## Independent Auditor's Report

### Retirement Plan Committee White Memorial Community Health Center 403(b) Plan

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of White Memorial Community Health Center 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2024 and schedule of assets (held at end of year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1      DESCRIPTION OF THE PLAN**

The following description of the White Memorial Community Health Center 403(b) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document, as amended, for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution retirement plan, as defined under Section 403(b) of the Internal Revenue Code (IRC), covering the employees of White Memorial Community Health Center (WMCHC) who are age 21 or older. WMCHC is the Plan Sponsor and serves as the Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Committee is responsible for oversight of the Plan.

**Eligibility**

An employee may make elective deferrals beginning on the date of hire. Employees are eligible to receive employer contributions after completing 90 days of service.

**Contributions**

Participants may contribute a percentage of their annual compensation, as defined in the Plan, up to the maximum limit permitted by the IRC. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and their contributions are invested in a designated balanced fund until changed by the participant. WMCHC provides for fixed-employer contributions equal to 3.0% of each participant's eligible compensation. During the years ended December 31, 2024 and 2023, the employer contributions amounted to \$210,917 and \$200,812, respectively. None of these amounts was funded through forfeitures. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which participant compensation is earned.

**Participant Accounts**

Each employee's account is credited with the participant's contributions and WMCHC's matching contribution, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes to Financial Statements**  
**Years Ended December 31, 2024 and 2023**

---

**NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)**

**Vesting**

Participants are immediately vested in their contributions plus actual earnings or losses thereon. Employer contributions are vested based on a 3-year cliff vesting schedule. Additionally, each participant's account balance may become fully vested upon death or total and permanent disability.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined by the Plan. Principal and interest are paid ratably through bi-weekly payroll deductions. A participant may only have one outstanding loan at any time.

**Payment of Benefits**

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account; a partial withdrawal, provided the minimum withdrawal is \$1,000; or in any form permitted by the Plan.

**Forfeitures**

Forfeited accounts are used to reduce future employer contributions and administration fees. The changes in the Plan's forfeiture account balance for the years ended December 31, 2024 and 2023 are as follows:

	<b>2024</b>	<b>2023</b>
Balance, January 1	\$ 13,263	\$ 10,573
Forfeitures during the year	20,984	2,392
Interest earned and other adjustments	454	298
Forfeitures used during the year	(14,700)	-
Balance, December 31	\$ 20,001	\$ 13,263

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Notes 3 and 4 for the discussion of fair value and contract value measurements, respectively.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Payments of Benefits**

Benefits paid to participants are recorded when paid.

**Administrative Expenses**

Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by WMCHC. Expenses that are paid by WMCHC are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation (depreciation) of the fair value of investments.

**NOTE 3      FAIR VALUE MEASUREMENT**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, the framework for measuring fair value, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**NOTE 3      FAIR VALUE MEASUREMENT (CONTINUED)**

*Level 2* - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Mutual funds: Investments in mutual funds are valued at quoted market prices. This method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All the Plan's investments at fair value amounting to \$2,547,852 and \$1,932,507 as of December 31, 2024 and 2023, respectively, are classified as Level 1.

**NOTE 4      GROUP ANNUITY CONTRACT WITH STANDARD INSURANCE COMPANY**

The Plan holds a group annuity contract issued directly to the Plan and backed by the financial strength of Standard Insurance Company (Standard), which is considered a fully benefit-responsive contract. The Plan receives a direct guarantee of principal and accrued interest from Standard.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable to occur that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

As of December 31, 2024 and 2023, the contract values of the Plan's group annuity contract were \$22,165 and \$15,364, respectively.

**NOTE 5 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN**

The Plan's asset information as of December 31, 2024 and 2023, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Charles Schwab Trust Bank (CSTB), the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2024 and 2023;
- Investment information disclosed in Notes 3 and 4 to the Plan's financial statements; and
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024.

**NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by CSTB and EPIC Advisors, Inc. (EPIC). CSTB is the custodian of the Plan, and EPIC is the recordkeeper for the Plan; therefore, these transactions qualify as party-in-interest transactions that are exempt under ERISA. Fees paid by the Plan for investment management services were included as a reduction of the returns earned on these investments, while any other fees related to the Plan's operations are paid out of the forfeitures account. Fees paid by the Plan for administrative fees amounted to \$19,951 and \$4,381 for the years ended December 31, 2024 and 2023, respectively.

**NOTE 7 PLAN TERMINATION**

Although it has not expressed any intent to do so, WMCHC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE 8            INCOME TAX STATUS**

The Plan has adopted a preapproved plan document that has received an opinion letter from the IRS dated March 31, 2017, stating that the form of the preapproved plan document complied with applicable requirements of the Internal Revenue Code (IRC). The Plan has been designed to qualify under Section 403(b) of the IRC. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b).

The Plan Administrator believes the Plan is designed and is being operated in conformity with the applicable requirements of the IRC and therefore believes that the Plan is qualified.

**NOTE 9            RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 10          NEW LAWS AND REGULATIONS**

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0 Act) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans.

The IRS issued proposed regulations in February 2023 addressing the use and timing of forfeitures in qualified retirement plans. These regulations apply to plan years beginning on or after January 1, 2024. The regulation states that forfeitures must be used no later than 12 months after the end of the plan year in which the forfeitures were incurred. However, the transition rule also provides that any forfeitures that were incurred in any plan year beginning before 2024 are treated as having been incurred in the first plan year that begins on or after January 1, 2024, and, thus, must be used no later than December 31, 2025, for a calendar year plan.

For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plan years beginning after December 31, 2024.

**White Memorial Community Health Center 403(b) Plan**  
**Notes to Financial Statements**  
**Years Ended December 31, 2024 and 2023**

---

**NOTE 10      NEW LAWS AND REGULATIONS (CONTINUED)**

For plan years beginning in 2026, catch-up contributions for participants age 50 or older earning more than \$145,000 annually will be required to be made on a Roth (after-tax) basis. Management is monitoring regulatory guidance and evaluating administrative updates required to comply with this provision.

The Plan will implement the above legislative changes and intends to formally execute the required plan amendments reflecting their implementation by the deadline of December 31, 2026.

**NOTE 11      RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits as reported on the financial statements at December 31, 2024 and 2023, to Form 5500:

Add: Employee contributions - prior year	-	6,127
Less: Employer contributions receivable - current year	-	(3,544)
Net increase in net assets available for benefits as reported on Form 5500	<b>\$ 620,262</b>	<b>\$ 431,818</b>

**NOTE 12      NONEXEMPT TRANSACTIONS**

During the 2024 plan year, the Plan Sponsor inadvertently failed to deposit \$26,666 of participant deferrals and loan repayments within the required timeframe as stated in DOL regulations. As a result, the Plan Sponsor intends to calculate the associated lost earnings and make the necessary corrective contributions to the Plan in 2025.

**NOTE 13      SUBSEQUENT EVENTS**

The Plan has evaluated events subsequent to December 31, 2024, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through October 10, 2025, the date the accompanying financial statements were available to be issued. Based upon this evaluation, it was determined that no subsequent events occurred that required recognition or additional disclosure in the financial statements other than the Plan Committee's approval on September 24, 2025 to transition third-party administration services for the Plan from EPIC to Empower Retirement, LLC, effective on November 25, 2025.
