## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the  
Community Health Centers of the Central Coast, Inc.  
401(a) Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Community Health Centers of the Central Coast, Inc. 401(a) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and December 31, 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Community Health Centers of the Central Coast, Inc. 401a Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Health Centers of the Central Coast, Inc. 401(a) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be used.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Health Centers of the Central Coast, Inc. 401(a) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Health Centers of the Central Coast, Inc. 401(a) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2024 Supplemental Schedules Required by ERISA**

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

COMMUNITY HEALTH CENTERS OF THE CENTRAL COAST, INC.  
401(a) SAVINGS PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE A: DESCRIPTION OF PLAN**

The following description of the Community Health Centers of the Central Coast, Inc. 401(a) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***General.***

The Plan is a defined contribution plan covering all eligible employees, as defined in the Plan, of Community Health Centers of the Central Coast (the Organization). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 "ERISA", as amended.

***Contributions.***

The Plan permits employer nonelective contributions and rollover contributions. The Organization contributes 8% of each eligible employee's annual compensation, as defined in the Plan.

***Participant Accounts.***

Each participant's account is credited with the participant's contributions, allocation of the Organization's contributions and Plan gains or losses. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's accounts.

***Vesting.***

Under the provisions of the Plan, participants are immediately 100% vested in all contributions plus actual earnings thereon.

***Investment Options.***

Upon enrollment in the Plan, participants direct the investment of their contributions and the Organization's contributions into various investment contracts offered by the Plan.

***Payment of Benefits.***

Upon retirement, disability or death, a participant or beneficiary receives the vested account balance in either a lump sum or, at the participant's election, in annual installments. Upon termination, other than by retirement, disability, or death, a participant becomes eligible to receive the current value of the participants' vested account in a lump-sum. The Plan permits in-service and hardship withdrawals under certain conditions.

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE A: DESCRIPTION OF PLAN (Continued)**

***Notes Receivable from Participants.***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at local prevailing rates from the same geographic area as the Organization. Each loan shall be repaid in equal installments of principal and interest over a period to be determined by the Plan Administrator, but such period shall not exceed five (5) years unless the purpose of the loan is for the purchase of the principal residence of the Participant in which case the repayment period shall not exceed ten (10) years. All loan installment payments must be made through payroll deductions with equal installments made each pay period. Participants may have only one loan outstanding at any time.

**NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements in accordance have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

***Use of Accounting Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition.***

Investments are reported at fair value (except for fully-benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note C for a discussion of fair value measurements.

COMMUNITY HEALTH CENTERS OF THE CENTRAL COAST, INC.  
401(a) SAVINGS PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

***Investment Valuation and Income Recognition. (Continued)***

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of Benefits.***

Benefits are recorded when paid.

***Administrative Expenses***

Certain costs of administering the Plan are paid by the Organization and are therefore not reflected in the Plan's financial statements. Other costs such as loan fees paid by participants, recordkeeping fees, and investment management fees are paid with Plan assets and are reflected in the financial statements.

***Notes Receivable From Participants.***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Participant loans are reclassified as distributions based upon the terms of the plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024, or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participants loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

***Investment Contracts.***

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

***Risk and uncertainties.***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

COMMUNITY HEALTH CENTERS OF THE CENTRAL COAST, INC.  
401(a) SAVINGS PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE C: FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels; Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Fair value measurements for investments reported at fair value on a recurring basis were determined based on:

	Quoted Prices In Active Markets for Identical Assets <u>(Level 1)</u>
<u>December 31, 2024</u>	
Mutual Funds	
Fixed Income	\$ 4,686,886
Index Funds	20,912,812
Balanced Funds	734,847
Growth Funds	599,436
Hybrid Funds	<u>56,719,875</u>
Total Investments at Fair Value	<u>\$ 83,653,856</u>

COMMUNITY HEALTH CENTERS OF THE CENTRAL COAST, INC.  
403(b) SAVINGS PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE C: FAIR VALUE MEASUREMENTS (Continued)**

December 31, 2023

Mutual Funds	
Fixed Income	\$ 4,484,860
Index Funds	16,887,131
Balanced Funds	304,903
Growth Funds	745,617
Hybrid Funds	<u>50,505,044</u>
Total Investments at Fair Value	<u>\$ 72,927,555</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2024, there were no transfers between Levels 1, 2 and 3.

**NOTE D: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

In 2023, the Plan entered into a fully benefit-responsive guaranteed investment contract with the Standard Insurance Company (the Standard). The Standard maintains the contributions in its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented at contract value on the face of the statement of net assets available for benefits. Contract value, as reported to the Plan by the Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1 %. Such interest rates are reviewed on a quarterly basis for resetting.

401(a) SAVINGS PLAN

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE D: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY  
(Continued)**

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (2) changes to the plan's prohibition on competing investment options; (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations; (4) the failure of the Plan to qualify under 401(a) of the IRC or the failure of the trust to be tax exempt under Section 501(a) of the IRC; or (5) premature termination of the contract. The plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer, and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issue to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following: (a) an uncured violation of the Plan's investment guidelines (b) a breach of material obligation under the contract (c) a material misrepresentation (d) a material amendment to the agreements without the consent of the issuer

**NOTE E: PLAN ADMENDMENTS**

Effective August 1, 2023, the Plan was amended and converted from a 401(k) Plan to a 401(a) Profit Sharing Plan.

The following are a summary changes to the Plan:

Effective August 1, 2023, the Plan was converted from a 401(k) Plan to a Profit-Sharing Plan and the name of the Plan was changed to Community Health Centers of the Central Coast, Inc. 401(a) Savings Plan.

Effective August 1, 2023, the Plan was amended to reflect a change in the custodian from Fidelity Trust Company (Fidelity) to Reliance Trust. As a result of this change, participants can no longer contribute to investment options offered by Fidelity. In addition, on August 1, 2023, the Plan was amended to reflect the change of administrator and record keeper from Fidelity to Standard Retirement Services, Inc.

Effective August 1, 2023, the Plan no longer permits employee pre-tax elective deferrals and Roth elective deferrals.

Notes to Financial Statements  
December 31, 2024 and 2023

**NOTE F: UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE**

The December 31, 2024 and December 31, 2023 Statement of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the twelve months ended December 31, 2024, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.10-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$83,653,856 and \$72,927,555 at December 31, 2024 and December 31, 2023, respectively, and related investment income of \$10,387,690 for the year ended December 31, 2024.

**NOTE G: DELIQUENT PARTICIPANT CONTRIBUTIONS**

The Organization untimely remitted certain participant contributions and loan repayments to the Plan aggregating \$106,081 and \$799,543 during the 2024 and 2023 plan years, respectively. These untimely remittances constitute a prohibited transaction under ERISA and the Internal Revenue Code. The Organization filed an application with the U.S. Department of Labor Voluntary Fiduciary Correction Program (VFCP) and remitted lost earnings to the Plan to correct these prohibited transactions.

**NOTE H: TAX STATUS**

The Internal Revenue Service has determined and informed the Organization by letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue code. Although the plan has been amended since receiving the determination letter, the Plan administrator and the Plan's third party administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2024, there are not uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions: however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Notes to Financial Statements

**NOTE I: PARTIES-IN-INTEREST & RELATED-PARTY TRANSACTIONS**

The Plan invests in guaranteed investment contracts with the Standard, the parent company of the Plan's administrator and record keeper, Standard Retirement Services, Inc. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for plan administration and recordkeeping services amounted to \$325,494 for the year ended December 31, 2024.

**NOTE J: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

**NOTE K: EVALUATION OF SUBSEQUENT EVENTS**

For the year ended December 31, 2024, the Plan has evaluated subsequent events for potential recognition and disclosure through October 9, 2025, the date of financial statement issuance.
