Other Documents Containing Audited Financial Statements

The Plan’s audited financial statements are included in the Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the Department of Labor Employee Benefits Security Administration. As part of our procedures, we read the draft Form 5500 that is substantially complete to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management’s attention and review subsequent revisions.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

The undersigned ("We") are providing this letter in connection with Forvis Mazars' audits of the financial statements of Populous 401(k) Retirement Savings Plan (the Plan) as of and for the years ended December 31, 2024 and 2023, and supplemental schedule as of December 31, 2024.

Our representations are current and effective as of the date of Forvis Mazars' report: October 2, 2025.

Our engagement with Forvis Mazars is based on our contract for services dated: October 2, 2025.

Our Responsibility & Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to Forvis Mazars' report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's (DOL) Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.
