Plan Administrator  
**Reid Outpatient Surgery and Endoscopy 401(k) Plan**  
Richmond, Indiana

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Reid Outpatient Surgery and Endoscopy 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Reid Outpatient Surgery and Endoscopy 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Reid Outpatient Surgery and Endoscopy 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Reid Outpatient Surgery and Endoscopy 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITORS' REPORT - CONTINUED

---

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Reid Outpatient Surgery and Endoscopy 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Reid Outpatient Surgery and Endoscopy 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## REID OUTPATIENT SURGERY AND ENDOSCOPY 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Reid Outpatient Surgery and Endoscopy 401(k) Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** - On January 1, 2007, Reid Outpatient Surgery and Endoscopy LLC (the "Company") adopted a Section 401(k) safe harbor profit-sharing plan. Employees are immediately eligible to participate in the Plan. Any employee hired on or after January 1, 2013, will be automatically enrolled into the Plan with a 2% deferral rate, unless they notify the Company that they do not wish to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Participant Contributions** - All participants may make tax deferred or after-tax cash contributions up to statutory limits. In addition, participants may also make Roth contributions on after-tax compensation. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions.

**Company Match** - The Plan provides for safe harbor matching contributions equal to 100% of the first 3% of employee deferrals, plus 50% of the next 2% of employee deferrals. The employer contributed \$360,804 and \$359,915 during 2024 and 2023. In addition, the employer contributions included \$70,135 and \$1,858 of qualified non-elective contributions during 2024 and 2023. The 2024 amount has been reflected as employer contributions receivable as of December 31, 2024 in the statements of net assets available for benefits.

The Company may, at its discretion, make a profit-sharing contribution to the Plan to those participants that have completed at least one hour of service during the Plan year. Profit-sharing contributions will be allocated to each participant eligible to share in the allocation after the end of the Plan year. Such contributions, should they be made, will be allocated in the ratio that each participant's compensation bears to the compensation of all eligible participants. No profit-sharing contribution was made for the years 2024 and 2023. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitation allowed by the Internal Revenue Service.

**Participant Accounts** - Charles Schwab Trust Bank is the Trustee of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution, safe harbor matching contribution, and discretionary profit-sharing contribution are to be invested.

#### NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

**Vesting** - Participants are immediately vested in their voluntary contributions, safe harbor matching contributions, rollovers, and corresponding earnings.

The following schedule will be used to determine vesting in the Plan's profit-sharing contributions and its earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In the event of attainment of normal retirement age, death, or disability while an employee of the Company, the above vesting schedule will no longer apply as the participant will become fully (100%) vested in their profit-sharing contributions and its earnings.

**Notes Receivable From Participants** - Participants may borrow from their account balance in any amount between \$1,000 and \$50,000, but not more than 50% of their vested account balance. Loan terms generally range from one to five years, but a longer term may be permitted for the purchase of a primary residence. The loans are secured by the balance in the participant's account, and bear interest at the Prime rate plus 1%. Principal and interest is paid ratably through payroll deductions.

**Benefits Paid** - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. In addition, participants may receive distributions of the employee deferral amount for qualified financial hardships.

**Forfeitures** - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions, pay Plan expenses, restore forfeitures to participants' accounts, and may be reallocated to participants' accounts. There were no used or unallocated forfeitures at December 31, 2024 and 2023.

**Investment Options** - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options and deferral percentages at any time via phone or the Internet.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The financial statements of the Plan are prepared using the accrual method of accounting.

**Financial Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition** - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. There was a reserve of \$25,156 at December 31, 2024 and 2023, for loans that might be uncollectible. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced. A benefit payment is only recorded upon termination of service by reason of retirement, death, permanent disability or otherwise.

**Payment of Benefits** - Benefits are recorded when paid.

**Administrative Expenses** - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Certain loan processing fees are charged directly against participant accounts. The Company pays an annual administrative service fee.

Investment related expenses are included in net appreciation (depreciation) in fair value of investments. The Plan had \$62,912 and \$45,630 of other income in 2024 and 2023, which was the result of the reimbursement of indirect compensation paid to the Trustee as a result of excess revenue sharing. Other income is used to pay Plan expenses. Unallocated revenue sharing funds at December 31, 2024 and 2023 were \$14,915 and \$42,447.

**Subsequent Events** - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 2, 2025, the date the financial statements were available to be issued.

#### NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to cash and investments disclosed in the accompanying financial statements and supplemental schedule, including cash and investments held at December 31, 2024 and 2023, net appreciation in fair value of investments, interest and dividends, and other investment income for the years 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (the Trustee of the Plan).

#### NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

*Money market fund and investments in registered investment companies:* Valued at the quoted market price of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market fund	\$ 111,900	\$ -	\$ -	\$ 111,900
Investments in registered investment companies	<u>12,723,050</u>	<u>-</u>	<u>-</u>	<u>12,723,050</u>
	<u>\$ 12,834,950</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,834,950</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market fund	\$ 327,141	\$ -	\$ -	\$ 327,141
Investments in registered investment companies	<u>10,995,411</u>	<u>-</u>	<u>-</u>	<u>10,995,411</u>
	<u>\$ 11,322,552</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,322,552</u>

#### NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan assets are held in trust with Charles Schwab Trust Bank. Thus, Charles Schwab Trust Bank, as Trustee defined by the Plan, qualifies as a party-in-interest. Fees paid by the Plan during the years 2024 and 2023 were \$3,165 and \$2,776.

The Howard E. Nyhart Co. Inc. handled the recordkeeping services for the Plan. Fees paid by the Plan during the years 2024 and 2023 totaled \$2,329 and \$1,813. In addition, the Plan paid \$10,739 and \$11,395 to Ascensus, LLC for third-party administration and recordkeeping services in 2024 and 2023.

Morgan Stanley Wealth Management provides investment management services for the Plan. Fees paid by the Plan during the years 2024 and 2023 totaled \$14,324 and \$11,957.

The Plan used Allworth Financial Management to serve as investment advisors. Fees paid by the Plan during the years 2024 and 2023 totaled \$928 and \$1,265.

The Company provides certain accounting, recordkeeping, and administrative services to the Plan, for which it receives no compensation.

### NOTES TO FINANCIAL STATEMENTS

#### NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer profit-sharing portion of contributions.

#### NOTE 7 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit-Sharing / Money Purchase Plan with a cash or deferral arrangement, which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### NOTE 9 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2024 and 2023, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

#### NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years 2024 and 2023, there were no differences between the financial statements and the Form 5500.
