## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
C.J.W., Inc. 401(k) Profit Sharing Plan and Trust

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of C.J.W., Inc. 401(k) Profit Sharing Plan and Trust ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

### **ERISA-Required Supplementary Information**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# C.J.W., Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

December 31, 2024 and 2023

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Method of accounting** - C.J.W., Inc. 401(k) Profit Sharing Plan and Trust ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

**Accounting estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

**Subsequent events** - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2024 through September 30, 2025, which is the date the financial statements were available to be issued.

**Key parties of the plan** - C.J.W., Inc. is the plan sponsor, employer and plan administrator. The plan has a divided interest in C.J.W. Master Trust ("the master trust"), which was established for the investment of assets of the plan and another defined contribution plan of the plan sponsor. John Hancock Life Insurance Company (U.S.A.) ("John Hancock") is the investment agent that maintains investment and participant records for the plan and custodian of the master trust assets. PPG Retirement Plan Services Ltd. ("PPG") is the plan's third party administrator and tax counsel that performs various compliance tests. Stifel Financial Advisors is the master trust's investment advisor. An employee of the plan sponsor is the plan trustee.

Madigrano Trucking of Kenosha, Inc. 401(k) Plan ("MTK 401(k) plan") also participates in the master trust. From time to time, participants may transfer between employers, resulting in transfers of net assets between related plans. During 2024, net assets of \$187,640 were transferred from the plan to the MTK 401(k) plan.

**Risks and uncertainties** - The master trust invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Investments** - The majority of the plan's investments consist of a divided interest in the master trust. The trustee of the master trust determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. The net income (loss) related to the changes in the plan interest in the master trust during the years is reflected in the accompanying statements of changes in net assets available for benefits. Participants should refer to the investment account summaries and prospectuses for more information.

## 2. INTEREST IN MASTER TRUST

The net assets of the master trust available for benefits and the plan's divided interest as of December 31, 2024 and 2023 are as follows:

	2024		2023	
	Master trust balances	Plan's interest in master trust balances	Master trust balances	Plan's interest in master trust balances
Pooled separate accounts at fair value	\$21,047,662	\$19,694,099	\$18,333,953	\$17,262,850
Total net assets available for benefits	\$21,047,662	\$19,694,099	\$18,333,953	\$17,262,850

**Fair value measurements** - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodology used for investments measured at fair value.

*Pooled separate accounts* - The pooled separate accounts are valued at net asset value ("NAV") as provided by John Hancock. The NAV is generally based on the fair value of the underlying investments held by the separate account less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the separate account would sell the investment for an amount different than the reported NAV.

Notes to Financial Statements

December 31, 2024 and 2023

The following tables set forth by level, within the fair value hierarchy, the master trust's investment assets at fair value.

### Investments at fair value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (a)				21,047,662
Total investments at fair value				\$21,047,662

### Investments at fair value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (a)				18,333,953
Total investments at fair value				\$18,333,953

- (a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts above are intended to permit reconciliation of the fair value hierarchy to the total master trust investments at fair value previously presented.

The following summarizes investments for which fair value is measured using NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period, if any, is applicable only to the master trust.

As of December 31, 2024	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Pooled separate accounts				
Target date (a)	\$17,905,754	n/a	Daily	n/a
Aggressive growth (b)	609,378	n/a	Daily	n/a
Growth (b)	458,420	n/a	Daily	n/a
Growth and income (b)	52,522	n/a	Daily	n/a
Income (b)	1,230,594	n/a	Daily	n/a
Conservative (b)	790,994	n/a	Daily	n/a
As of December 31, 2023	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Pooled separate accounts				
Target date (a)	\$15,688,349	n/a	Daily	n/a
Aggressive growth (b)	383,311	n/a	Daily	n/a
Growth (b)	826,257	n/a	Daily	n/a
Growth and income (b)	41,301	n/a	Daily	n/a
Income (b)	697,093	n/a	Daily	n/a
Conservative (b)	697,642	n/a	Daily	n/a

- (a) The objective of these funds is to seek capital appreciation and current income utilizing a risk profile that is consistent with the target date of the funds.

- (b) The objectives of these funds are to provide for capital appreciation and/or income consistent with the risk and return of the fund type. These funds utilize various U.S. and foreign equity market segments and a diverse portfolio of bonds to accomplish their objectives.

### 3. DESCRIPTION OF PLAN

The following brief description of the plan provides only general information. Participants should refer to the plan documents for a more complete description of the plan's provisions.

**General** - The plan was adopted effective March 31, 1983 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

**Eligibility** - Employees are eligible to contribute to the plan and receive employer contributions once they have completed one year of service with 1,000 hours and have reached age twenty-one. An employee can enter the plan on the first day of the quarter following completion of eligibility requirements.

In order to receive employer discretionary non-elective contributions, a participant must complete 1,000 hours of service during the plan year and be employed on the last day of the plan year to which the contribution relates. This requirement is waived if employment during the year is terminated due to disability or death.

**Contributions** - Contributions are recorded in the year in which the eligible compensation is paid. Contributions to the plan can be made in the following ways:

- a. Participants may contribute a percentage of their compensation subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferral contributions. Newly eligible employees are automatically enrolled in the plan and have 3% of compensation withheld as elective deferral contributions. These participant deferral percentages then automatically increase by 1% each year until they reach a maximum of 6%. Participants have the option to increase, decrease or stop the deferral by completing the necessary documentation.
- b. Rollover contributions are accepted by the plan from other qualified plans.
- c. Employer matching contributions can be made at the employer's discretion. During 2024 and 2023, the employer elected to contribute employer discretionary matching contributions equal to 50% of the first 3% of participants' deferrals, up to 1.50% of eligible compensation. These contributions are funded coinciding with each payroll. Matching contributions were \$191,000 in 2024 \$169,000 in 2023.
- d. Additional non-elective contributions may be made at the employer's discretion. During 2024 and 2023, the employer elected to contribute discretionary non-elective contributions using an integrated method which resulted in contributions equal to 3.5% of eligible compensation for participants with eligible compensation lower than the stated annual social security limit, which was the majority of the eligible employees. Eligible employees with compensation greater than the social security limit have a modified calculation as defined by the Internal Revenue Code. These contributions are funded annually. Non-elective contributions were \$309,000 in 2024 and \$253,000 in 2023.

**Participant accounts** - Earnings, including investment income (losses), are allocated to participant accounts on a daily basis based upon each participant's individual divided interest of the master trust. Each participant's account is credited with the participant's elective deferral and rollover contributions and an allocation of the employer's contribution. Participants are allowed to change their investment options within the master trust on a daily basis and change their deferral percentage each pay period.

**Vesting** - Participants are always 100% vested in their elective deferral contributions and rollover contributions and related earnings. Participants begin vesting in any employer contributions and related earnings upon two years of service, at which time they are 20% vested. The participant then vests at the rate of 20% for each year thereafter. Upon death, disability, or attainment of normal retirement age (defined as age 65) while employed, participants become 100% vested.

---

**Payment of benefits** - Benefits are recorded when paid. Benefit payments may commence upon termination of employment, death, disability or attainment of normal retirement age. Distributions may be in the form of a single lump sum or partial withdrawals. In-service withdrawals can commence upon reaching age 59½. Hardship withdrawals are not permitted under the plan.

**Administrative expenses** - Certain expenses of the plan are paid by the employer. The majority of the administrative expenses relate to master trust activity, and accordingly, are included in the net investment income (loss) from the master trust.

**Forfeitures** - Forfeited nonvested accounts may be used to reduce employer contributions or pay plan expenses. Forfeitures used to pay plan expenses of the master trust were \$6,000 in 2024. Forfeitures used to reduce employer contributions were \$3,000 in 2024 and \$10,000 in 2023. There were no forfeitures used to pay plan expenses in 2023. Unapplied forfeitures were insignificant as of December 31, 2024 and 2023.

**Notes receivable from participants** - Participants can take out loans against their accounts with the approval of the plan administrator. The minimum loan amount is \$1,000 and the maximum amount is the lesser of one-half of the participant's vested account balance, or \$50,000. Participants may not have more than two loans outstanding at any given time. The repayment term generally cannot exceed 5 years except when the loan is for the purchase of a principal residence. As of December 31, 2024, the notes receivable from participants had various repayment schedules through November 2029 with interest rates from 4.25% to 9.50%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

#### 4. PARTY-IN-INTEREST TRANSACTIONS

The plan, through its interest in the master trust, invests in certain investments managed by John Hancock, and therefore, transactions between the plan, the master trust and John Hancock qualify as party-in-interest transactions. Direct fees paid by the plan to John Hancock were insignificant in 2024 and 2023.

Notes receivable from participants also qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

#### 5. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the plan sponsor has the right to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in any employer contributions and related earnings.

#### 6. INCOME TAX STATUS

The plan is operating under a PPG Retirement Plan Services non-standardized pre-approved profit sharing plan with CODA that received a favorable opinion letter on June 30, 2020. The favorable opinion letter from the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan, however, the plan administrator and tax counsel believe the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believes the plan is qualified, and the related trust is tax-exempt.

---

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2024 and 2023. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

### **7. INFORMATION CERTIFIED BY JOHN HANCOCK**

Management has obtained certifications from John Hancock, a qualified institution under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to the plan's interest in the master trust and assets held for investment of the plan is complete and accurate.

- a. Plan interest in the master trust and the fair values of such, noninterest-bearing cash and notes receivable from participants as of December 31, 2024 and 2023;
- b. Net investment income (loss) from plan interest in the master trust and interest income on notes receivable from participants during 2024 and 2023;
- c. Contributions to, withdrawals from, purchases, sales and inter-fund transfers between accounts during 2024 and 2023; and
- d. The report of individual participant accounts as of and for the year ended December 31, 2024 and 2023.
