INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees and Administrator of
Beth Sholom Home of Eastern Virginia 403(b) Plan
Virginia Beach, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Beth Sholom Home of Eastern Virginia 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

Basis for Opinion *(continued)*

We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audits of the Financial Statements *(continued)*

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audits of the Financial Statements *(continued)*

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Responsibilities for the Audits of the Financial Statements *(continued)*

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedule is related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BETH SHOLOM HOME OF EASTERN VIRGINIA 403(b) PLAN

Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION

The following description of Beth Sholom Home of Eastern Virginia 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan available to employees of Beth Sholom Home of Eastern Virginia (the “Sponsor”). Employees are generally eligible to participate in the wage deferral arrangement of the Plan upon date of hire. The Plan excludes employees who normally work less than 20 hours per week. To be eligible for the Sponsor’s matching contribution, the participant must have completed one year of service (as defined by the Plan) and attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. On July 1, 2023, the Plan Sponsor sold the majority of its operations and assets. Substantially all of its employees were terminated, and a partial termination of the Plan occurred in 2023 as a result. The Plan continued to operate in 2024 for the remaining employees of the Sponsor.

Contributions: Each year, participants may contribute a percentage of pretax annual compensation, as defined in the plan document. Employees are automatically enrolled at 2% upon attainment of the eligibility requirements unless otherwise elected. At the beginning of each year, re-enrollment occurs whereby certain participants who have not made an affirmative election or have made an affirmative election of less than 2% are automatically enrolled at 2%. Annual pre-tax participant contributions are limited by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Sponsor provides a fixed matching contribution for eligible participants equal to 100% of the salary reduction contributions made by each participant up to 2% of compensation. The Sponsor may also make a discretionary non-elective contribution to the Plan which is allocated based on compensation. In order for a participant to share in the non-elective contribution, he or she must complete 501 hours of service during the plan year. There was no Sponsor discretionary contribution during the years ended December 31, 2024 and 2023.

Investment Options: Participants direct the investment of their contributions and the Sponsor’s contributions into various investment options offered by the Plan.

Participant Accounts: Each participant’s account is credited with the participant’s contributions, allocations of the Sponsor’s contributions and plan earnings, and charged with benefit payments and plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor’s matching and discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. Notwithstanding the above, a participant is fully vested in their account upon reaching normal retirement age or death. During 2023, a partial termination occurred. All participants affected by the partial termination were immediately and fully vested in all contributions as a result of the partial termination.

NOTE 1: PLAN DESCRIPTION *(continued)*

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less, subject to certain restrictions. These loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined periodically by the plan administrator. Interest rates on outstanding notes were 4.25% at December 31, 2024.

Administrative Expenses: The Plan's administrative expenses primarily include investment management and professional fees for services provided by parties-in-interest. Certain administrative expenses are paid by the Plan as provided in the plan document. Certain additional administrative expenses are paid by the Sponsor.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions are available subject to Plan provisions. Upon termination of service, a participant with an account balance of less than \$1,000 will receive a lump sum distribution of their vested account balance without requiring the participant's consent. If the participant's account exceeds \$1,000 but does not exceed \$5,000, the vested account balance will be rolled over to a qualified IRA without requiring the participant's consent.

Forfeitures: Forfeitures are used to pay administrative expenses of the Plan or reduce Sponsor contributions into the Plan. There were no forfeited non-vested accounts at December 31, 2024. Forfeited non-vested accounts were \$28 at December 31, 2023. Forfeitures in the amount of \$5,362 and \$9,738 were used to pay administrative expenses of the Plan for the years ended December 31, 2024 and 2023, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee. See Note 3 for discussion of fair value measurements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition (continued): Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: The Plan has evaluated subsequent events through October 7, 2025, which is the date the financial statements were available to be issued, and determined that there were no subsequent events requiring disclosure.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's mutual funds, guaranteed interest account, and pooled separate accounts are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

NOTE 3: FAIR VALUE MEASUREMENTS *(continued)*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Fair Value Measurements at Reporting Date Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2024</u>

Total	<u>\$ 2,635,613</u>	<u>\$ 2,607,043</u>	<u>\$ 28,570</u>

Level 1 Fair Value Measurements

The fair value of mutual funds and pooled separate accounts is based on quoted net asset values of the shares held by the Plan at year end.

Level 3 Fair Value Measurements

The guaranteed interest account is valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer (income approach). The following table provides further detail of Level 3 investments.

NOTE 4: INVESTMENT CONTRACTS

The Plan holds investments with AXA Equitable Life Insurance Company (AXA). Each participant maintains an individual annuity contract with AXA. The contract's investments include pooled separate accounts and the insurance company's guaranteed interest account. Based on withdrawal restrictions, the contract is not deemed to be fully benefit-responsive and therefore is valued at fair value. The average yield based on annualized earnings and based on the interest rate credited to participants was 2.95% and 4.06% for the years ended December 31, 2024 and 2023, respectively.

The Plan invests in a fully-benefit responsive guaranteed investment contract ("GIC") with Principal Life Insurance Company, a guaranteed general-asset backed group annuity contract. The Plan's portion of the net assets available for benefits attributable to the GIC are reported at contract value. Contract value represents the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan, which approximates fair value. The issuer of the GIC maintains the contributions in a general account. The GIC does not have specific underlying assets assigned. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no events in which the issuer can terminate the GIC with the Plan and settle at an amount different from contract value. However, a 5% surrender charge may apply in the event the Plan liquidates or transfers its interest in the GIC.

Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

NOTE 4: INVESTMENT CONTRACTS *(continued)*

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) changes to the Plan's policy on transfers to competing investment options or the related equity wash provision and (2) termination of the Plan's interest in the GIC by the Plan's administrator.

The Plan Administrator does not believe that the occurrence of any such event is probable. For the years ended December 31, 2024 and 2023, the average yield of the Principal Fixed Income Guaranteed Option Contract was approximately 0.90% and (1.91)%, respectively, based on actual interest earnings credited to participants. The following represents the contract value of the investment contracts held by the Plan at December 31:

	<u>2024</u>	<u>2023</u>
Investment contracts	\$ 31,896	\$ 23,186

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. During 2023, a partial termination occurred. All participants affected by the partial termination were immediately and fully vested in all contributions as a result of the partial termination.

NOTE 6: TAX STATUS

Effective January 1, 2020, The Plan has adopted a standardized form of a volume submitter 403(b) plan sponsored by Newport Group, Inc. The Internal Revenue Service has determined and informed the Company, by a letter dated March 31, 2017, that the volume submitter 403(b) plan is designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7: RELATED-PARTY TRANSACTIONS

Certain administrative functions are performed by employees of the Sponsor. These employees are also Plan participants. No such employee receives compensation from the Plan.

Plan participants may choose to invest in funds held by the Plan's Custodians and these are considered related-party transactions.

INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees and Administrator of
Beth Sholom Home of Eastern Virginia 403(b) Plan
Virginia Beach, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Beth Sholom Home of Eastern Virginia 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

Basis for Opinion *(continued)*

We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audits of the Financial Statements *(continued)*

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audits of the Financial Statements *(continued)*

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Responsibilities for the Audits of the Financial Statements *(continued)*

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedule is related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BETH SHOLOM HOME OF EASTERN VIRGINIA 403(b) PLAN

Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION

The following description of Beth Sholom Home of Eastern Virginia 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan available to employees of Beth Sholom Home of Eastern Virginia (the “Sponsor”). Employees are generally eligible to participate in the wage deferral arrangement of the Plan upon date of hire. The Plan excludes employees who normally work less than 20 hours per week. To be eligible for the Sponsor’s matching contribution, the participant must have completed one year of service (as defined by the Plan) and attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. On July 1, 2023, the Plan Sponsor sold the majority of its operations and assets. Substantially all of its employees were terminated, and a partial termination of the Plan occurred in 2023 as a result. The Plan continued to operate in 2024 for the remaining employees of the Sponsor.

Contributions: Each year, participants may contribute a percentage of pretax annual compensation, as defined in the plan document. Employees are automatically enrolled at 2% upon attainment of the eligibility requirements unless otherwise elected. At the beginning of each year, re-enrollment occurs whereby certain participants who have not made an affirmative election or have made an affirmative election of less than 2% are automatically enrolled at 2%. Annual pre-tax participant contributions are limited by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Sponsor provides a fixed matching contribution for eligible participants equal to 100% of the salary reduction contributions made by each participant up to 2% of compensation. The Sponsor may also make a discretionary non-elective contribution to the Plan which is allocated based on compensation. In order for a participant to share in the non-elective contribution, he or she must complete 501 hours of service during the plan year. There was no Sponsor discretionary contribution during the years ended December 31, 2024 and 2023.

Investment Options: Participants direct the investment of their contributions and the Sponsor’s contributions into various investment options offered by the Plan.

Participant Accounts: Each participant’s account is credited with the participant’s contributions, allocations of the Sponsor’s contributions and plan earnings, and charged with benefit payments and plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor’s matching and discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. Notwithstanding the above, a participant is fully vested in their account upon reaching normal retirement age or death. During 2023, a partial termination occurred. All participants affected by the partial termination were immediately and fully vested in all contributions as a result of the partial termination.

BETH SHOLOM HOME OF EASTERN VIRGINIA 403(b) PLAN

Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION *(continued)*

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less, subject to certain restrictions. These loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined periodically by the plan administrator. Interest rates on outstanding notes were 4.25% at December 31, 2024.

Administrative Expenses: The Plan's administrative expenses primarily include investment management and professional fees for services provided by parties-in-interest. Certain administrative expenses are paid by the Plan as provided in the plan document. Certain additional administrative expenses are paid by the Sponsor.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions are available subject to Plan provisions. Upon termination of service, a participant with an account balance of less than \$1,000 will receive a lump sum distribution of their vested account balance without requiring the participant's consent. If the participant's account exceeds \$1,000 but does not exceed \$5,000, the vested account balance will be rolled over to a qualified IRA without requiring the participant's consent.

Forfeitures: Forfeitures are used to pay administrative expenses of the Plan or reduce Sponsor contributions into the Plan. There were no forfeited non-vested accounts at December 31, 2024. Forfeited non-vested accounts were \$28 at December 31, 2023. Forfeitures in the amount of \$5,362 and \$9,738 were used to pay administrative expenses of the Plan for the years ended December 31, 2024 and 2023, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee. See Note 3 for discussion of fair value measurements.

BETH SHOLOM HOME OF EASTERN VIRGINIA 403(b) PLAN

Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition (continued): Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: The Plan has evaluated subsequent events through October 7, 2025, which is the date the financial statements were available to be issued, and determined that there were no subsequent events requiring disclosure.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's mutual funds, guaranteed interest account, and pooled separate accounts are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

NOTE 3: FAIR VALUE MEASUREMENTS *(continued)*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Fair Value Measurements at Reporting Date Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2024</u>

Total	<u>\$ 2,635,613</u>	<u>\$ 2,607,043</u>	<u>\$ 28,570</u>

Level 1 Fair Value Measurements

The fair value of mutual funds and pooled separate accounts is based on quoted net asset values of the shares held by the Plan at year end.

Level 3 Fair Value Measurements

The guaranteed interest account is valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer (income approach). The following table provides further detail of Level 3 investments.

NOTE 4: INVESTMENT CONTRACTS

The Plan holds investments with AXA Equitable Life Insurance Company (AXA). Each participant maintains an individual annuity contract with AXA. The contract's investments include pooled separate accounts and the insurance company's guaranteed interest account. Based on withdrawal restrictions, the contract is not deemed to be fully benefit-responsive and therefore is valued at fair value. The average yield based on annualized earnings and based on the interest rate credited to participants was 2.95% and 4.06% for the years ended December 31, 2024 and 2023, respectively.

The Plan invests in a fully-benefit responsive guaranteed investment contract ("GIC") with Principal Life Insurance Company, a guaranteed general-asset backed group annuity contract. The Plan's portion of the net assets available for benefits attributable to the GIC are reported at contract value. Contract value represents the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan, which approximates fair value. The issuer of the GIC maintains the contributions in a general account. The GIC does not have specific underlying assets assigned. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no events in which the issuer can terminate the GIC with the Plan and settle at an amount different from contract value. However, a 5% surrender charge may apply in the event the Plan liquidates or transfers its interest in the GIC.

BETH SHOLOM HOME OF EASTERN VIRGINIA 403(b) PLAN

Notes to Financial Statements

For the Years Ended December 31, 2024 and 2023

NOTE 4: INVESTMENT CONTRACTS *(continued)*

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) changes to the Plan's policy on transfers to competing investment options or the related equity wash provision and (2) termination of the Plan's interest in the GIC by the Plan's administrator.

The Plan Administrator does not believe that the occurrence of any such event is probable. For the years ended December 31, 2024 and 2023, the average yield of the Principal Fixed Income Guaranteed Option Contract was approximately 0.90% and (1.91)%, respectively, based on actual interest earnings credited to participants. The following represents the contract value of the investment contracts held by the Plan at December 31:

	<u>2024</u>	<u>2023</u>
Investment contracts	\$ 31,896	\$ 23,186

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. During 2023, a partial termination occurred. All participants affected by the partial termination were immediately and fully vested in all contributions as a result of the partial termination.

NOTE 6: TAX STATUS

Effective January 1, 2020, The Plan has adopted a standardized form of a volume submitter 403(b) plan sponsored by Newport Group, Inc. The Internal Revenue Service has determined and informed the Company, by a letter dated March 31, 2017, that the volume submitter 403(b) plan is designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7: RELATED-PARTY TRANSACTIONS

Certain administrative functions are performed by employees of the Sponsor. These employees are also Plan participants. No such employee receives compensation from the Plan.

Plan participants may choose to invest in funds held by the Plan's Custodians and these are considered related-party transactions.
