Independent Auditors' Report

To the Board of Trustees of
United Food & Commercial Workers
Retirement and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of United Food & Commercial Workers Retirement and Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of United Food & Commercial Workers Retirement and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Food & Commercial Workers Retirement and Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Food & Commercial Workers Retirement and Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Food & Commercial Workers Retirement and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Food & Commercial Workers Retirement and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**United Food & Commercial Workers
Retirement and Savings Plan
Notes to Financial Statements
Years Ended December 31, 2024 and 2023**

1. Description of the Plan

The United Food & Commercial Workers Retirement and Savings Plan was established in November 1996 and is maintained under collective bargaining agreements between employers and several United Food & Commercial Workers Unions in the New Jersey area. The United Food & Commercial Workers Retirement and Savings Plan is a multiemployer pension plan.

The following brief description of the United Food & Commercial Workers Retirement and Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering all employees of participating employers that have attained age 18 and have completed 1,000 hours of service during the 12-month period beginning on his or her employment commencement date and ending the day before the first anniversary of such employment commencement date. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each month, an employer shall contribute to the Plan such amounts as required in the applicable participation agreement or collective bargaining agreement subject to the limitations set forth in the Plan agreement. To the extent permitted by the applicable collective bargaining agreement, each participant may elect to have their contributing employer contribute, from the participants' earnings to the Plan, all fixed amounts of earnings, not to exceed the limit set forth in the Plan agreement.

Participant Accounts

Each participant's account is credited with the participant's contributions, if any, and the employer contributions made on their behalf by their respective employer. Each participant's account shall be allocated for investment, among the investment funds in accordance with the investment election made in accordance with procedures established by the administrator. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants shall be one hundred percent vested in the amount allocated to their accounts at all times.

Participant Loans

Participant loans are not permitted from the plan.

Retirement and Savings Plan
Notes to Financial Statements
Years Ended December 31, 2024 and 2023**

1. Description of the Plan, continued

Payment of Benefits

No benefits shall be payable under this Plan prior to the earlier of a participant's: death, disability, severance date or attainment of normal retirement age. The participant's distribution shall be equal to the amount credited to such participant's account, determined as of the valuation date coincident with, or if none, next following, the date an application for distribution of benefits is received by the Trustees from the participant. If a participant has no spouse on the date their benefits commence, the normal form of payment of his account shall be a single life annuity, as defined by the Plan. If the participant has a spouse on the date their benefits commence, the normal form of payment of their account shall be a 50% survivor annuity as defined by the Plan. A participant may elect an alternative form of payment within the 90-day period prior to the commencement of benefits. Alternative forms of payment include: survivor annuity, period certain, single life annuity, or lump sum.

Hardship distributions are permitted under certain circumstances as outlined in the Plan document.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America in accordance with FASB ASC 962.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies by using the information provided by its investment advisers, custodians, and insurance Plan. See note 3 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Net rental income from investment property includes gross rents and lease termination income, net of operating expenses for the investment property.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses.

Payment of Benefits

Benefits are recorded upon distribution.

2. Summary of Significant Accounting Policies, continued

Allowance for Credit Losses

When the Plan records receivables arising from revenue transactions, the Plan records an allowance for credit losses for the current expected credit losses (CECL) inherent in the asset over its expected life. The allowance for credit losses is a valuation account deducted from the amortized cost basis of the assets to present their net carrying value at the amount expected to be collected. Each period the allowance for credit losses is adjusted through earnings to reflect expected credit losses over the remaining lives of the assets. The Plan evaluates debt securities with unrealized losses to determine whether any of the losses arise from concerns about the issuer's credit or the underlying collateral and records an allowance for credit losses, if required.

Current and long-term receivables

		2024		2023
Receivables	\$	2,006,870	\$	2,060,543
Allowance for credit losses		(100,584)		(341,045)
Total Receivable	\$	1,906,286	\$	1,719,498

Contributions receivable

Contributions due for periods worked prior to year-end but not paid prior to year-end are recorded as contributions receivable.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

3. Fair Value Measurements, continued

Level 1	Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
Level 2	<p>Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:</p> <ul style="list-style-type: none"> a. Quoted prices for similar assets or liabilities in active markets b. Quoted prices for identical or similar assets or liabilities in inactive markets c. Inputs other than quoted prices that are observable for the asset or liability d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets carried at fair value measured on a recurring basis.

Fair Value Measurements at 2024 Reporting Date Using:

	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level I)	Significant Other Observable Inputs (Level II)	Unobservable Inputs (Level III)

Fair Value Measurements at 2023 Reporting Date Using:

	<u>Fair Value</u>	Quoted Prices In Active Markets for Identical Assets (Level I)	Significant Other Observable Inputs (Level II)	Unobservable Inputs (Level III)
Mutual Funds	\$ 130,150,704	\$ 130,150,704	\$ -	\$ -

Total investments	\$ 134,418,364	\$ 134,418,364	\$ -	\$ -

4. Investments

Appreciation

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$11,155,842 and \$15,045,754 for 2024 and 2023, respectively.

5. Concentrations

The following table presents the fair values of investments that represent 10% or more of the Plan's net assets:

<u>Investment</u>	<u>December 31, 2024</u> <u>Market Value</u>	<u>December 31, 2023</u> <u>Market Value</u>
NYL Guaranteed Interest Account	\$ 31,497,746	\$ 31,402,035
American 2010 Target Fund	20,956,704	19,576,049

6. Guaranteed Investment Contract

The Plan entered into a fully benefit-responsive guaranteed investment contract with New York Life Insurance Plan (New York Life). New York Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Contract value, as reported to the Plan by New York Life, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

6. Guaranteed Investment Contract, continued

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2024 and 2023, was \$31,497,746 and \$31,402,035, respectively, which approximates contract value. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. Such interest rates are reviewed every January 1st and July 1st for resetting. Payout dates are the last day of each calendar month.

The following tables reconcile the beginning and ending balances of the guaranteed interest account with the investment Plan for the years ended December 31, 2024 and 2023:

	<u>December 31, 2024</u>	<u>December 31, 2023</u>
Beginning balance	\$ 31,402,035	\$ 31,567,460
Contributions and Interest Income	4,204,687	3,484,062
Net Transfers Out and Fees	<u>(4,108,976)</u>	<u>(3,649,487)</u>
Ending Balance	<u>\$ 31,497,746</u>	<u>\$ 31,402,035</u>

7. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by John Hancock/New York Life Trust Co, which is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

8. Plan Termination

Although it has not expressed any intent to do so, the trustees shall have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon complete or partial termination of the Plan, the value of each participant's account shall be determined as of the date of such termination. The accounts of such participants shall be one hundred percent vested and non-forfeitable and distributed in accordance with the Plan.

9. Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Tax Status

The Plan obtained its latest determination letter on June 5, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

10. Tax Status, continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2021.

11. Information Prepared and Certified by the Administrator

The following is a summary of the plan's asset information as of December 31, 2024 and 2023, and for the years then ended, included throughout the Plan's financial statements and supplemental schedules, that were prepared by or derived from information provided by the Plan administrator, John Hancock/New York Life Trust Co., and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFRI 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedules related to the following assets:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ 153,565,334	\$ 130,150,704
Investments, at contract value	31,497,746	31,402,035
Investment income – net realized and unrealized gains	11,155,842	15,045,754
Dividend and interest	6,949,962	4,090,757

12. Subsequent Events

The Plan has evaluated subsequent events through October 3, 2025, which is the date the financial statements were available to be issued.
