**INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator and Participants of  
the Jerry's Enterprises, Inc.  
Employee's Profit Sharing 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

### **NOTE 1 - DESCRIPTION OF PLAN**

The following brief description of JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN (the "Plan") is provided for general information only. Participants should refer to the plan agreement for more complete information.

#### **General**

The Plan is a defined contribution plan covering certain nonunion employees of Jerry's Enterprises, Inc. (the "Company") who have completed one year of service, as defined, and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Contributions**

Each year participants may make contributions of eligible compensation as defined by the Plan, up to the maximum amount permitted by law. Participants may also make rollover contributions from qualified benefit plans of previous employers. The Company makes a safe-harbor match of 100 percent of the first 4 percent of eligible compensation contributed plus 50 percent of the next 2 percent contributed. The Company may also make additional discretionary profit sharing contributions to the Plan for eligible employees who are age 18 or older. There was no discretionary profit sharing for 2024.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's contributions, and allocations of plan earnings, and charged with an allocation of administrative expenses. Allocations are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in all participant and safe-harbor matching contributions plus actual earnings thereon. Vesting in the Company's profit sharing contributions plus actual earnings thereon is based on the number of years of continuous service. The portion of the participant's accounts attributable to the Company's profit sharing contributions becomes 20 percent vested after two years of credited service, as defined, and continues to vest at the rate of 20 percent for each successive year of service until 100 percent vested after six years of service.

#### **Payment of Benefits**

Upon termination of service due to retirement, a participant may elect to receive payment in a lump sum or in installments. For termination of service due to other reasons, a participant will receive the value of the account in a lump-sum distribution.

If the account balance is less than \$5,000, the participant will automatically receive a lump sum distribution. If the balance is greater than \$5,000, the participant can elect to receive a lump sum, or an installment arrangement.

# **JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

### **NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

#### **Forfeited Accounts**

Forfeitures from terminated participants' accounts are used to reduce the Company's matching contribution obligation and/or to reduce fees from plan expenses. Forfeited nonvested accounts at December 31, 2024 and 2023 were \$0 and \$0, respectively. Matching contributions were reduced by \$0 during 2024. Fees were reduced by \$0 during 2024.

#### **Notes Receivable from Participants**

In accordance with the plan agreement, participants may borrow from their accounts. The aggregate of all loans to a participant under the Plan may not exceed the lesser of \$50,000 or 50 percent of such participant's total account balance and have terms ranging from one to five years, or up to 30 years for the purchase of a primary residence. At December 31, 2024, loan interest rates ranged from 4.25 to 9.50 percent, with maturity dates through September 2033. The rate of interest on new loans is the prime rate as published for the last business day of the calendar month preceding the calendar month in which the loan is granted or renewed. The loans are secured by the balance in the participant's account. The principal and interest payments are paid ratably through payroll deduction or are received directly from participants.

### **NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**

#### **Basis of Accounting**

The accompanying financial statements of the Plan have been prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

# **JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

### **NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)**

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable from Participants**

Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest.

#### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable. There were no excess contributions for the years ended December 31, 2024 and 2023.

#### **Payment of Benefits**

Benefits paid to participants represent the amounts paid during the year to withdrawing participants or to participants in retirement. Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid by the Company and therefore excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's accounts. Fees paid by the plan were \$58,882 for the year ended December 31, 2024.

#### **Date of Management's Review**

Subsequent events were evaluated through October 6, 2025, which is the date the financial statements were available to be issued.

**JERRY'S ENTERPRISES, INC. EMPLOYEE'S PROFIT SHARING 401(K) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	<u>2024</u>	<u>2023</u>
Investments, at fair value:		
Pooled separate accounts	\$ 45,897,327	\$ 44,064,591
Participant loans	401,288	362,102
Investment income(loss)	5,283,575	6,063,998
Interest and dividends	112,441	129,467
Investments, at contract value:		
Fixed annuities	3,224,550	3,911,017

**NOTE 4 - FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 and Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2024 and 2023.

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

*Level 2 Fair Value Measurements*

The fair value of corporate bonds, U.S. government securities and pooled separate accounts are valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings.

Pooled Separate Accounts	<u>\$44,064,591</u>	<u>\$ -</u>	<u>\$44,064,591</u>
Total	<u>\$44,064,591</u>	<u>\$ -</u>	<u>\$44,064,591</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2024 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2024, there were no transfers into or out of Level 3.

**NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The Plan has a traditionally fully benefit-responsive guaranteed investment contract with an insurance company. The insurance company maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by the insurance company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal of transfer of all or portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2024 and 2023, was \$3,244,550 and \$3,911,017, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis.

### **NOTES TO FINANCIAL STATEMENTS**

#### **NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)**

The average yield by the Fund for the years ended December 31, 2024 and 2023 was 2.59% and 2.35%, respectively. The actual interest rate credited to participants in the Fund for the years ended December 31, 2024 and 2023 was 2.60% and 2.36%, respectively.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (a) amendments to the plan documents, (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan Participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

#### **NOTE 6 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

#### **NOTE 7 - TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan paid StanCorp Financial Group, the trustee of the Plan for professional services for the year ended December 31, 2024.

The Plan paid Prime Capital Investment Advisors for eligible compensation fees.

Other than loans to participants in the form of promissory notes, the Plan has had no agreements or transactions with any parties-in-interest other than those noted above.

**NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 10 - CERTIFIED INVESTMENTS**

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments, and notes receivable from participants held at December 31, 2024, and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from the participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate of The Standard Insurance Company (the trustee of the Plan).
