INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the
United Airlines Flight Attendant 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the United Airlines Flight Attendant 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company, the trustee of the Plan and a qualified institution, as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED AIRLINES FLIGHT ATTENDANT 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 and 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

1. DESCRIPTION OF PLAN

The following description of the United Airlines Flight Attendant 401(k) Plan (the "Plan") is for general information purposes only. More complete information about the Plan Document, vesting, and benefit provisions is contained in the Summary Plan Description, a copy of which is available from United Airlines, Inc. ("United" or "Company").

General and Plan Participants. The Plan is a defined contribution plan covering certain employees of United classified as flight attendants and who are represented by the Association of Flight Attendants ("AFA"). Employees are eligible to become participants on their date of hire as a Flight Attendant, upon completing Flight Attendant training. The Plan Sponsor is United, a wholly owned subsidiary of United Airlines Holdings, Inc. ("UAHI"), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Trustee and Record Keeper. Fidelity Management Trust Company ("Fidelity" or "Trustee") is the Plan's trustee and record keeper.

Employee Contributions. Participants may elect to make voluntary pre-tax, Roth 401(k), and/or post-tax contributions to the Plan. A participant may elect to contribute 1% to 100% - in increments of 1% - of eligible earnings for a Plan year subject to limitations under the Internal Revenue Code (the "Code"). A one-time post-tax contribution during an open window at the end of the year may also be made. Participants who are or will attain the age of 50 or older before the close of the calendar year are eligible to make catch-up contributions in accordance with Section 414(v) of the Code. Participants residing in the Commonwealth of Puerto Rico are not eligible for Roth 401(k) contributions and may make limited post-tax and catch-up contributions per Puerto Rico Law.

Participants may elect to roll over pre-tax or Roth 401(k) money into the Plan from certain other qualified employer plans or a qualified Individual Retirement Account ("IRA"). With the exception of Roth 401(k) rollover contributions, the Plan will not accept a rollover of after-tax contributions.

Employer Contributions. United makes matching and/or direct contributions by employee category, as follows:

- *Pre-merger United Flight Attendants and newly hired or rehired Flight Attendants* – Subject to the limitations and conditions of the Plan and collective bargaining agreement, United will make Employer Matching Contributions equal to 100% of the participant's pre-tax and Roth 401(k) contributions up to 3% of eligible earnings. In addition, United will make Employer Direct Contributions equal to 5% of eligible earnings.
- *Pre-merger Continental and CMI Flight Attendants* – Subject to the limitations and conditions of the Plan and collective bargaining agreement, United will make Employer Matching Contributions equal to the greater of 100% of the participant's pre-tax and Roth 401(k) contributions up to a maximum of \$300 or the amount determined based on the participant's employee contributions and years of service. The contribution percentage ranges from a maximum match of 0.75% to 3.00% of eligible earnings.

Vesting. Participants are 100% vested in the value of their pre-tax, Roth 401(k), post-tax and rollover contributions to the Plan. The vesting for employer contributions by employment category is as follows:

- *Pre-merger United Flight Attendants and newly hired or rehired Flight Attendants* – Pre-merger United Flight Attendants employed as of January 1, 2006 are 100% vested in their Employer Matching Contributions and Employer Direct Contributions. Otherwise, Employer Direct Contributions and Employer Matching Contributions will be on a three-year vesting schedule beginning with 33% vested after the first year of service and increasing in 33% increments thereafter. Participants will be 100% vested after their third year of service, upon death, or attainment of age 65 while employed by United or an Affiliate.
- *Pre-merger Continental and CMI Flight Attendants* – Participants are always 100% vested in their Employer Matching Contributions.

Forfeitures. If a participant incurs a break in service of five full years or takes a total distribution of their account, the non-vested portion of their account will be forfeited. If the participant resumes employment with United or an Affiliate prior to incurring a break in service of five full years, any forfeited amounts will be restored to the participant's account. Forfeitures occurring in a plan year will first be applied to restore the accounts of participants and any remaining forfeitures will be used to reduce the employer's contributions for the plan year in which the forfeiture occurs.

Investment Funds. Upon enrollment in the Plan, participants may direct their contributions and any employer contributions to any of the Plan's designated investment options, including the self-directed brokerage. If a participant fails to make an investment election, his or her accounts shall be invested in the default fund designated by the Investment Committee. The UAL Stock Fund was frozen for new investments, effective September 30, 2010. Participants may hold or sell shares in the UAL Stock Fund but may not purchase shares.

Participant Accounts. Individual accounts are maintained for each Plan participant. Each participant's account is credited with contributions and Plan earnings, and charged with withdrawals, an allocation of Plan losses and administrative fees. Allocations are based on account balances, as defined by the Plan. Each participant is entitled to the benefit that can be provided from the participant's vested account.

Participant Loans. Active employees who are receiving regular pay from United may borrow from their Plan accounts. Generally, participants may borrow up to 50% of his or her account balance (excluding certain subaccounts) and subject to a minimum amount of \$1,000 and a maximum amount of \$50,000. While the repayment period for a general purpose loan is usually 12 to 60 months, the maximum repayment period may be up to 180 months if the loan is for the purchase of a principal residence. The Plan allows a participant to have up to two loans outstanding at any one time, but only one of such loans may be a principal residence loan.

Payment of Benefits. Participants who have separated from service (for reasons other than death) may elect payment in the form of a full or partial lump sum, equal periodic installments, or in the form of an immediate annuity. Distributions of accounts due to the death of a participant may be taken by the participant's beneficiary in the form of a lump-sum payment or through the purchase of an annuity, subject to the limitations of Code Section 401(a)(9). In-service withdrawals for participants who are employed by United depend on the types of contributions withdrawn, the reason for the withdrawal, and age at time of withdrawal. The Plan allows in-service withdrawals of post-tax contributions (and the earnings thereon), complete or partial withdrawals by participants who have attained age 59½ (62 for certain sources), and financial hardship withdrawals subject to restrictions described in Plan agreements, and QBOADs.

A participant who received a coronavirus-related distribution or QBOAD is permitted, at any time during the 3-year period beginning the day after the date of the distribution, to retribute any portion of that distribution, but not an amount in excess of the distribution, to the Plan. Any such retribution shall be treated as rollover contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Investment Valuation and Income Recognition. The Plan's investments are held in the United Airlines, Inc. 401(k) Plan Master Trust (the "Trust"), which was established for the investment of assets of the Plan and several other plans sponsored by United and administered by the Trustee. The investments of the Trust are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value); see Note 6. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Appreciation/Depreciation in Value of Investments. Net appreciation/depreciation in value of investments includes realized and unrealized gains and losses. Realized and unrealized gains and losses are calculated as the difference between fair value at January 1, or date of purchase if subsequent to January 1, and fair value at date of sale or the current year-end.

Administrative Expenses. Administrative expenses, which are paid by the Plan, represent administrative, recordkeeping, and investment manager fees charged by Fidelity, as well as accountant and audit fees. Brokerage and other investment fees are included as a reduction of the investment return for such investments. United performs certain reporting and supervisory functions for the Plan without charge.

Payment of Benefits. Benefit payments to participants are recorded upon distribution.

Transfers between Plans. Transfers between plans reflect the change in employee coverage and transfer of any related balances between this Plan and other defined contribution plans sponsored by United.

Risks and Uncertainties. The Plan utilizes various investment instruments, including mutual funds, common/collective trusts and investment contracts. Investment securities are exposed to various risks such as interest rate, credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events. The Plan has evaluated subsequent events through October 1, 2025, the date the financial statements were issued and no material events were noted.

3. ASSETS IN MASTER TRUST

Assets of the Plan are commingled with the assets of another participating United plan, the United Airlines 401(k) Savings Plan. Although assets of the plans are commingled in the Trust, the Trustee maintains separate records for each plan. Assets of the Trust, at fair value, are allocated to the following plans at December 31, 2024 and at December 31, 2023, as follows (in thousands):

4. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from the trustee that the following data included in the accompanying financial statements and schedule is complete and accurate:

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2024 and 2023.
- Investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

- The schedule of assets (held at end of year) as of December 31, 2024.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and schedule.

5. GUARANTEED INVESTMENT CONTRACT (GIC) AND SYNTHETIC GIC

The Trust holds investments in two types of stable value investment contracts: a traditional GIC as part of the Stated Return Fund and synthetic GICs held by the Stable Value Fund. These funds are fully benefit-responsive funds which seek to provide investors with a moderate level of stable income without principal volatility.

Participants that have holdings in the Stated Return Fund and/or Stable Value Fund may direct permitted withdrawals or transfers of all or a portion of their account balance at contract value. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and expenses.

The Plan's ability to receive amounts due in accordance with fully benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

GIC

The Stated Return Fund contains an annuity insurance contract with Prudential Retirement Insurance and Annuity Company (Prudential). It is closed to new investments, but participants may still hold or trade their current holdings in the Plan.

Interest is credited on contract balances using a single "portfolio rate" approach. Under this method, a single crediting rate is applied to all contributions made to this fund regardless of the timing of those contributions. Interest crediting rates are determined according to a specific formula. Factors that impact the formula include the fund's cash flow activity as well as the expected and actual investment experience of securities held in a commingled portfolio within Prudential's general account. The minimum crediting rate under the annuity contract is 3.7%. Crediting rates are reviewed on an annual basis for resetting.

The contract value of the investment contracts in the Stated Return Fund held by the Trust as of December 31, 2024 and 2023 was \$31 million and \$34 million, respectively.

The Plan's ability to transact at contract value could be limited in the event of contract termination initiated by the Plan or Trust. There are no instances in which the issuer could terminate the contract and settle for an amount less than contract value.

Synthetic GICs

The Stable Value Fund currently holds investments in synthetic GICs comprised of a portfolio of U.S. Government and other high quality (rated A- or above) debt securities managed by Galliard Capital Management, Inc. on behalf of the Plan, and "wrap" contracts with a number of counterparties. The wrap contracts provide additional assurance that participants will be able to withdraw funds at contract value in the event that market value declines below contract value followed by significant participant withdrawals.

Interest crediting rates are determined by comparing contract value and the estimated future market value of the underlying investment portfolio, which is determined by compounding the portfolio's current yield to maturity over the remaining duration of the fund. The crediting rate is equal to the discount rate that equates market value and contract value over the remaining

duration of the fund. The minimum crediting rate under the Stable Value Fund is 3.65%. Crediting rates are reviewed quarterly for resetting.

The contract value of the investment contracts in the Stable Value Fund held by the Trust as of December 31, 2024 and 2023 was \$764 million and \$796 million, respectively.

The wrap contracts limit the ability of the Plan to transact at contract value upon the occurrence of certain events, which the Plan Sponsor does not believe are probable. These events include: (i) the Plan's failure to qualify under Section 401(a) or 401(k) of the Code; (ii) the establishment of a defined contribution plan that competes with the Plan for employee contributions; (iii) any substantive modification of the Plan or the administration of the Plan that is not consented to by the contract issuer; (iv) complete or partial termination of the Plan; (v) any change in law, regulation or administrative ruling applicable to the Plan that could have a material adverse effect on the fund's cash flow; (vi) merger or consolidation of the Plan with another plan, the transfer of Plan assets to another plan, or the sale, spin-off or merger of a subsidiary or division of the Plan Sponsor; (vii) any communication given to participants by the Plan sponsor or any other Plan fiduciary that is designed to induce or influence participants not to invest in the Funds or to transfer assets out of the Stable Value Fund; (viii) exclusion of a group of previously eligible employees from eligibility in the Plan; (ix) any early retirement program, group termination, group layoff, facility closing, or similar program; and (x) any transfer of assets from the Stable Value Fund directly to a competing option.

6. FAIR VALUE MEASUREMENT

U.S. GAAP includes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets for assets or liabilities identical to those to be reported at fair value. |
| Level 2 | Other inputs that are observable directly or indirectly, such as quoted prices for similar assets or liabilities or market-corroborated inputs. |
| Level 3 | Unobservable inputs for which there is little or no market data and which require us to develop our own assumptions about how market participants would price the assets or liabilities. |

The following is a description of the valuation methodologies used for Plan assets. There have been no changes in the methodologies at December 31, 2024 or 2023.

Self-directed brokerage accounts: The investments in these accounts include mutual funds, ETFs, and common stocks that are valued on the basis of readily determinable market prices. These investments also include cash and short-term interest-bearing investments, with initial maturities of three months or less. Such amounts are recorded at cost, plus accrued interest, which approximates market value. Other assets in the accounts include preferred stock, U.S. government securities, corporate bonds, unit investment trusts, and real estate investment trusts. These assets are valued using pricing models maximizing the use of observable inputs for similar securities.

Common collective trusts: Maintained by bank or trust companies and holds investments in multiple securities. For collective funds that are not publicly quoted, the fund is valued using NAV, derived from quoted prices in active markets of the underlying securities.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

The following table presents the Trust's investment assets and liabilities at fair value categorized in the different levels, as of December 31, 2024 and 2023. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

	Master Trust and Plan investments at Fair Value as of December 31, 2024			
	Total	Level 1	Level 2	Level 3
(in millions)				
Self-directed brokerage accounts	\$ 2,464	\$ 2,418	\$ 46	\$ —
Common collective trusts	8,133	—	8,133	—
UAHI common stock	342	342	—	—
Total assets in the fair value hierarchy	10,939	2,760	8,179	—
Investments measured at NAV (a)	3,549	—	—	—
Total investments at fair value	<u>\$ 14,488</u>	<u>\$ 2,760</u>	<u>\$ 8,179</u>	<u>\$ —</u>

	Master Trust and Plan investments at Fair Value as of December 31, 2023			
	Total	Level 1	Level 2	Level 3
(in millions)				
Self-directed brokerage accounts	\$ 2,012	\$ 1,961	\$ 51	\$ —
Common collective trusts	7,357	—	7,357	—
UAHI common stock	155	155	—	—
Total assets in the fair value hierarchy	9,524	2,116	7,408	—
Investments measured at NAV (a)	2,848	—	—	—
Total investments at fair value	<u>\$ 12,372</u>	<u>\$ 2,116</u>	<u>\$ 7,408</u>	<u>\$ —</u>

(a) In accordance with the relevant accounting standards, certain investments that are measured at fair value using the NAV per share (or its equivalent) have not been classified in the fair value hierarchy. These investments include commingled funds that invest in various securities of U.S. and non-U.S. public or private-sector entities, as well as holdings in stable value investment contracts.

The following table summarizes investments measured at fair value based on NAVs per share as of December 31, 2024 and 2023, respectively.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective funds	\$ 3,549	\$ —	Daily	None
December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective funds	\$ 2,848	\$ —	Daily	None

Common/collective Trusts – objective is to provide long-term capital growth by investing primarily in equity securities of domestic and foreign issuers.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Trust investments are interests in investment products managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The administrative fees paid by the Plan and the United Airlines 401(k) Savings Plan to Fidelity for 2024 were \$3,637,914. This amount was paid by deducting four quarterly installments equaling an annual fixed dollar recordkeeping fee from participant accounts. Revenue credit based on participants' investments in funds associated with revenue sharing was allocated quarterly to the participants with a balance in those funds at a point in time.

The Plan offered an investment option consisting primarily of UAH common stock. UAH is the parent company of United and, as such, investment activity related to the UAH common stock qualifies as exempt party-in-interest transactions. Such investment option is no longer offered as an investment option under the Plan, but participants may still hold or trade their current holdings of UAH common stock.

8. PLAN TERMINATION

United expects to continue the Plan indefinitely, but reserves the right to terminate the Plan, in whole or in part, provided that Plan termination is affected by a written resolution adopted by a majority of the Board of Directors of United subject to the provisions set forth in ERISA. If the Plan is terminated, all amounts credited to a participant's account at the time of termination become fully vested and shall be retained in the Trust and will be distributed in accordance with the normal distribution rules of the Plan and ERISA.

9. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed United by a letter dated July 22, 2014, that the Plan and related Trust were designed in accordance with applicable regulations of the Code. United and Plan management believe the Plan is currently designed and operated in accordance with applicable requirements of the Code, and the Plan and related trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more-likely-than-not-would not be sustained upon examination by the IRS. The Plan is subject to routine audits by the taxing authorities; however, there are currently no audits for any tax periods in progress.

10. RECONCILIATION TO FORM 5500

At December 31, 2024, the amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, 2024, but not yet paid as of that date. Such amounts are not reported and considered liabilities under U.S. GAAP and, therefore, are not presented as liabilities in the accompanying financial statements.

The reconciliation between the financial statements and the Form 5500 is as follows (in thousands):

	2024	2023
Net assets available for benefits per financial statements	\$ 5,325,157	\$ 4,602,229
Less: Participant withdrawals payable at December 31	—	(80)
Net assets available for benefits per Form 5500	<u>\$ 5,325,179</u>	<u>\$ 4,602,149</u>

	Year Ended December 31, 2024
Benefits paid to participants per financial statements	\$ 303,403
Add: amounts allocated to withdrawing participants at December 31, 2024	—
Less: amounts allocated to withdrawing participants at December 31, 2023	(80)
Benefits paid to participants per Form 5500	<u>\$ 303,323</u>
