Independent Auditors' Report

To the Plan Sponsor and Participants of
FCN, Inc. 401(K) Plan
Rockville, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of FCN, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the FCN, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Independent Auditors' Report (continued)

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of FCN, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FCN, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FCN, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FCN, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FCN, INC. 401(K) PLAN

Notes to Financial Statements
December 31, 2024 and 2023

1. Description of the Plan

The following description of the FCN, Inc. (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

- A. General – The Plan is a defined contribution plan covering substantially all employees of the Company. Employees are allowed to enter the Plan after completing at least three months of service. Participants must also reach the age of 21 to become eligible to make salary deferrals or to receive employer matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's management oversees governance of the Plan, the appropriateness of the Plan's investment offerings, and monitor investment performance.
- B. Contributions – Each year, participants may contribute up to 100% of their eligible annual compensation, as defined by the Plan. Participants may also make after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make contributions representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Company contributes 100% of the first 5% of base compensation that a participant contributes to the Plan. The Company may also make discretionary non-elective contributions to the Plan to be allocated to all employees eligible to participate in the Plan. The Company made no discretionary non-elective contributions to the Plan for the year ended December 31, 2024. Contributions are subject to certain statutory limitations.
- C. Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) plan earnings (losses), and (c) charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vested in the Company's matching and discretionary non-elective contributions after three years of service.

FCN, INC. 401(K) PLAN

Notes to Financial Statements
December 31, 2024 and 2023

1. Description of the Plan (continued)

- E. Notes Receivables from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates of prime plus 1%, which is commensurate with local prevailing rates as determined by the plan administrator at the origination of the loan. Principal and interest is paid ratably through payroll deductions.
- F. Payment of Benefits – Upon termination of service, retirement (age 65), death, disability, or attainment of age 59 ½, a participant or their beneficiary is entitled to a distribution of their vested account balance, as defined by the plan agreement. Distributions from the Plan are payable in the form of a lump sum payment. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, contributed deferral amounts may be withdrawn for hardship purposes. Distributions are subject to the applicable provisions of the plan agreement. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½.
- G. Forfeited Accounts – Upon a participant terminating from the Plan, non-vested employer contributions can be used to reduce future company contributions to the Plan and to pay for administrative expenses of the Plan. As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$-0-. In 2024, employer contributions and expenses were reduced by \$6,572 from forfeited nonvested accounts.

2. Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Notes to Financial Statements
December 31, 2024 and 2023

2. Significant Accounting Policies (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Excess Contributions Payable – Amounts payable for contributions in excess of amounts allowed by the IRS or plan provisions are recorded as accounts payable, with a corresponding reduction to contributions in the year in which the payable relates. At December 31, 2024 and 2023, there was \$-0- and \$15,202 of excess contributions payable, with \$-0- and \$5,628 relating to the employer safe harbor contribution for amounts in excess of allowable amounts, and \$-0- and \$9,574 relating to excess participant contribution amounts.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses to maintain the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Expenses for recordkeeping, advisory, and other fees are paid through an allocation to participants' accounts and are included in administrative expenses.

3. Information Prepared and Certified by Matrix Trust Company

The following information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments held at December 31, 2024 and 2023, and net appreciation in fair value of investment, interest, and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified to as complete and accurate Matrix Trust Company (the trustee).

	<u>2024</u>	<u>2023</u>
Investments, at fair value:		
Mutual funds	\$ 25,053,366	\$ 21,692,407
Investment income	2,977,670	

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were used when Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

4. Fair Value Measurements (continued)

Level 1 Fair Value Measurements

Registered Investment Companies (mutual funds): Valued at the daily closing price as reported by the funds. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023.

	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Fair Value Measurements at December 31, 2024				
Total assets in the fair value hierarchy	\$ 25,053,366	\$ - 0 -	\$ - 0 -	\$ 25,053,366
Investments measured at net asset value				- 0 -
Investments at fair value	<u>\$ 25,053,366</u>	<u>\$ - 0 -</u>	<u>\$ - 0 -</u>	<u>\$ 25,053,366</u>
Fair Value Measurements at December 31, 2023				
Total assets in the fair value hierarchy	\$ 21,692,407	\$ - 0 -	\$ - 0 -	\$ 21,692,407
Investments measured at net asset value				- 0 -
Investments at fair value	<u>\$ 21,692,407</u>	<u>\$ - 0 -</u>	<u>\$ - 0 -</u>	<u>\$ 21,692,407</u>

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2024, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 at the end of the reporting period. For the year ended December 31, 2024, there were no significant transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

Notes to Financial Statements
December 31, 2024 and 2023

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its participation at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in the Company' contributions.

6. Related Party and Party-In-Interest Transactions

As described in Note 2, the Company pays certain expenses related to plan operations. The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. All of these parties-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Tax Status

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subjected to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Reconciliation of Financial Statements to Schedule H of Form 5500 (continued)

The following is a reconciliation of employer contributions per the financial statements for the year ended December 31, 2024 to Schedule H of Form 5500.

Employer contributions per the financial statements	\$ 974,756
Add: Reverse of 2023 safe harbor true-up	138,627
Less: Reverse of 2023 excess contributions payable	<u>(5,628)</u>
Employer contributions per Schedule H of Form 5500	<u>\$ 1,107,755</u>

10. Calculation of Employer Contribution Receivable

Included in employer contributions receivable on the statements of net assets available for benefits is a true-up calculation that is done on the annual employer contribution to account for any participant that may be due additional employer contribution amounts based on differences in the calculation of the employer contribution done on a pay period basis throughout the year and the calculation done based on the annual compensation and deferrals of the participant. After the receivable was determined for the year ended December 31, 2024, it was determined that this calculation was done with an incorrect definition of plan compensation. The Company is working with their recordkeeper to adjust this calculation. The calculation is not complete at the time of the issuance of the financial statements, but it is not expected to have a material impact on the financial statements.

11. Subsequent Events

The Plan has evaluated subsequent events through October 9, 2025, the date the financial statements were available to be issued.
