% - 10.50%.

Payment of Benefits

Individual accounts are established for each participant, and upon termination of the Plan, normal retirement, total or permanent disability or death, each participant or beneficiary shall be entitled to receive his or her account balance. Upon any other termination of employment, each participant or beneficiary shall be entitled to receive the vested portion of his or her account balance. In addition, the Plan provides for hardship withdrawals, as defined in the Plan, and in-service withdrawals after age 59-1/2. As of December 31, 2024, and 2023, no amounts were payable to any participant who elected to make such a withdrawal from the Plan.

Note 1 Description of Plan (Continued)

Transfers to Affiliated Plan

Certain participants in the Plan may become eligible for participation in the Riker Danzig LLP Profit Sharing Plan (the "Affiliated Plan"). During the year ended December 31, 2024, assets totaling \$603,155 were transferred from the Plan to the Affiliated Plan.

Note 2 Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Loans Receivable

Participant loans receivables are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Note 2 Summary of Significant Accounting Policies (Continued)

Expenses

All fees and expenses attributable to the Plan and/or trust, other than those deemed to be for settler functions, are charged to the trust. The Firm, at its discretion and as elected by the Plan Committee, may pay certain administrative expenses directly. Expenses of the Plan paid directly by the Firm are excluded from these financial statements.

Fees related to the administration of loans receivable from participants are charged directly to the participant's account. Investment related expenses are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure through the date of the auditors' report, which is the date the financial statements were available to be issued.

Note 3 Fair Value Measurements

Generally accepted accounting principles ("GAAP") establish a framework for measuring fair value and require disclosures about fair value measurements. This framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

At December 31, 2024, the Plan held Level 1 investments, as described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The fair value measurement level for an asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the valuation. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Riker Danzig LLP Associates' 401(k) Plan
Notes to the Financial Statements
December 31, 2024 and 2023

Note 3 Fair Value Measurements (Continued)

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund

Valued at closing price reported by the fund sponsor from an actively traded exchange.

Common/Collective Trust

Valued at the NAV of units of a bank collective trust. The NAV, as provided by Vanguard, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

If the Plan were to initiate a full redemption of the common/collective trust, the trust manager reserves the right to temporarily delay withdrawal from the trust in order to ensure that the liquidation of securities will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31,:

Investments at fair value:

	<u>2024</u>	<u>2023</u>
Level 1 -		
Mutual Funds	\$ 18,498,891	\$ 16,795,793
Money Market Fund	<u>816,687</u>	<u>520,447</u>
Total	<u>\$ 19,315,578</u>	<u>\$ 17,316,240</u>

The Plan does not have any investments within Level 2 and Level 3.

In accordance with GAAP, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. Such amounts totaled \$4,155 and \$1,949 as of December 31, 2024 and 2023, respectively.

Riker Danzig LLP Associates' 401(k) Plan
Notes to the Financial Statements
December 31, 2024 and 2023

Note 3 Fair Value Measurements (Continued)

The following sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31,:

Investment Type	Fair Value at 12/31/2024	Fair Value at 12/31/2023	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/ Collective Trust	\$ <u>4,155</u>	\$ <u>1,949</u>	\$ <u>-</u>	Daily	Daily

The Common/Collective Trust's objective is to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds or certificates of deposit. To achieve this, the trust invests in instruments which are not expected to experience significant price fluctuations in most economic or interest rate environments. However, there is no assurance that this objective can be achieved.

The Common/Collective Trust seeks to preserve principal and provide book value liquidity on a daily basis for Plan permitted, participant directed withdrawals while maintaining a competitive interest rate.

Note 4 Related Party and Party-In-Interest Transactions

Certain Plan investments consist of shares of mutual funds and money market funds managed by an affiliate of Vanguard Fiduciary Trust Company ("VFTC"). VFTC serves as the trustee of the Plan, and, accordingly, these transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules under ERISA. Fees paid by the Plan for the investment management services are included in administrative expenses.

Note 5 Plan Termination

While the Firm has not expressed any intention to terminate the Plan, the Firm reserves the right to amend or discontinue the Plan at any time subject to the provisions set forth in ERISA. Upon termination of the Plan, the Firm may elect to terminate the trust agreement. In such event, each participant's fully vested account balance will be paid to such participant after the value of the participant's individual account is determined.

Riker Danzig LLP Associates' 401(k) Plan
Notes to the Financial Statements
December 31, 2024 and 2023

Note 6 Tax Status

The IRS has determined and informed the Firm by a letter dated December 28, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's ERISA counsel believe that such amendment has had no adverse effect on such determination letter.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across a variety of participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

Because the Plan is participant-directed, each participant bears the investment risk related to the amounts allocated to his or her account.

At December 31, 2024, two investment options accounted for 10% or more of the Plan's total net assets:

Vanguard Institutional Index Fund Institutional Shares	\$4,222,042	23%
Vanguard PRIMECAP Fund Admiral Shares	\$1,795,402	10%
