## INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Participants  
Skin Cancer & Cosmetic Dermatology 401(k) Plan A  
Chattanooga, Tennessee

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements***

We have performed audits of the financial statements of Skin Cancer & Cosmetic Dermatology 401(k) Plan A (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplementary Schedules Required by ERISA***

The supplementary schedules of assets held at end of year and schedule of delinquent participant contributions as of and for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. # SKIN CANCER & COSMETIC DERMATOLOGY 401(K) PLAN A

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

### **NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Skin Cancer & Cosmetic Dermatology 401(k) Plan A (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **General**

Effective January 1, 2010, Skin Cancer & Dermatology Center (the Company) established the Skin Cancer & Cosmetic Dermatology 401(k) Profit Sharing Plan and Trust. Beginning January 1, 2021, the Plan was renamed Skin Cancer & Cosmetic Dermatology 401(k) Plan A.

The Plan is a defined contribution plan covering employees who are age 21 or older and with at least one year of service for employee contributions and with at least two years of service for matching contributions. Employees may become participants immediately upon completion of the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### **Contributions**

Each year, participants may contribute up to a dollar amount set by law of pretax annual eligible compensation, as defined in the Plan. Participants may make pre-tax and after-tax contributions of eligible compensation to the Plan up to the maximum amount allowed by law. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company may make matching contributions equal to a discretionary percentage, to be determined by the employer, of the participant's contributions. Contributions are subject to certain limitations. The Company may also make annual profit-sharing contributions to the Plan.

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution, rollover contributions, and allocations of (a) the Company's contribution, if applicable, and (b) plan earnings less expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are allocated based on participant earnings or account balances.

#### **Investment Options**

Investments are held by Ascensus LLC, the trustee of the Plan (the Trustee). Upon enrollment in the Plan, a participant may direct the investment of their contributions in any of the available investments managed by the Trustee.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

**NOTE 1 – DESCRIPTION OF PLAN (Continued)**

**Vesting**

Participants are immediately vested in their contributions, rollover contributions, safe harbor contributions, and company match contributions plus actual earnings thereon.

Vesting in the Company’s profit sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

| Years of Service | Percent Vested |
|------------------|----------------|
| Less than 2      | 0%             |
| 2                | 20%            |
| 3                | 40%            |
| 4                | 60%            |
| 5                | 80%            |
| 6 or more        | 100%           |

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at the prime rate between 3.25% to 8.50% for loans outstanding at December 31, 2024. Principal and interest are paid ratably through deductions from each payroll. Only one loan may be outstanding at any time.

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant, or their beneficiary, may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or monthly, quarterly, semiannual, or annual installments over a period not to exceed participant’s, or beneficiary’s, life expectancy or joint survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are allowed as defined in the plan agreement.

**Forfeited Accounts**

There were \$10 of forfeitures in the Plan at December 31, 2024. There were no forfeitures in the Plan at December 31, 2023. Forfeitures are used first to pay administrative expenses of the Plan. Any excess forfeiture, after paying administrative expenses, is used to reduce employer contributions. In 2024, administrative expenses were reduced by \$6,214 by forfeited non-vested accounts.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

### NOTE 1 – DESCRIPTION OF PLAN (Continued)

#### **Administrative Expenses**

The Plan permits the payment of plan expenses to be made from plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts. For the year ended December 31, 2024, administrative fees paid for by plan assets totaled \$44,804.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, plan assets must be used for the exclusive benefit of participants.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared using the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Payment of Benefits

Benefits are recorded when paid.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

### NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as to complete and accurate by the Trustee of the Plan:

|   | 2024         | 2023         |
|---|--------------|--------------|
| Investments, at fair value                    | \$ 7,966,249 | \$ 6,709,718 |
| Notes receivable from participants            | 230,183      | 229,782      |
| Investment income:                            |              |              |
| Interest and dividends                        | 323,758      |              |
| Net appreciation in fair value of investments | 590,905      |              |

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

### NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

**Level 1** - consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.

**Level 2** - consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.

**Level 3** - consists of significant unobservable inputs for the asset or liability and has the lowest priority.

#### Fair Value Measurements Using:

| December 31, 2023 | Fair<br>Value       | Level 1             |
|-------------------|---------------------|---------------------|
| Mutual funds      | \$ 7,966,249        | \$ 7,966,249        |
| Cash Equivalents  | <u>280,036</u>      | <u>280,036</u>      |
| Total             | <u>\$ 8,246,285</u> | <u>\$ 8,246,285</u> |

#### Fair Value Measurements Using:

| December 31, 2023 | Fair<br>Value       | Level 1             |
|-------------------|---------------------|---------------------|
| Mutual funds      | \$ 6,709,718        | \$ 6,709,718        |
| Cash Equivalents  | <u>230,826</u>      | <u>230,826</u>      |
| Total             | <u>\$ 6,940,544</u> | <u>\$ 6,940,544</u> |

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

### NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

The Trustee is considered a party-in-interest. Trinity Pension Consultants, the third-party administrator for the Plan, performed the compliance testing and is also considered a party-in-interest. Investment fees paid by the Plan to the Trustee are netted against investment returns.

# SKIN CANCER & COSMETIC DERMATOLOGY 401(K) PLAN A

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

### NOTE 6 – TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more likely than not the position will be sustained upon examination by the tax authorities.

The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2021 through December 31, 2024, the years that remain subject to examination by major tax jurisdictions as of December 31, 2024.

### NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

As of December 31, 2024, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$537,859. Of those balances, no amount had been requested to be paid to the participants as of the Plan's year end.

### NOTE 8 – DEFERRAL ELECTION ERRORS

During the audit of the 2017 financial statements, the plan sponsor discovered that changes in employee-requested deferrals during 2017 were not implemented by the record keeper until 2018. For the plan year ended December 31, 2017, the plan sponsor calculated missed deferrals, match, and lost earnings \$56,310 and deposited those funds into the Plan in 2024. For the plan year ended December 31, 2018, the plan sponsor calculated missed deferrals, matches, and lost earnings of \$15,293 and is working on depositing these into the Plan. For the plan year ended December 31, 2022, the Plan noted deferrals were still not being withheld from bonus payments. The plan sponsor calculated missed deferrals, matches, and lost earnings of \$59,161, and deposited these funds into the Plan in 2024. The accompanying financial statements include a receivable of \$15,293 for the cost of the remaining corrections. The plan sponsor is self-correcting these errors in 2025.

### NOTE 9 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2024 through October 9, 2025, (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure.
