INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
BrewDog Brewing Company LLC
401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the **BrewDog Brewing Company LLC 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements (modified cash basis) comprise the statements of net assets available for benefits (modified cash basis) as of **December 31, 2024 and 2023**, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended **December 31, 2024**, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of **December 31, 2024 and 2023**, and for the year ended **December 31, 2024** stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in note 2, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in note 2, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BREWDOG BREWING COMPANY LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

General

The BrewDog Brewing Company LLC 401(k) Plan (the “Plan”) was formed July 1, 2016. The Plan is a defined contribution plan covering all employees who have met certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) and is administered by BrewDog Brewing Company LLC (the “Organization”). The Plan’s assets were held by Nationwide Trust Company as of and for the year ended December 2021. During the 3rd quarter of 2022, the assets of the Plan were transferred to Reliance Trust Company (Transamerica Retirement Solutions). Therefore, the assets of the Plan were held by Reliance Trust Company (Transamerica Retirement Solutions) and Nationwide Trust Company during 2022. All Assets were held by Reliance Trust Company (Transamerica Retirement Solutions) as of December 31, 2024 and 2023.

Eligibility

All employees who are scheduled to work at least 1,000 hours of service each year and who have attained the age of 21 are eligible to participate in the Plan as soon as it is administratively practicable after their date of employment. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

Contributions

Participants can contribute up to 100 percent of eligible compensation through pre-tax deferrals. However, contributions may not exceed limitations established under section 402(g) of the Internal Revenue Code of 1986 (“IRC”), as amended. The Plan permits catch-up elective deferrals for participants over 50 years of age subject to IRC limitations. Participants may also make rollover contributions to the Plan from other qualified plans.

If a participant meets certain Plan criteria, the Organization will make safe harbor matching contributions to the Plan in accordance with the Plan Document. A participant needs to have completed at least 1 year of service in order to receive this safe harbor matching contribution.

The Organization, in its sole discretion, also may make discretionary profit-sharing contributions to the Plan. The Organization did not make a discretionary profit-sharing contribution for the 2024 or 2023 Plan years.

Investments

Participants direct the investments of their contributions and Organization contributions into the investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and an allocation of the Organization’s contributions, earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting

Participants are immediately vested in their contributions, Organization safe harbor matching contributions, rollover contributions, and any actual earnings thereon.

BREWDOG BREWING COMPANY LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2024 AND 2023

Vesting of the Organization’s discretionary profit-sharing contributions and related earnings is based on years of service as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than Two Years	0%
Two Years but less than Three Years	20%
Three Years but less than Four Years	40%
Four Years but less than Five Years	60%
Five Years but less than Six Years	80%
Six or More Years	100%

Notes Receivables from Participants

Participants may borrow from their accounts a minimum of \$1,000 limited to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and are generally due in installment payments of principal plus interest, at an interest rate of prime, with maturity dates ranging from one to five years. The term of the loan may exceed five years if the loan is for the purchase of the participant’s principal residence. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

The full value of a participant’s account becomes payable upon retirement age of 65, disability or death. Upon termination of employment for any other reason, a participant’s account becomes payable. All benefits will be paid as a lump-sum distribution. In addition, the Plan includes a provision for participants to make withdrawals from their account under certain “hardship” circumstances. The Plan also provides for participants who have attained the age of 59 ½ to make a withdrawal from their account, subject to certain restrictions. On termination of service, if a participant’s account is less than \$1,000, the participant must receive a lump-sum amount equal to the value of his or her account balance.

Forfeitures

Employees who terminate prior to complete vesting forfeit the unvested portion of their employer contribution account balances. The Plan provides that forfeitures first be used to pay Plan administrative expenses and any remaining balance shall be applied to reduce employer contributions. There were no unused forfeitures in the Plan at December 31, 2024 and 2023.

Amounts allocated to participants withdrawn from the Plan

There are no amounts allocated, but not yet paid, to participants withdrawn from the Plan as of December 31, 2024 and 2023.

Administrative Expenses

Currently, the Organization pays the administrative expenses of the Plan with the exception of the expenses charged for participant-directed transactions, such as loan processing fees, distribution fees, and participant set-up fees. The Plan may also pay certain investment management fees, where these expenses are allocated to participant’s accounts based on the participant’s current fair value. These expenses are reflected in the accompanying statement of changes in net assets available for benefits as administrative expenses.

NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Contributions and investment income are recognized when received, and disbursements are recognized when made.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Income Recognition

Purchases and sales of securities are recorded on a settlement-date basis. Dividends are recorded when received. Net appreciation or depreciation, if applicable, includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivables from Participants

Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - SUMMARY OF INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan Administrator has obtained a certification from the Custodian that the information provided to the Plan Administrator by the Custodians are complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

A summary of information included in the financial statements, which has been certified, is as follows:

	<u>2024</u>	<u>2023</u>

NOTE 4 - FAIR VALUE MEASUREMENTS

ASC No. 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC No. 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs for which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds

Valued based on quoted prices in an active market (Level 1).

Common collective trusts: Valued at the respective net asset values ("NAV") of the underlying investments held by the funds, less their liabilities. NAV is used as a practical expedient to estimate fair value. Transactions (purchase and sales) may occur daily. The Plan has no future investment commitments or redemption restrictions related to the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

BREWDOG BREWING COMPANY LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2024 AND 2023

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at fair value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total

Investments measured at net asset value as a practical expedient				
Common collective trust				79,607
Investments at fair value				\$ 1,701,713

Investments measured at net asset value as a practical expedient				
Common collective trust				18,244
Investments at fair value				\$ 1,503,731

NOTE 5 - INVESTMENT CONTRACT

The Transamerica Stable Value Option investment contract is reported at contract value. Contract value represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing plan. Interest is credited daily at an interest rate not less than the guaranteed minimum interest rate shown on the contract specifications. The interest-crediting rate is declared on a semi-annual basis. The account is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on Transamerica's ability to meet its financial obligations from general assets. The contract is not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable. While transactions involving the purchases/sales of individual contracts are not observable in a public marketplace, Transamerica has represented that contract value approximates fair value.

Based upon the characteristics of this contract, this contract meets the definition of a fully benefit-responsive investment contract.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on completing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

BREWDOG BREWING COMPANY LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2024 AND 2023

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - INCOME TAX STATUS

On March 31, 2014, the IRS stated that the prototype adopted by the Plan, as then designated, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself, however, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan accounting guidance requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, and the years then ended, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 - PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares or units of investments managed by the Custodian. These related investment transactions qualify as party-in-interest transactions.

Certain participants have the ability to borrow on their vested account balances. As the individuals are participants in the Plan, these transactions qualify as party-in-interest transactions.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated events and transactions for potential recognition or disclosure through September 24, 2025, the date the financial statements were available to be issued.
