## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Olgoonik Development SCA 401(k) Plan  
Anchorage, Alaska

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Olgoonik Development SCA 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## INDEPENDENT AUDITOR'S REPORT, CONTINUED

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

## INDEPENDENT AUDITOR'S REPORT, CONTINUED

### **Auditor's Responsibilities for the Audit of the Financial Statements, continued**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **OLGOONIK DEVELOPMENT SCA 401(K) PLAN**

### **Notes to Financial Statements**

December 31, 2024 and 2023

---

#### **Note 1 - Description of the Plan**

The following brief description of the Olgoonik Development SCA 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### General

The Plan is a defined contribution plan covering all employees of Olgoonik Development LLC and Subsidiaries (the Company or Employer) in its controlled group who have adopted the Plan and are a Service Contract Act employee. Employer contributions require one year and 1,000 hours of service. The Plan engages Fidelity Management Trust Company (the Trustee) to hold and invest Plan assets and execute Plan transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended and the Internal Revenue Code (IRC).

##### Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to annual Internal Revenue Service (IRS) limitations. In addition, participants may elect to designate all or part of elective contributions as Roth deferrals, subject to IRS limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company contributes 100% of the first 4% of base compensation that a participant contributes to the Plan.

Employees working under a prevailing wage contract receive prevailing wage contributions that help satisfy the fringe benefit requirements of prevailing wage law. Such contributions are 100% vested. For purposes of receiving any prevailing wage contribution made to the Plan, participants are eligible to participate on their date of hire and enter the Plan on that date. Total prevailing wage contributions were \$577,139 for the year ended December 31, 2024.

##### Investment Elections

Each participant may direct their account balance into one or more of the investment options offered by the Plan or a self-directed investment option. Investment options are held and managed by Fidelity Investment Institutional. Self-directed investment options allow a participant to invest in other mutual funds and common stocks and other investments, which are not part of other general Plan investment options. Participants may change their investment elections and make transfers between investment options daily.

##### Revenue Sharing

The Plan has a revenue sharing agreement with the Plan's Custodian. This revenue sharing agreement provides the Plan with a portion of the fees collected by the Custodian from Plan investments. For the year ended December 31, 2024, the Plan earned revenue sharing of \$27,692, of which the full amount was used to pay administrative expenses. There was no revenue sharing activity in 2023.

##### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are made in a manner which recognizes each participant's account balance, investment selection, and timing of contributions and withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## **OLGOONIK DEVELOPMENT SCA 401(K) PLAN**

### **Notes to Financial Statements**

December 31, 2024 and 2023

---

#### **Note 1 - Description of the Plan, continued**

##### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, or up to 10 years for the purchase of a principal residence. Principal and interest are paid ratably through payroll deductions. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with rates charged by commercial lenders for loans made under similar circumstances. The interest rates range from 4.25% to 9.50% for the year ended December 31, 2024.

##### Vesting

Participants are immediately vested in their contributions, prevailing wage contributions, Company contributions, and actual earnings thereon.

##### Payment of Benefits

Upon termination of service for any reason including due to death, disability, or retirement, the Plan permits the participant, or his or her beneficiary, to receive benefits under the Plan. Benefits may be distributed in a single lump sum or partial withdrawals and paid in the form of cash or property. In the event the participant's vested account balance is less than \$5,000 and the participant makes no election, the distribution is made regardless of whether the participant consented to receive it. Account balances exceeding \$1,000 are distributed to an Individual Retirement Account without consent. Account balances less than \$1,000 are distributed in lump sum without consent. Financial hardship withdrawals are permitted, as defined in the Plan agreement.

#### **Note 2 - Summary of Significant Accounting Policies**

##### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

##### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### Investments Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### Transfer of Assets to the Plan

Transfers represent Plan assets transferred to the Olgoonik Development, LLC 401(k) Plan (EIN: 92-0176618, Plan: 001).

##### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

## **OLGOONIK DEVELOPMENT SCA 401(K) PLAN**

### **Notes to Financial Statements**

December 31, 2024 and 2023

---

#### **Note 2 - Summary of Significant Accounting Policies, continued**

##### Payments of Benefits

Benefits are recorded when paid.

##### Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. The Plan permits the payment of Plan expenses to be made from the Plan's assets. Fees are charged to participants on a pro rata basis, equally to participant accounts, or specifically to a participant account for transactions specifically related to that participant.

##### Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

##### Subsequent Events

The Plan has evaluated subsequent events through October 10, 2025, the date the financial statements were available to be issued.

#### **Note 3 - Information Certified by Trustee**

The Plan's investments are held by Fidelity Management Trust Company, the Trustee of the Plan. Investment decisions are made at the direction of the participants. The investments are credited for earnings thereon and charged for withdrawals and expenses as charged by the Trustee. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2024 and 2023, and for the year ended December 31, 2024, that the following information provided to the Plan Administrator by the Trustee is complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest on notes receivable from participants

#### **Note 4 - Fair Value Measurements**

Fair value is the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

## OLGOONIK DEVELOPMENT SCA 401(K) PLAN

### Notes to Financial Statements

December 31, 2024 and 2023

---

#### Note 4 - Fair Value Measurements, continued

The Plan follows a fair value hierarchy to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Three levels of input may be used to measure fair value:

Level 1 - quoted prices in active markets for identical assets or liabilities.

Level 2 - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

*Registered Investment Companies (Mutual Funds):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trusts (CCT):* CCTs invest in a variety of guaranteed investment contracts, domestic stocks, international stocks, mutual funds, bonds, and other securities. The majority of the underlying securities have observable level 1 quoted pricing inputs. While the underlying asset values are generally based on publicly quoted prices, the NAV of each individual CCT is not valued using publicly quoted prices.

*Self-Directed Brokerage Accounts:* Consist of common stock. Common stock is valued at the closing price reported on the active market on which the individual securities are traded.

The Plan also invests in the Putnam Stable Value Fund (the Fund or PSVF), a common collective trust. This Fund invests directly or indirectly in fully benefit-responsive investment contracts. The Fund is valued at the NAV as provided by the trustee, which is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Were the Plan to initiate a full redemption of the PSVF, the issuer reserves the right to temporarily delay withdrawal from the PSVF in order to ensure that securities liquidations will be carried out in an orderly business manner. Plan management does not anticipate any conditions occurring that would limit its ability to transact at fair value.

#### Note 5 - Plan Termination

Although it has not expressed any intent to do so, Olgoonik Development LLC and Subsidiaries have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## **OLGOONIK DEVELOPMENT SCA 401(K) PLAN**

### **Notes to Financial Statements**

December 31, 2024 and 2023

---

#### **Note 6 - Tax Status**

The IRS has determined by an opinion letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA-sponsored by FMR LLC which has been adopted by the Plan, is acceptable pursuant to section 401 of the IRC and in compliance with the applicable requirements of the IRC. The Plan has not requested its own determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements at December 31, 2024. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 7 - Party-in-Interest Transactions**

Fidelity Investments Institutional provides third-party administration services to the Plan, Morgan Stanley Smith Barney LLC provides investment advisory services to the Plan, and Fidelity Management Trust Company provides custodian services to the Plan. Transactions with these entities qualify as party-in-interest transactions and are exempt from the prohibited transaction rules under ERISA.
