Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Schwan's Company Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Schwan's Company Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Schwan's Company Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Schwan's Company Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Schwan's Company Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Schwan's Company Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SCHWAN'S COMPANY RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN

The following description of Schwan's Company Retirement Savings Plan (the Plan) provides general information only. The Plan is for eligible employees of Schwan's Company and subsidiaries (the Company). Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established in 1964 and most recently restated effective January 31, 2017. The Plan generally covers all employees of Schwan's Shared Services, LLC, Schwan's Consumer Brands, Inc., Schwan's Food Service, Inc., and SFC Global Supply Chain, Inc., except those covered by certain collective bargaining agreements. The Plan was most recently amended effective January 1, 2023, to add CJ Foods USA Inc., CJ Foods Manufacturing Corporation, CJ Foods Manufacturing Beaumont Corporation, Kahiki Foods, Inc. CJ TMI Manufacturing American LLC, Twin Marquis Inc. and TMI Logistics Corp. as participating employers, to remove the discretionary company match provision, to add a safe harbor matching contribution provision in the amount of 100% of the first 3% of reduction in certified earnings and 50% of the next 2% of reduction in certified earnings which was agreed to by the participant pursuant to a salary reduction agreement, and to modify the Plan's definition of certified earnings. The Plan was also amended to discontinue the auto-enrollment feature.

Eligibility

Employees are eligible to immediately participate in the deferral and match components of the Plan upon hire. Employees are eligible for the discretionary annual contribution if they complete 500 hours of service during the year and are employed on the last day of the Plan year. Wages paid to employees while eligible for an annual bonus plan are not eligible for the employer discretionary annual contribution.

Contributions

Each year, participants may contribute up to 75% of pretax and/or after-tax (Roth) annual compensation as defined, by the Plan, subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants age 50 or older may contribute additional amounts known as "catch-up" contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several investment options with varying investment objectives. Participants may invest in self-directed funds that are not affiliated with the investment options of the Plan.

The Plan provides for discretionary annual contributions as determined by the Company's Board of Directors. Employer contributions are not to exceed the maximum allowable amounts deductible by the Company under the provisions of the Internal Revenue Code (IRC). Profit sharing amounts are contributed at the option of the Company's Board of Directors and are invested in a portfolio of investments as directed by each participant. There were no discretionary contributions made for the years ended December 31, 2024 and 2023. Contributions are subject to certain limitations.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Plan provides Safe Harbor Matching contributions. The Company's Safe Harbor Matching contribution is 100% of the first 3% and 50% of the next 2% of employee deferrals (for a maximum Safe Harbor Matching contribution of 4%).

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account may be credited with the participant's contribution, matching contributions and/or allocations of the Company's contributions, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their 401(k), rollover, voluntary matching, merger accounts, and discretionary contributions plus actual earnings thereon.

Notes Receivable from Participants

The Plan allows participants to borrow from their 401(k), matching, discretionary, rollover, and merger accounts. Participants may apply for a loan of up to 50% of the total vested value of their balance or \$50,000 minus the highest outstanding loan balance in the last 12-month period. The minimum loan is \$1,000 with no more than one loan outstanding at one time. Loans are repayable in equal periodic installments over the life of the loan which is required to be no more than five years. Interest rates on loans shall be equal to 1% over the prime rate of interest charged by large United States money center commercial banks.

Forfeitures

Forfeitures are used to reduce the Company's contributions or for other purposes as allowed by the Plan document. There were \$40,447 and \$24,830 of forfeited nonvested accounts as of December 31, 2024 and 2023, respectively. During the years ended December 31, 2024 and 2023, forfeitures of \$-0- and \$28,576, respectively, were used to reduce Company contributions that were funded during these years. No forfeitures were used to restore participant accounts as of December 31, 2024 and 2023. No forfeitures were used to pay Plan expenses for the years ended December 31, 2024 and 2023.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service, including due to death, disability, or retirement, a participant is eligible to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If a participant terminates employment and the participant's vested account balance is less than \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent (automatic distribution). Automatic distributions between \$1,000 and \$7,000 (\$5,000 prior to January 1, 2024) without the participants consent will be paid in a direct rollover to an Individual Retirement Account (IRA). The Plan allows for in-service distributions from participants' 401(k), matching, discretionary, rollover and merger accounts in the case of attainment of age 59½. The Plan also allows for financial hardship withdrawals from participant's 401(k) (excluding earnings), discretionary, rollover and merger accounts subject to certain restrictions.

Life Insurance Contracts

In previous years, participants were able to invest in allocated insurance contracts. New contracts are no longer permitted. These contracts have been excluded from Plan assets in accordance with accounting principles generally accepted in the United States of America.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Expenses

Recordkeeping, trustee, administrative and investment related expenses are paid by the Plan. Expenses not paid by the Plan are paid by the Company.

Investment Valuation and Income Recognition

The Plan's investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. For certain investments held in the Plan, investment fees are reported as part of the net appreciation or depreciation.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE 3 INVESTMENTS AND CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, the qualified institution, has supplied the Plan administrator with a certification as to the completeness and accuracy of notes receivable from participants and investment information presented in the accompany statements of net assets available for benefits as of December 31, 2024 and 2023, and the statements of changes in net assets available for benefits for the years then ended and the supplemental schedule of assets (held at end of year) as of December 31, 2024.

NOTE 4 FAIR VALUE OF INVESTMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SCHWAN'S COMPANY RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

The investments in interest-bearing cash are valued at amortized cost which approximates fair value.

Common stocks are valued at the closing price reported in the active market in which the individual security is traded.

Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts are valued at the NAV of units of the bank collective trust. The NAV is determined and published daily and is the basis for current transactions.

Self-directed brokerage accounts consist of mutual funds, common stocks, exchange traded funds, and cash that are valued on the basis of readily determinable market prices.

NOTE 5 PLAN TAX STATUS

The Company has received a favorable determination letter dated February 2, 2018, from the IRS indicating that the Plan is qualified under Section 401(a) of the IRC and that the related trust is exempt from federal income taxation under Code Section 501(a). The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Benefits will be distributed to the participant in accordance with the benefit distribution rules.

**SCHWAN'S COMPANY RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited by ERISA unless a specific exemption applies. Fidelity Management Trust Company is a party-in-interest as defined by ERISA as a result of investing Plan assets in the investment funds and payment of fees. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA. Total fees paid to Fidelity for trustee and recordkeeping fees were \$598,747 and \$705,572 for the years ended December 31, 2024 and 2023, respectively. Total fees paid to Willis Towers Watson for fiduciary services were \$154,204 and \$215,180 for the years ended December 31, 2024 and 2023, respectively. Total fees paid to Mercer for fiduciary services were \$71,585 for the year ended December 31, 2024. Plan management has evaluated and concluded that these transactions are considered arms-length transactions.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan provides for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balance and the amounts reported in the statements of net assets available for benefits.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan is required to submit an annual Form 5500 to the Department of Labor. The following is a reconciliation of net assets available for benefits per the Plan's financial statements to Form 5500 as of December 31:

	2024	2023
Net Assets Available for Benefits Per the Financial Statements	\$ 631,725,171	\$ 570,153,565
Allocated Life Insurance Policies	434,121	471,617

Add: Participant Loan Interest	<u>676,252</u>
Total Investment Income (Loss) per Form 5500	<u>\$ 76,171,830</u>

NOTE 10 PLAN TO PLAN TRANSFERS IN

Effective January 1, 2023, the Plan was amended to allow the spin off and transfer assets and liabilities for certain employees from the CJ 401(k) Plan into the Plan. On January 11, 2023, certain employees transferred balances from the CJ 401(k) Plan into this Plan with participant balances in the amount of approximately \$21,371,000 transferring in. On January 22, 2024, an additional \$41,298 relating to one participant's balance was also transferred in from the CJ 401(k) Plan.

NOTE 11 SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 9, 2025, the date the financial statements were available to be issued.
